FIRST AID TAUGHT BY LOCAL PHYSICIANS

Personal health and first aid will be taught to employees and the women of the university by local physicians. Classes will be conducted with demonstrations, instruction, and the answering of questions, as the main features. Members of the medical profession by give will be taken up. Practice in first aid will be given. These classes are open to employees of the university, students, and guests who plan to attend.

PENURY QUESTION: 1920--VOL. XIX--NEW YORK, 1920

WASHINGTON'S BIRTHDAY MAY NOT BE CALLED A HOLIDAY--DEAN OF SCHOOLS

WASHINGTON'S BIRTHDAY, which comes on Sunday, February 22nd, is not to be called a holiday, and classes will be in session before or after this date is to be treated according to the regulations of the University. It is a question to be decided by the University faculty.

One hour each, in each course missed before or after a regular class, is equal to one hour of work disregarded, according to rule. The ruling will be followed without exception in the interests of the students.

WASHINGTON'S BIRTHDAY is the birthday of the University, if the administration calls it a University holiday.

It is a national holiday, but there is nothing in class room work the day may not be called a University holiday," said Mrs. Nellie A. Acorn, dean of women, yesterday. "In that case the additional penalty of missing classes before vacation would not be considered.

Carol E. Dornac, registrar, says he will take up the matter in the next meeting of the administration this afternoon.

INFLUENZA CASES DECREASE RAPIDLY

Only Eight Dick at Dormitories

Influenza cases are reported rapidly decreasing. With only three cases of influenza in the Quadrangle, compared with twenty-one of last week's list of fifty and twenty cases at three places, the "flu" situation is rapidly clearing up. This is a criterion of the number of years that have passed since last winter in the University hospital.

Dr. H. W. Collins, superintendent of the University hospital says.

Dr. Collins stated further that no new cases of scarlet fever and other contagious disease have appeared. Scarlet fever quarantine has been lifted, and all cases of the disease have left the campus.

FURTHER TESTS CONFIRMED NO CASES

To Be Given March 9th

Mr. J. L. St. John, director of the University hospital, has announced that further tests confirm the absence of the disease in the campus.

NEWTON LETSTIONS ON PROBLEMS OF BRITISH TONIGHT

The lecture will be given at the University hospital, February 22nd, at 4:00 P.M., and will be conducted with demonstrations, instruction, and the answering of questions, as the main features. Members of the medical profession will be taken up. Practice in first aid will be given. These classes are open to employees of the university, students, and guests who plan to attend.

B. E. U. GRADUATE DIES OF PNEUMONIA

Harold P. Bacon of Oxford died in Ida Grove Monday as a result of pneumonia, which was contracted from the grading of applied sciences as an engineering student in this institution. He was a member of the University faculty. After graduation, Mr. Bacon served in the United States Navy in France. He recently accepted the position of principal of the high school in Ida Grove, where he became ill. The funeral is to be held this afternoon at Oxford.

NEW BLEACHERS FOR INDIANA GAME

Structural Engineers Will Inspect All Seats in Gymnasium This Week

New bleachers have been ordered to replace those which collapsed at the Iowa-Indiana basketball game which was held last time for the Iowa-Iowa basketball games. These will be reinstalled with steel rods, as well as are all other seats in the gymnasium, new bleachers and metal bleachers which were used to bind the supports of the seats which collapsed.

If at the present time, all seats in the gymnasium will be made accessible to the people who are attending the games, and if they are found not to be of sufficient strength it is possible that they will be removed. The bleachers are under the supervision of Mrs. Edna Cummins of Kettering, who was also here in the collapse. A small box in her feet is believed to be broken.

WILL DETERMINE LIFE OF UNIVERSITY

MRS. AURKNER TO ENTERTAIN

Send Out Invitations For Dinner To Be Given February 28

The office staff of Mrs. Nellie A. Acorn, dean of women, and the students last evening for a dinner to be held in the liberal arts building.

The dinner is to be given by the staff of Mrs. Nellie A. Acorn, dean of women, which includes Mrs. Adeline Sarge, assistant to the dean of women, and Mrs. Velma Blakey, social assistant and advisor.

Seating arrangements have been arranged for Mr. and Mrs. Walter A. Jessup. Dean of the university, and for the students in the first year. The students will be seated in the center of the room, while the major part of the guests will be seated in the front of the room.

FULL VOWS CONFIRMED NO CASES

The lecture will be given at the University hospital, February 22nd, at 4:00 P.M., and will be conducted with demonstrations, instruction, and the answering of questions, as the main features. Members of the medical profession will be taken up. Practice in first aid will be given. These classes are open to employees of the university, students, and guests who plan to attend.

HAWKESY GROUPS MUST BE IN FEBRUARY 10

Organizations are rapidly turning in group and individual pictures for the Hawkeye this week. The deadline is set at February 10th. Pres.

awaits images of Alpha Kappa Psi. Phi Kappa Psi was elected to be in this national fraternity. This is a group that has been very active in the past few weeks due to an injury end in the Pan-Hellenic basketball will continue to work, although he has trouble with his lungs and scored the only points for Iowa.

Iowa's wrestling squad is to be held at Cedar Rapids, Feburary 17 to 18.

BETAS LOOK LIKE CHAMPS OF SOUTH END

Sinvgs Alpha Epsilon Wins From Phil Kappa Psi—Alpha Tau Defeats Sigma Kappa Sigma

by virtue of defeating Phi Delta Theta 23 to 15 on the Armoury floor last night. Beta Theta Psi lays claim to the championship of the south-end in the Pan-Hellenic basketball tournament. Beta Theta Psi has had a clean slate having won from Delta Tau Delta. The game with Sigma Nu has been cancelled tentatively because of illness of the players in the latter fraternity. A date for the contest may be set later. Phi Delta Theta defeated the Sigma Nu's in an earlier game.

The championship in the north-end is still undecided. Last night, Sigma Alpha Epsilon defeated Phi Kappa Psi by scores of 9 to 6, and Kappa Sigma won from Alpha Tau Omega, 23 to 7. Sigma Alpha Epsilon seems to have the advantages with victories over Alpha Tau Omega and Phi Kappa Psi. Kappa Sigma and Phi Kappa Psi played their way in the first round.

The championship will be held at February 10th. Phi Kappa Psi and Alpha Tau Omega, Sigma Chi and Kappa Sigma will meet on the Armoury floor to-night.

The winner of the north-end will play the champion of the south-end for the championship of the Pan-Hellenic.
