President Jessup Regards

Homecoming as a Great Success

To faculty, students, and friends of the University, I wish to express my appreciation of the splendid effort made by all concerned in making this a memorable return. It was inspired and apparent desire of everyone to serve the best interests of the University, Iowa City, and our returning graduates and friends.

The Million Dollar Military band will appear in Iowa City, Wednesday, November 24, under the direction of the military department of the University and in the benefit of the Iowa City veterans. The band is attached to the general hospital, and is under the direction of General Lyegett. Their reviews are zealous efforts in behalf of the veterans of the St. Louis Symphony and Robert Bruce. Indiana's band will be present, and the selection of music will be on the best model. It will be given Wednesday at 3 o'clock and 8 o'clock.

LAW'S GENEROUS IN MEMORIAL CAMPAIGN.

Other Colleges Have Not Yet Made Reports on Drive, Says Don Naby, Manager.

"Reports from the college of law in regard to the Memorial campaign are exceptionally good," says Donald Naby, the student manager. "Half the pledges received from the freshmen class amount to $1250. The total contribution of the class is $1900. The junior class has contributed $45 and the senior class.

The last return from any of the moral arts classes have been turned in. The solicitors have not been able to see all their people as yet. At least, the solicitors were able to see the manager by Friday at 6:30.

Colleges of medicine and pharmacy have not sent out returns as yet. The law and social science classes have not obtainable from the colleges of engineering and education.

Freshman girls were handed cards at the freshman lecture yesterday afternoon, and the cards remain at the end of the hour.

A copy of the report from every sorority is expected by Friday," says Mr. Naby.

BASKETBALL NOTICE

Registration for the basketball season for all varsity candidates will begin this afternoon when the first work will be held at the armory at 4:30 o'clock. All basketball players are urged to come out for this first practice.

The Football Season

Any university that has a football team, whose record contains five victories and but two defeats, whose opponents have been among the strongest in the west, has a right to be proud. Iowa is proud of the football eleven of the record it has made; for it is a brilliant one, but in hand. Iowa does not make any show to its best of visitors. Just the opposite, such victories have been met with well wishes from those in authority. But, unfortunately, in years past, such victories have been due to the excess for destruction of property, the raiding of stores, and at least once, a threatened rush on the quarter back.

It is a singular, gratifying fact that no such demonstration follows Iowa's victory Saturday night. The thousands of visitors in the city most have felt that the University was making progress and must have realized that the students are coming to feel some responsibility. The fame of the University was not extinguished in the past. On the other hand, our best of university visitors were able to return to their homes in all parts of the state with a greater feeling of pride and respect for Old Gold.

It was an orderly celebration of a coveted victory.

IOWA PLAYS CLEAN
GAME—AGAIN NO STAGGER

In a recent letter to M. P. Conover, an assistant in the English department and a former Chicago athlete, Coach Steele of Chicago had this to say about the Chicago game: "It is no lie to say that I heard two of our boys say that Iowa played the climax game that they had been in this year and that there was no depth worth of any kind, which is fine compliment to the Iowa team and to Coach Jones."

POLITICAL DEBATE TODAY

Preparatory Committee of Congressmen of the University of Wisconsin will hold a debate at 7:15 pm in Memorial Union today. The topic is: "Resolved, that three Iowa players are chosen for the first All-Conference team."

Although the Hawkeyes finished fifth in the conference, they were separated from the leaders by as slight a margin as to indicate very little, if any, difference in strength. Believing that strength, ability, and capacity Defines are three or four men selected who stand out most prominently in Big Ten gold cri-

The other two are Higges of Minnesota and Cole Harley of Ohio state.

Selection of Ends

In selecting the two ends, several important qualities are taken into consideration. Believing that Iowa and Wisconsin have nearly uniform to these Members than any other pair of wing men in the west, the Hawkeyes are the speed and weight to fill the meet. Former has the range, the speed and weight to fill the meet. Former has the range, the speed and weight to fill the meet. Former has the range, the speed and weight to fill the meet. Former has the range, the speed and weight to fill the meet. Former has the range. The latter has a record for perfecting few gains around his position.

Wisconsin is hardly in better field than Bolding's equal in receiving forward slips but he makes up for this by extraordinary defensive skill. It has been the most difficult thing in the world for opposing backs to get an inch of territory around the shifty judge wing men. On punts he on- hibits remarkable skill in getting down the field and is a sure tack-
