HAVING YOU HEARD IT? Not just a sweet and dainty trill From the dawn so grey and still Comes a stealing through the open window there; I awake and rub my eye. Was it trill or were it light? Born, to feel a man with the world not be fair! So, midway 'twixt doubt and fear I lay with open ear As quick and sudden here soon opened the East At last a twitter, then a tweet, Ah! that song so blythe and sweet! 'Twas a Robin, welcome to you, Ing.

TO HOLD EXAM FOR ARMY LIEUTENANCY GOVERNMENT WILL HAVE CONTESTS FOR COMMISSIONED OFFICERS IN APRIL.

The following announcement, of interest to those who contemplate entering army service, has been made by Capt. Morton G. Muma, commanding of post. Examinations for commissions as First or Second lieutenants, U. S. Army, will be held April 21 and 22. Applicants must be between the ages of 21 and 27 years, unmarried, and citizens of the United States. The probable place of examination is Jefferson Barracks, Mo., near St. Louis.

The pay of a second lieutenant is $1900 and quarters, heat, and light. Those having a college degree are exempt from examination except in four subjects, two of which are selective from among seven listed. The present conditions present an excellent chance for promotion. For full particulars, see Capt. Muma.

Examinations for commissions as Second lieutenants, U. S. Marine Corps, will be held some time in July. It is probable the nearest place of holding the examinations will be Chicago.

Candidates must be between 21 and 25 years of age. Their applications must be on file in Washington, Tuesday evening, March 7.

The subjects covered in the examination are: English grammar, rhetoric, geography, history, constitutional law, arithmetic, algebra, geometry, and trigonometry.

Graduates are particularly sought, though jurors are acceptable. Graduates are exempt from examinations in all subjects except rhetoric, algebra, geometry, and trigonometry.

The pay of a second lieutenant is $1900 per year and allowance of quarters, heat, and light. For further particulars, see Captain Muma.
