BIG JOBS AHEAD FOR

In this age of reconstruction there are big jobs ahead for men who have the "spit and polish" to undertake big things. "Spit" is confidence and good clothes within it, especially clothes that have the style and the tailoring that give you entrance anywhere.

Society Brand Clothesh is in highest favor with men who don't want "second best." Due to the fine hand finishing every garment receives, the style remains until the fabric wears out. Always all wool.
