WALK WITH NATURE
It is wonderful just to live during these calm October days. Troubles and worries can not compete with beauty and wonders of God's picturesque and transforming Universe. If you will take a walk while the sun is rising in the eastern heavens or when another day is closing on the western horizon. Take a walk.

In the greatest dual role ever enacted on the silver screen, DOROTHY PHILLIPS rises to heights of emotional acting and pathos never seen in all your life.

Have you the Right to Happiness?
"No!" And you want to shake her and tell her to take the "all of love" in your life.

DOROTHY PHILLIPS
BRILLIANT STAR OF "HEART OF HUMANITY"
The Right to Happiness
PRODUCED UNDER THE DIRECTION OF ALLEN HOBUBAR

Tremendous in theme; stupendous as a spectacle; the eight great acts of this greater and better photoplay serves as the setting for the purest love-drama ever produced.

THE KODAK ALBUM

There's joy in every page of the school girl's Kodak book. There's a hint of good times in every tiny print and between its covers is the pictured story of happy years and enduring friendships—a story that means fun in the making, and afterward the still greater joy of living over again those happy, carefree days.
