The women of New York state developed a marvelously efficient political machine, but the evidence of violations of the War service was necessary to obtain a majority for the measure. After a few years of continuous campaigning the Susan B. Anthony Federal Association and the National American Women's Suffrage Association passed the House of Representatives, and the bill was passed by the senate and signed by President Wilson. With twelve states already consecrated, the campaign for ratification of the four-squares of the states is only that of a short time.

MUSIC STUDY GIVES EXCELLENT RECITAL

Branch of Fine Arts Association presents Artist’s Program in Auditorium.

The annual concert of the music study section of the Iowa City Fine Arts Association was given at the natural science building last evening. Music lovers as well as the members of the association were present to enjoy the splendid program.

The numbers were all the work of French composers. This made a nice balancing of the year’s work of the club because as much as the work of different French artists has been the subject of this year’s study.

The club was very fortunate in securing Grace Seiberling of Chicago and has made a time sweetmeat.

- The benefit, the pleasure, the economy of a 5c package of WRIGLEY’S

- has made it the favorite “sweet ration” of the allied armies.

- send it to your friend at the front

- it’s the handiest, longest-lasting refreshment he can carry.

Into him heavily and eased him to the ground. Morgan stirred, the press for the first out. Eyerberg walked and a perfectly manipulated squeeze play brought Murray in for the winning run of the game. Wolf, the better was thawed out on the play, and Phillips fanned for the third out. Iowa looked dangerous the next inning and Murray, the Indiana pitcher showed unmistakable signs of weakening. Kremer walked and advanced to second on Andrew's passed ball. Frank struck out and Nixman, who was sent in to hit men wanting work, fanned. Lutjen lifted a long fly to center for the last out of the game.

“INSUFFICIENT FUNDS”

Every day the local banks have returned to them by other banks checks which are marked “Insufficient Funds.” The collection of these items is always costly and troublesome. The drawing of checks without funds to cover them is bad business practice particularly nowadays, when merchants and business men and bankers are minimizing profits and giving all their energy to the winning of the war. The IOWA CITY CREDIT BUREAU urges every one to help by keeping their credit good on the records at the office of the Bureau. All persons making a practice of writing checks without funds to meet them are reported to all members of the Bureau. WATCH YOUR CHECK STUBS.
