If You Buy $5 Shoes This Fall

—if it's mighty important to be certain what you get. If you want all leather shoes you're safe if they are Selz. Shoes.

Selz Shoes are all leather—the best you can get for your money. You can't tell from the looks of a shoe how good the shoe is. Good looking shoes are not always good shoes. Selz Shoes are both good looking and good.

Many $5.00 shoes are sold today containing substitutes which are not put there to give extra value for the money. If you buy an all leather shoe of good quality at $5.00, you've got an advantage over the man who buys the imitation at that price.

All leather shoes easily mould themselves to the feet—the other kind don't.
