POLIOYELTIES AS TOLD BY M. F. BOYD.

The infectious character of poliomyelitis, or infantile paralysis, was explained to the club members by President Emery on Monday evening.

Dr. Emery stated that a recent investigation of 38 cases of poliomyelitis has given definite information regarding the disease which formerly was not known to be contagious.

The new diagnosis of the disease is due to the fact that the disease is found in connection with an infection in the nasopharynx. The fact that the disease is contagious has added a new factor to the care of patients suffering from poliomyelitis.

The contagiousness of the disease is not peculiar to poliomyelitis, or infantile paralysis, and is characteristic of many other diseases, such as scarlet fever and diphtheria.

The contagiousness of these diseases is due to the fact that the bacteria are present in the nasopharynx of the patient and are carried to other people by the air or by the hands of carriers.

HIGH "Y" CLUB HOLDS FIRST BOOSTER MEET
A booster meeting for the organization of a branch "Y" club was held by the gift of the Ames High School in their auditorium Thursday night, Nov. 12th, with Mary A. Anderson, secretary of the Y. W. C. A. of Ames, as the center of the organization.

Flora H. Thompson was elected chairman, which officer will make her the member of the class of 1917 in the high school for the work and purpose of the organization.

FRIDAY PROGRAM
"Freshman Girls Dance" The social gymnastics of the freshmen girls will be held at last night. Nearly one hundred Iowa's young women, accompanied by an equal number of the former sex, attended in gay and variegated party-gowns, danced to the percussive strains of "Poodle Dancing's" obsessions.

The committee in charge was dis- appointed that the illness of Miss Louise C. Hinsman prevented her and Captain Maxine Murphy from joining the party as chaperones, along with Mr. and Mrs. Jack Hinton.

The program consisted of fifteen of the latest social dances, fox-trots, and waltzes.

THE CLUROY ESPANA
"Adopt Capt. Boyd's Assistance" The Spanish Club, Iowa City, has adopted a campaign, and bids fair to be both entertaining and interesting, according to one of his members. The discussion of all points will be in Spanish and membership in this exclusive organization is limited. The meeting is to be held next Wednesday evening.

START NEW CLASSES
Three English classes for language study and one Shakespeare class have been organized, among the members of the Loyalty club by the following students:

The English groups which meet are as follows: Study Day every Tuesday evening will be conducted by Elizabeth Corbin, Cornelia Grosfeld, and Mary Naeve. The Shakespeare class will meet with Ethel Starr on Thursday afternoon.

Mary Gates of the Alpha Chi Omega sorority went to Des Moines yesterday afternoon.

KELLOGG CALLS MEETING
The annual meeting of conference directors and marshals has been called for December 2 at the auditorium hotel in Chicago by the secretary, N. A. Keiloge. Three men must come this day to the closing of the football season in Chicago, and all members of interest. Their suggestions, while not the weight of authority, are always considered by the conference board as valuable.

Kitty Curtis, graduate, is spending the week and the last two days with the Delta Delta Delta house. She is leaving for New London high school this year. Caterina Horr is in visiting Zula, Peak of the "Quadrangle" in Grinnell.

Priscilla Cobb is visiting her brother, Ivor, for the holidays. This week and Saturday, she will drive with her brother to the Grinnell games. Many dates is spending the week end in Des Moines with Beatrice Haltz. On their return they will go to Ames to give the Alumnae a Christmas dance.

Gertrude Benson, Professor Wolters' daughter, is spending the week end with her father at Ames. "Miss Helen Peters," instructor in some concern, will spend the week end at home.

HEALTH BOARDS ASK BOYD'S ASSISTANCE
A number of the health boards throughout the state have been called upon by the office of the State Board of Health, located at the University.
