safety and two points. The game ended with the ball in the Nebraska possession in the middle of the field.

Black Hawk Champions

The Old Gold machines played a most convincing game. It made few mistakes but none very costly. Its surprising, aggregative attack took all the wind out of the Nebraska sails, and put Nebraska on the defensive from the first bell to the last. With the help of some errors from other sides, Iowa’s proficiency proved the champions.

Two injuries marred the game for Iowa fans. Charlton was downed with an injured shoulder. Ford received a twisting blow on the head in the last quarter that looked serious but he recovered in time to return for the remainder of the game. But Stoeis and Stronger were on every play and assured the Hawkeyes for losses time and again. It was finer that block of the kick that ultimately brough it to a close, after Nebraska’s return. For Neb, second half was not so red.談
