Paper dolls, paper dolls, and toys of all kinds will be lured--just the kind of things that skill-shy fiddles in the hospital are now hoping that Santa Claus will bring them.

The Good Fellow-fund does not set any limit to the worth of the committee of the people who are planning Christmas cheer and their friends for the hospital. The purpose of the Good Fellow-fund is to furnish toys for the patients.

On Christmas eve some representatives of the committee may take gifts to the hospital.

Present of all kinds, children's books may be sent to Santa Claus, at the Daily Iowa, room 14, Union erect art buildings.

December Alumni Appeals Today

Because of the coal shortage and delay in securing materials, the annual Christmas Alumni, scheduled for December 14, cannot appear Tuesday, will be sold on the campus this morning, according to W. M. Hinson, business manager. To carry out the spirit of Christmas, a white and red game is being printed.

The picture of Iowa field during the Iowa-Iowa State football game showing the immense crowd seated, is printed for the first time in this issue by Harold Chamberlain in "Athletics in 1913."

Frivol, on Sale Today

For the information of those who are planning to change the magazine for tomorrow at 3 o'clock in the hall of liberal arts and natural science buildings and at the University and the Iowa home society, Frivol will be incorporated at the same places and on the campus.
