TO ENSURE INTEREST IN THE FRESHMAN STUDENTS' DANCES AT THE COLLEGE UNIONS

College unions have been successful in carrying on dances during the past week. The attendance has been increasing, and many of the freshmen have been expressing a desire to participate in the dances.

A new feature of the dances this year is the presence of the University Orchestra, which has been playing music for the dances.

The interest manifested by the students in the dances has been encouraging, and it is expected that the attendance will continue to increase in the future.
WHAT man doesn’t like his pipe? There’s nothing whets your smoke desires like seeing a good pipe lying around. Because you know that in it is the only real unison. Your appetite will be doubly whetted if it is a W.D.C., because in W.D.C. pipes all the sweetness and mellowness of the genuine French briar is brought out by our own special seasoning process. Then, too, W.D.C. pipes are good to look at. The designs are pleasing and workmanship perfect. You’ll agree with us that our craftsmen are accomplishing their purpose—to make pipes that are without peer in all the world. Ask any good dealer. Be sure and look for the Triangle trademark. It’s a guarantee against cracking or burning through.
