Chairman Boyum Announces That Gallery at Women's Gym Will Be Open For Those Who Wish to See Sophomore Cotillion—Proceeding to Last Until 1 O'Clock

Onlookers will be admitted at the sophomore cotilion, given in the women's gymnasium this evening. Dorothy Boyum, chairman of the dance committee, announces that the gallery will be open until 1 O'clock, and that there will be ample room in the gymnasium for the onlookers. The onlookers will be admitted in the gymnasium by the bouncer for the onlookers and an admittance charge of 25 cents will be made.

Flower pots will not be permitted in the gallery, and the onlookers are not to bring into the gallery any flowers they may have purchased for the dancers. The onlookers will be seated in the gallery in the dress rooms before going on the floor.

Chairman Boyum's official announcement read: "The gallery is to be reserved for the benefit of the women who will be present in the gymnasium. To the women will be left in the dressing room.

'Decorations for the first big formal of the year have been in charge of Art Thorwick and consist of a series of colored streamers suspended from the uprights in the women's gymnasium. The lights will be added with reached effects. Dancing will begin on the floor at 4:45 or 5 o'clock. Music for the formal will be prepared by Professor of Music, Workman's orchestra of the University.

WAR AVIATORS FORM CLUB

University Fliers Hold Banquet at Hotel Johnston Saturday

The Iowa University Aeri club was organized Tuesday night when twenty-two students of the University, former aviators in the army, navy and marine corps, met in room 208 of Alumni arts building. Officers elected for the coming quarter are: A. D. Blaufeld, president; Glen E. Cracal, vice-president; and B. L. McLeod, secretary-treasurer. A constitutional committee and a special committee of membership were appointed by the president.

The special committee of membership were decided upon. Class A, consisting of certified arms, navy and marine artists; class B, members of army, navy, and marine observers, balloon pilots and balloon observers, and members who finished the ground course; Class C, will be composed of all other students who were in the air service, as well as the ground officers. Membership in class C will be made up of those who are interested in aviation. Membership in classes A and B is by application, to classes C and D by invitation.

IOWA'S FOOTBALL TEAM TO START DRIVE FOR CHAMPIONSHIP

First Indoor Practice Will Be Held at Men's Gym Saturday Afternoon

TEACH SIGNALS AND PLAYS

Practice will be held in two divisions as that All Men May Attend. New Excellent Boys Captains Kelly and Cooper.

Iowa's football team starts a drive for conference championship tomorrow when indoor practice will be held in the large room above the main locker room of the man's gymnasium. Under direction of Coach Howard H. Jones and Captains-elect William S. Kelly. This practice will be held in two divisions so that none who will not be able to attend one may attend the other. One will be held from 2 to 2:45 o'clock and the other from 3:15 to 3:30 o'clock.

"Prospects are bright for a winning team next year," said Captain Kelly. "The team ought to be as good and even better than last year. If the men will get out for those practices, good results will be had."

"The purpose of this indoor practice is to teach the new signals and plays so that they will be able to put them into action early next fall and have a smooth running start to the season," said Coach Jones. The football season opens October 2, at the University, followed with games with the University of Illinois and the University of Chicago the following two weeks.

Came Not Seriously

Dr. McDonald says that at the present time the department of student health has about twenty-five cases of the disease under its care, but says that none of these is serious. The disease is well in hand, and that the number of cases among students is not gaining perceptibly.

Every case among university students is isolated and cannot be established where several persons in the same room are sick.

Issue Safeguarded

Men in the college of dentistry were given a solution yesterday known as a throat gargle for the prevention of the disease.

As a safeguard against the disease the department of student health makes several recommendations: hands should be kept scrupulously clean and away from the mouth, all contact with persons with miliary infection be avoided, not well, dress warmly, keep the room in the fresh air as much as possible.

FILIPINO DEBATE

Five Filipino students spoke at the debate forum Wednesday evening on Philippine independence, following the address of Prof. Jacob Van der Meer on the same subject. They are: Eugenio B. Rillilaco, Howard L. Jones, Quentin G. Fernandez, Pacifican S. F. Patterson and P. V. Vartia.

OLD RIVALS WILL JOIN FORCES

Wrestling matches will be held in the school gymnasium today and tomorrow. The matches will be between the University and Illinois Colleges.

The matches will be the first to be held between the two schools since 1932.

"To lend a berth, in the words of the meeting editor, would indeed take long and patient practice. Such an honor would be far greater than ever placed on the football team, even through that football team be champion of the Big Ten. Such a name as would come to many of a team like that would be nation wide. The neutral court will be William Jennings Bryan, whose forehand tactics has kept him before the public, right there in the front row, for these past (twelve years)."

"Candidates may, if there be any, name the way out."

"Our alloted space is taken, be not too elated, I don't think you look like a poor day for the Floridas. Since none, too, dead person request, "No Flower.""
