NO RECORD OF VOTES UNLESS ASKED FOR

Harold Chamberlin, member of 1929 class, states that he was not contacted concerning the elections of last Wednesday afternoon before sleuthing took place. Tonight, despite the instances in which the roll was taken, no returns will be made up.

The close margin, by which Mr. Chamberlin is elected, might have been overcome by Miss Brown and Miss Ott, justly ranked as one of the outstanding students on the athletic staff.

BAND SPECTATORS COLLECT $200

Iowa City Merchants are Contributing to Fund to Send Band to Chicago

Nearly $400 of the $1,000 fund, which will send the sixty members of the University band to Chicago for the big fight, with engagement playing at the Chit’n’go game in Green Bay, will be raised by yesterday afternoon. The band was taken on a tour of inspection by a number of Iowa City merchants of patriotic spirit.

The band, in starting on its tour to Chicago, will be composed of 211 men and 38 women. Of the 211 members, 161 are veterans and 147 are undergraduate men.

The fund is being collected by the Iowa band committee and the checks are being turned over to the band members. The band members will be able to draw five dollars a week for their expenses.

Buckethill Press

The Buckethill Press is rated as second to no other school in the land. This newspaper has been annually put out by public service men at the university this year. It has not lacked for a good printer as there are two good printers on the faculty. Reilly and his all-Western staff will be able to offer a good printer for the first time.

Furley's Gold

Great Paper in Name

Northwestern's name has been changed to Furley's Gold. Furley makes the advantage of having a name that is not too bad. The new name sounds well and it might be said here that the name is not as bad as the paper.

The Argus is a local paper.

MEET THE TEAM

Everybody's going to be at the Rock Island station at 1:45 o'clock on Tuesday afternoon when the band that will entertain Northwesterners this week arrives.

D. E. Van Does lays the train

Don't be late. The band will be at the station at 1:45 o'clock on Tuesday afternoon when the band that will entertain Northwesterners this week arrives.

Mr. Nasby in attendance

Last evening A. F. Van Does, of the Argus, laid the train. The Minneapolis Star will not have the train until 2 o'clock. The Argus has already started its train for the trip.

Any train that is on time is a good train.

ANNOUNCEMENTS

Humane Society will meet at 5 p.m. in Mrs. PBS house on Thursday, November 15th. All members present at the meeting were announced.

Chicago University students are invited to join the Chicago University Choral Society. The society will be conducted by Mr. Nasby, who is the director of the society.

Prairie View today

Prairie View will be held in the assembly room, November 15, at 2 p.m. The meeting will be conducted by Mr. Nasby.

NOW THE TEAMS LINE UP TODAY

Dean of the College

Members of the new student council were elected last night, November 12, in the assembly room of the liberal arts building to effect changes in the student council.

The time and place of this first meeting have been named by Donald T. Yarborough, president of the senior class and president of A. F. L, upon the authority of the executive committee representing A. F. L. and staff and circle, the organization which rejected the official student constitution for the elections.

There are 105 members.

It is the plan of the committee that the new student council be given to the executive council the newly elected members to the council, the present members of the council.

The meeting will be held Wednesday, November 15, in the assembly room of the liberal arts building.

The number of the committee members is 105, and they will have no further duties according to the statement of the speaker.

Laws Not Enacted

All colleges have elected delegation to the new council with the exception of the law college. The senior class of the college has not elected a representative at all, a number of the students believe because of the few members in the class and the fact that they are mostly registered in classes and they have not made the regular requirement for membership. The law college, a number of the members stated, must be the law college because the law college and circle shall have been elected to carry the council on their shoulders, the number of the committee members is 105, and they will have no further duties according to the statement of the speaker.

SOCIOLOGY FORUM

Bucholz Forum has changed its name to "Social Science Forum."

This change was due to the fact that the forum was an informal agreement of the old forum and the current forum that now exists, the "Sociology Forum." This change was regarded in the early part of last year. It was composed of the "Sociology Forum." This change was regarded in the early part of last year. It was composed of the forum and the conference in sociology and the forum in sociology. At the meeting Thursday, November 15, at 8 o'clock, there will be held the political science and history meeting.

Meet the team.

RAINBOW DIVISION

CHAPTER CONSIDERED

James E. Thomas, Head of Sub-Chapter Movement in University.

Application for a sub-chapter of the Rainbow Veterans Association will be considered by University students who were members of that division at their formal banquet last Tuesday evening at the Hotel Jefferson, according to an announcement made by James E. Thomas, student in the school of commerce, provisional chairman in charge of preparations for that occasion. This will be the first sub-chapter organized in the state.

Thomas, who was with the organization on every front where it was needed, and who later held the rank of division adjutant, has a letter from Matthew A. Thiell, president of the Iowa chapter, congratulating the man of the University who are free to go about the work of organization.

Colonel Thiell's letter was in response to an inquiry concerning the matter made by Thomas some time ago. It was followed by a letter from the national secretary encouraging the University student in getting their application. Promoters of a sub-chapter in the University believe that from twenty-five to thirty names will appear on the application.

The Rainbow Veterans association which was organized just earlier when the division was in Germany has chapters in twenty-six states and the District of Columbia.

CHOICE DEBATE TOPIC

The Men's Favorite Council has chosen the following question for the championship debate which is to be held on November 26: Resolved: That the United States shall enter the League of Nations, as the current war might justify it.

The Pitkins will have the affirmative and the Irises, the negative.

ATTENTION! COAL CONSUMERS

We beg to call the attention of the public to the following facts:

1st. There is no occasion for panic about the coal supply in Iowa City for the next month, if proper distribution of present stocks is made.

2d. During the month there should be some relief. Over fifty cars loaded for Iowa City are in transit,—some of which will probably be allowed to come through. About one-third of the normal production of coal is being shipped. In all probability many mines will be open within the next ten days.

3d. There is need, however, of careful conserving of present supplies. If all the mines were to re-open tomorrow, there would still be a severe shortage for several months. People who have a 30-days' supply on hand should not ask for more coal but should notify their dealers of their probable needs. Consideration for others and cooperation with the Fuel Administration and coal dealers will do a great deal toward preventing suffering during the next three months.

4th. The coal industry of our present stock shows that we have on hand about 600 tons of coal—enough to fill all orders on our books in full—allowed to do so by the Government. We shall be obliged, however, to follow the directions of the Fuel Administration in the distribution of the coal.

5th. In fulfillment of a statement made on the streets recently, we wish to say that we have on hand coal which has not been advanced one cent since August last, notwithstanding the fact that the operators have advanced their price to us. Prices on Peruvian and Kentucky coal have been advanced by us as they have been advanced by the producers. There was no disposition on the part of local dealers to take advantage of the situation—even before the Fuel Administration came into control.

6th. We are delivering coal on orders placed with us, giving some coal to each one, so far as possible. We shall continue rendering to our customers the best service possible under existing conditions. Patience and consideration on the part of public and dealer will contribute much toward relieving the present tense situation.

HOMECOMING
and Armistice Anniversary Celebration
Tuesday, November 11th

We can provide to a nicety for your requirements for formal and informal occasions and street wear—

Party Dresses of Unusual Beauty

They reveal the prettiest styles that we have shown in many a season. No difficulty in finding gowns in our showing suitable and becoming your particular type. Not only are these frocks modish, but they are correct for the wearer and the occasion.

Exceedingly modest prices prevail on all dresses, ranging from $15.00 to $25.00.

For Women and Misses

Paris-Inspired Gowns

In beauty of material and cleverness of design, no blouses surpass them.

Blouses more exquisite are to be had—certainly not to be equalled at these very modest prices ranging from $3.98 to $25.00.

Fashionable Gowns of True Elegance

are so moderately priced as to frequently call forth comment in the way of a denial by women who have heard so much about the high cost of dress when these garments have been examined.

The people of Johnson County will show the returned soldiers that the sign, "WELCOME HOME!" that greets them, is no empty phrase.
