The following is the opening paragraph of an editorial which appeared in the newspaper of the University of Iowa.

"The European war is even affecting local affairs."
The usual display of patriotism in the usual form of salute becomes today the basis for the very fact that patriotic feeling is such an important factor in the lives of the students and people of the nation. It is hardly enough that we gratulate upon their progressive ideas. The only necessary urging, will thus see the decoration of the old frat house.

A trial tube will delight the taste buds, neutralizes breath. Neutralizes the breath. Neutralizes the breath. Neutralizes the breath. Neutralizes the breath. Neutralizes the breath. Neutralizes the breath. Neutralizes the breath. Neutralizes the breath.

At last a Tooth Paste that really accomplishes its purpose. This superior cleansing toothpaste is made by experts in dentistry. It cleans and strengthens the teeth. It comes in a handy form, ready for use. Paste that is used for dental cleansing is not enough. It is hard to obtain at the present time.

Teeth Tricks: IT'S NO TRICK TO HAVE PRETTY, WHITE TEETH. A GOOD TOOTH BRUSH AND OUR TOOTH PASTE WORK LIKE MAGIC. WE SELL ALL TOOTH CLEANERS.

Bowling Billiards Barbering

Notes on the significant fact. In spite of unprecedented conditions, we are still filling orders for coal promptly, carefully, and at a reasonable price. The moral is:

The thoughtful people are even now arranging for their Hawkess as well as those figures as they well know have replaced them in 1941, December and this year will be a greater Photo Gift Season than ever before. Prepare now for that sitting.

TOWNSEND STUDIO

Consultations are essential to the satisfactory administration of those courses. The only way to do this is by and with the students and people of the nation.

It is hardly enough that we gratulate upon their progressive ideas. The only necessary urging, will thus see the decoration of the old frat house.

**S. U. I. BAND CONCERT**

Postponed to Wed., Dec. 6

First Concert of the Series

The new plan of a season of concerts opens on the above date. It is the plan of the band to give the University and City a real treat in music this season. Last year the first concert was well attended but owing to the fact that there was an unusual amount of entertainments on for the same evening they were asked to repeat the same concert which they did some time later. This year they will give a series of concerts, four in number, and they are offering season tickets at an unusually low price of $1.00 each. Price of admission at the door 50c. Buy season tickets and save a dollar. On sale at Wmke's, or buy them from any band man.
IOWA NEBRASKA GAME

Hawkeye football, after coming of age during the season, will be expected to face a formidable opponent in Nebraska on Saturday at 12:15. After a week of practice, the boys are expected to show the results of their work.

Today, however, the Hawkeyes will have to take care of their own first. The game will be played in Iowa City at 10 o'clock. For the time being, the Hawkeyes are expected to hold their own, for they have a favorable combination of players.

The final practice will be held this afternoon and then only for the lightest kind of work. The Hawkeyes will play their annual game for alumni and former students at the University headquarters.

For graduates, former students, and other Iowa men, Chicago will also be well represented.

The "Iowa Family" dinner will be held in the gym at 7:30 o'clock. Those who attend may leave the armory at any time before 9 p.m. At 10 o'clock, the toastmaster will introduce the speakers of the evening and the toastmaster will have the floor.

The program will consist of the toastmaster, followed by President Walter A. Jessup of the University. Tickets are available for all those who wish to attend.
