We are buying this space just to tell you that the Globe Hotel is going to be a good place to eat and the dining room is small. "On the square", we are going to serve some regular meals, and we want to be sure to get them.

We mean by "regular" meals, that we are going to serve a full portion of good, wholesome food. Not quite "as good as mother's table", but the next best on earth. Meal tickets.

The Londonexhibit which will be held in room 237 of the library building shows the best school of London. These industrial schools offer three years courses to the best stu-
dents chosen from the lower grades. At present there are about forty of these schools whose pupils are from ten to twelve years of age. Prof. C. E. King of the department of education states, "This is a fine exhibit and makes a better showing than the work of all our grade schools, due to the fact that these children are chosen from the best of their classes according to their excellence in scholarship."

The exhibit consists of drawings, both in crayon and in water color, needle work, and metal and wood work. The science and language work is excellent both in composition and legality.

This exhibit is open to the public and is of interest to those engaged in educational work.

NEBRASKA AND IOWA TO MOWEST IOWA WRESTLERS
The wrestling matches have been scheduled up to the present time for the London wrestling club, will meet Ames at Anam Feb. 9, and the other will be with Nebraksa at Iowa City Feb. 24. It is hoped that another meet may be scheduled, but so far Coach M. A. Kent has been unable to secure the meet.

MEETING PLACE CHANGES
The Rendon club will meet Thursday evening in the Redmond room, and not at the home of Miss Beryl Hart as announced in yesterday's Iowa. Miss Hart will read a paper on "The Domestic Drama."

EXPLOSION IN CHER LAB
An explosion occurred in the chemi-
ical laboratory Tuesday afternoon, when James D. Crain, of Mt. Pleasant, returned a small flask containing carbon acid. Con-
sequence was great fire in the lab-
catory but no one was injured.

CITY WATER SAFE
President James issued a bullet-
In that the city water supply is no longer polluted.

It was found upon investigation that the city water was open for pollution for only about five hours.
