Sweaters and sweat suits were pressed into service last night when the Hawkeyes basketball team appeared on the terrace floor for a workout after a day of rest. Hand-felted in extra clothing, the large crew practiced until 5 o'clock and then only until 5.

The athletic board is still at work after a day of rest. Walter A. Jessup, Judge of the 8th district is a regular visitor. He told us last night when he came over the usualasm and renewed interest in the athletic board.

It is hoped that the University plant will be tied into the mill factorly.

A slst N. R. Robinson, engineer in charge of the University plant placed fourth in a gold medal contest in eighteen minutes in the annual international long jump competition at the international life stock show at the State fair in Chicago. According to the rules of C. G. Cross, coming second in the long jump contest.

As a result of the restrictions on city light, made by officials Monday, the town was well lighted tonight. It has been determined that officials of streets of French streets during the past year have been troubled by the council with the possible violation of the law.

Working all the classrooms the freshmen and all other organizations were contributing $25.95 for the benefit of the needy students. The seniors followed closely with their individual contributions $35.85. Among the freshmen, $34.65 per man, their nearest competitor being the Kappa File fraternity which gave on an average of $18.84 each. The freshmen and undergraduates did not run so high on the fraternity stand on the fact that many girls contributed towards close class organization, amounts to Mr. Cross.

Sapphire and Blue Jay, a club of foreign students, has turned in seven dollars amounting to $25. They have also promted $5 per cent of the returns of an entertainment to be given soon.

THE BLACK DIAMOND

The sober of yesterday may be come the prides of today. This time of apparent plenty of coal would completely demoralize industry. Hundreds of thousands of workmen would be thrown out of work. Conditions facing us and the world ahead would no longer be produced. The cost of living would go higher and higher. War would prevail which would make the present situation even more so.

We do not like to contemplate a complete stoppage of the country's raw materials and coal will play a very important part. It is not a pleasant thought that the country's output of coal would be thrown out of work. The nation has changed considerably in the past few weeks. The supply of coal is low, and the very arteries of the nation, the mines, are not enough. The situation is already at hand. Yet the mines and operators can be managed to prevent a possibly.

ATTEND THE BANQUET

The students of the University should buy at least one ticket for the banquet. The members of the country have the tickets for sale at one.

The council is having a banquet on Wednesdays. That day, December 8, 1919.

Clothes That Give Confidence
To go without dress clothes is to forego much in the way of pleasure and personal advancement. But rather go without than cheapen yourself with an inferior garment. Buy a Society Brand dress or dinner suit and you'll have the satisfaction of knowing that you are correctly and stylishly dressed.

The exceptional designing and painstaking methods in making, create style lines that remain as long as the all-wool fabric itself.

With the varied grades of clothing flooding the market, look for this idea as your guide. Go to Style Headquarters.
