Beta Theta Pi Leads In South End-Outcome In North Still In Doubt

The defeat of Sigma Chi by Kappa Sigma Wednesday night leaves two teams in the upper and lower half of the Pan-Hellenic basketball tournament with percentages of 1,000. Kappa Sigma and Sigma Alpha Epsilon are the two undefeated teams in the upper half. The following percentages columns show the standing of all the teams in the north end.

In the north end Beta Theta Pi is the only team which has not been defeated. Delta Tau Delta forfeited the game scheduled with Phi Delta Theta and Sigma Nu. Sigma Nu has an automatic right to play its name with Beta Theta Pi because of the circumstance that fewer team was placed on the board.

The following is the remaining schedule for the south and north teams.

Beta Theta Pi has one more game to play with Sigma Nu. Phi Delta Theta defeated Sigma Nu, and in turn were defeated by Beta Theta Pi making the slide with the season. The undefeated teams in the north end each have two games to play. For this reason it is almost out of the question to pick the winner.

The postponement of many games has upset the schedule so that the remaining game will not be played on the dates planned. Dates will be published later.

Grad Scholarships Open

Application to be Made to Dean Stephens by March 15

Few applications have been re-ceived for the graduate scholarships and fellowships available for the upcoming year, according to information received from the office of Dean C. E. Seashore of the graduate college. Students scholarships, fifteen fellowships, and two senior fellowships were granted this year and not less than that number will be granted of this coming year. Applications must be in by March 15.

Scholarships paying $200 to $500 are open to graduates of any college or university of good standing. Two fellowships paying $500 to $400 to graduates with one year of grade-

VARSITY ORCHESTRA
A Lesson in Economics for Every Man Who Wears Clothes

In these days of extravagant expenditures it behooves every patriotic citizen to practice the utmost frugality if conditions are to be brought back to normal. Get more wear out of your clothes; buy fewer of them; get good quality because it lasts longer, and because it saves.

Figure on the cost of clothes a year; look a year ahead. Prices are going to advance for at least another year. If you are wearing last year's overcoat and are going to need another one you can save at least $40 at this clearance sale.

The same thing is true about suits. This Spring, suits will cost from sixty to one-hundred dollars. Now you can buy an "all-year-round" suit at 20 per cent off on the old prices, which is 40 per cent less than the prices for spring.

In other words, we are selling suits below the present wholesale price.
