COUNCIL DANCE GETS ENTHUSIASTIC SENDOFF

Merry-makers Are Well Pleased With First Party Given by Women's Gymnasium

Appropriately 260 couples attended the University dancing party given in the women's gymnasium last evening under the auspices of the Student Council. Printed programs were the features of the first dance of the series being given for the students of the University by the Council. The dance was chaperoned by Dean and Mrs. George F. Kay and Mr. and Mrs. R. H. Fitzgerald.

Music was furnished by Freightlander and Leonard's orchestra of Des Moines. The general opinion of the students of the show is that it was better than was expected. The contractor doors between the main auditorium and the mirror room on the stage were opened and the music easily heard in both rooms. The committee in charge had sprung a new note on the floor and it was in excellent condition. The floor will be waxed tomorrow that it will not interfere with the physical training classes, the chairman of the committee in charge said.

FEW PEOPLE TRY FOR PRIZE FRYING OFFERS

Leap year, Valentine Day, and Friday the thirteenth, the day of publication for Fried, should suggest some excellent humor, but the January five-dollar banknote offered for the best contribution to the Valentine Number of the University's humorous magazine, has not been attracting the walls of the bank vault, according to Warren Bassett, editor of the magazine.

Much material is already in the hands of the editors but items from sources outside the editorial staff.

Get Out in the Open

With a KODAK

There is no better sport than picture-taking. Not only the fun in taking the pictures but the added pleasure in looking over the Kodak Album in years to come.

Let us show you how simple it is.

EMISSIONS VASARI BULLETIN
Mrs. Harry Grant Plum, wife of Professor Harry G. Plum of the history department, has recently edited a bulletin of the class of 1900 of Vassar College. The bulletin, consisting of a number of letters from members of the class, has been published annually since the class was graduated in 1900. Mrs. Plum is secretary of the class.

NOTICE
Members of Irving Institute will meet at the Townsend Studio today at 3:00 sharp for a group picture.

All Sets are requested to be at the Townsend Studio today at 2 o'clock of the week beginning with Monday, January 14th, for our big REMOVAL SALE which starts next Thursday morning, January 15th. The news of this sale, through our four-page bulletin and the newspapers, is being distributed to the heads of ten thousand families in Johnson and adjoining counties. Read the big bulletin telling of the phenomenal savings.

REGISTRATION NOTICE
By Saturday evening, January 16, all students to the college of liberal arts whose last names begin with the letters A to O, inclusive, should have been registered. It is believed, however, that many of these students have not yet been registered. Since the registrar's office cannot accommodate each day from 0 per cent to 40 per cent more students than have been cared for daily since last Wednesday, it is suggested that many of the students who should have registered last week, according to the published alphabetical schedule, do so during the first three days of the week beginning with Monday, January 13. As far as possible, therefore, all unregistered students from A to O, inclusive, during the next three days, will be able to have their registration completed somewhat.

We wish to complete the job by next Saturday evening.
Respectfully, H. C. Duvall.
