UNIVERSITY BAND HAS CONCLUDED A SUCCESSFUL TOUR

University Band was Engaged in Chautauqua Work During the Summer

PHYSICS DEPARTMENT HONORED BY FRENCH

Received Request From French Mission for Research Facts and Data

During the past two summer sessions of the French scientific mission in this country made a special request of the department of physics at the State University of Iowa for a detailed statement of certain subjects which they were going to utilize on laboratory work in Iowa City. This information was desired for the purpose of furthering the work of the mission in France, and was eventually utilized in the work of several of the students in the course of the mission. It is believed that this information was of some benefit to the students of the institution, and was of considerable assistance to the mission during their stay in this country.

AMBULANCE UNIT IS ANXIOUS TO BAIL
(Continued from page one)

have left the section. Both have passed the examining board for the
nursing service, but Vagi may not be commissioned for getting a distance
from the medical department.

Prior Eleven Being Developed
At the present time the Iowa men
are particularly interested in the de-
velopment of a football team, and
early indications are that they will
have one of the prime elevens on the
Grants. An attempt is being made
to get some extra men from the insti-
tute authorities at the University
and the squad hopes soon to be to
the uniform of the gridiron. This
éase is an informal game the

Hawkwes uphold tradition and the
honors of old gold by showing off
Purdue in a practice scrimmage.

Iowa Unit to Proceed Anew
Without attempting to put sur-
prise into their plans for getting a
better one this year, the Iowa unit
has some pride in being one of the
most popular and widely known
sections at the fair grounds camp.
The spirit and pop of the band have
made them recognized by practically
every unit on the grounds. We al-
ways feel pleased to have our Iowa
"Hello, Iowa" at as we march past,
and the number of times this

HAWKEYE UNIT IS

The Daily Iowan is the only student newspaper published by the students of Iowa State University. It covers campus news, events, and is a platform for student voices. The content includes articles on student activities, campus life, and community news. The newspaper is known for its engaging and informative content, providing valuable information to the student body and the broader community.
The last day of regular registration in the Colleges of Law, Medici-
nee, Homeopathic Medicine, Dentistry, and Pharmacy will be Wednesday,
September 19. Any student (including students not heretofore
registered in the University) who
registers after this date must pay a
late registration fee of 25 cents for
each day's delay. Sundays not con-
idered.

After September 15, each student
not registered for a particular class
must be excluded from that class until properly registered for it.

STRING ORCHESTRA

A meeting for those interested in
a string orchestra, both members of
the faculty and student body, will
be held in the school of music Tues-
day and Friday of this week, accord-
ing to the announcement of Dr. E. C.
Van Doren, Jr., Van Doren Center
to be initiated in advance of the meet-
ing.

Glee Club Meetings

A meeting of the Men's Glee club
for Wednesday night, 7:30 o'clock,
is announced by Prof. W. E. Hayes.
All old members are requested to be
present for this first meeting of the
year.

Women's Glee Club Meeting

There will be an important meet-
ing of the Women's Glee club today.
Former members of the organization
are requested to call at Prof. W. E.
Hayes' office some time today to
learn the time of the meeting.

The twentieth annual convention of the League of Iowa Municipalities will be held in Iowa City on Tuesday evening. Prof. Arthur H. Ford, head of the department of civil engineering, will read a paper on "Service Requirements of Public Utility Firms," and Prof. R. E. Kilpatrick will read one on "Trees for Streets and Parks." Prof. W. H. Kilpatrick will speak on "The University and the Municipalities." A round table will be led by Prof. S. E. Kilpatrick, director of the continuing division. Those taking part in this discussion will be Prof. E. B. Skaggs, A. H. Ford, J. B. Tilly, J. H. Dunlap, B. F. Ploneok, J. W. Raymond, Dr. Henry Albert, J. J. Hinsman, Dr. Mark Boyd, and J. M. Creasey, the specialists involved.

UNIVERSITY BAND ENDS A SUCCESSFUL TOUR

(Continued from page one)

The University band will appear in the final performance at the annual convention of the League of Iowa Municipalities. The band will be under the direction of Dr. Newton, who has been on tour for the past season. The band will give a final concert at the University at 10:30 p.m. on the evening of the convention.

$3.00 MEAL TICKET 2:30 P.M.

Coffee, Cakes and Syrup 10c

from 5 to 10 a.m.

Your fraternity will find that

Pyrailize, the long-flame coal, is the economical fuel to buy this year. It burns with a long, hot flame, leaves little ash, makes few clinkers, and is moderate in price.

Order your coal at once. A shortage of coal is imminent.

The University Book Store

You can get that book at THE UNIVERSITY BOOK STORE
