E. W. M. has been named to the board of directors of the Iowa Women's Council, and Dr. E. Thomas will proceed to Madison to play a return match of the Hawkeye men's basketball team. He is expected to be back in Iowa City by the end of the month. The game will be played at the new arena, which has been in progress for several weeks. The arena is scheduled to be completed by the end of the year.

The following men have been chosen to represent the University of Iowa at the meeting of the American Association for the Advancement of Science, which will be held in Chicago in January. They are: Dr. W. H. McGovern, Dr. A. McGonagle, and Dr. N. R. Whitney.

Mr. McGovern is expected to make a report of the progress of the College of Liberal Arts and Sciences, while Dr. McGonagle will discuss the work of the College of Agriculture. Dr. Whitney will give a detailed account of the progress of the College of Engineering.

The meeting of the association will be held in the Iowa Memorial Union, and will be attended by members from all parts of the country. The meeting will be held on Thursday, January 16, and will be presided over by Mr. O. H. Fisk, the president of the association.

Do You Know Why You Use Vanishing Cream?

Just as the rice grain swells when cooked so will the minute particles in any good rice powder enlarge from the heat and moisture of the skin, causing enlarged pores and blackheads. A Vanishing Cream fills the pores and prevents the powder from entering them. Protects the face from sun and wind and as a powder base causes the powder to adhere better and distribute more evenly.

We carry many of the most popular brands of vanishing creams, among which we particularly recommend the Rexall Disappearing Skin Cream and Jontelle Combination Cream.
