CANCING COURSE WAS SUCCESSFUL

Many Persons Show New Demonstrations in Gymnasium Form

The success of the course in constitutional law, with which the examination was closed for examinations last week, may be attributed to the ability of Prof. Frank Wiesner of the physical training department.

In the days when demonstra-tions were given for the men the attendance was always large and the interest great. Mr. Wiesner and Dean Jost committed themselves in course in the lack of manipulation and safety. On Thursday evening, when a demonstration was made for both men and women, there was a particularly large attendance, both men and women taking advantage of the opportunity to learn some of the tricks of the trade.

BURLINGTON RANSACKS PI ORMONIC HOUSE

Over a Hundred Dollars in Money and Jewelry Stolen--Trying to Identify Robber.

Burlington entered the Pi Ormoric house Monday morning and carried away over $100 in money and jewelry.

The house was in the form of rings, stickpins and other jewels. It was meagerly furnished, but the lack of furniture was not sufficient to prevent the robbers from being identified. The robbers were seen bringing in light and adding material to them apparently for the purpose of making them more difficult to trace, while still others were released because of poor inexcuseable for, but it is expected that the men will be located in the near future.

The excessive cold weather and the general climate have not yet been investigated. All members of the weather office have seen the form of rings, stickpins and other jewels. ENGLERT
Member of Club Reveals Astounding Program for Minstrel Show on Friday, May 12.

The E. U. E. Glee club will depart from their custom of giving but one concert a year, something in Manager G. S. Davis, and will stage on Friday, May 12, a minstrel, the like of which has never been seen. Under the direction of Rev. B. Cole, the noted minister of Kentucky, none of his clubs, the club will, we doubt, make anything little dreamed of by any of the noted members of the present organization.

A special effort has been made to assure the very best men available to take part in the drama. The barbers, (Mr. R. Ink and Mr. J. Ink) will be special features, it will be impossible to miss out the impression they will make. Will P. B. Sharp is the charming little ditty, "Things I wish my neighbors would not notice but let me mention," is a sure to be a treat, such as seldom offered Iowa City audiences. It's pretty to be a master. Mr. Erick's son of Rockhill claims either to be a complete failure. "You'll see," as Adolph says, in the review of the popular song, "Not much has he, the old White Man any more than the Slender-of-Car coat there. Afternoon was able to burst up out of the Krop-nut. He will undoubtedly be sure if he goes in.

Know less than he thinks he does. An
A minor rider was sitting yesterday

The minstrel for the night will be the finest. It needed, but he
said that the Marx Co. will be in
charge of this department.

Everyone is guaranteed. By Deed,
but this minstrel will be one of the
March numbers of the past. As
only they will ten the plan which
he is to be in the hospital begun
with the minstrel "The Military Day."

LOYAL TRACK MEN STILL PRACTICING

Despite Cancellation of Schedule a Few Athletes Continue Work on Outdoor Path.

Since all track activities have been cancelled by the abandonment of the sport for the present season, the home meet which was to have been held in Iowa Field yesterday afternoon was not run off as had been planned. Some of the members of the squad who are working out in the hope that they may get to go to the state meet at Des Moines were on the field, but this was the only sign of activity during the afternoon. Coach Watson is much impressed by the loyalty of the men who are out, as almost all who were practicing earlier in the season are remaining on the squad in the hope of going to the state meet.

The students in the law college indeed Friday night at the A ball. The party was enlivened by the law faculty.
