**CHAMBERLIN'S PLAN OF REPRESENTATION HAS PROS AND CONS**

Mr. Chamberlin's plan of representation has been the topic of much discussion in the Student Council. This plan has not yet been accepted by the Student Council, but it has been the topic of much discussion. The plan was presented to the Student Council by Mr. Chamberlin, and it has been discussed thoroughly.

**NO PROBATE GIVES BASEBALL A REST**

Iowa opens its track season this afternoon with its first indoor meet at Ankeny. Coach Huff is looking forward to a season with a number of new faces. The track team will be out for practice today, and the results of the meet will be announced tomorrow. The meet will be held at 2:00 p.m.

Iowa's track team is expected to have a strong showing in the meet. The team has been working hard during the winter, and Coach Huff is confident that the team will be able to compete with the best teams in the state.

President of the Student Council, Mr. Chamberlin, has proposed a number of changes to the current system of representation. The changes include the establishment of a new council composed of students from all classes.

**SHEILDING LEADS IN STUDENT DRIVE**

Donald B. Linehan, senior liberal arts student, is responsible for more subscriptions for the Iowa Memorial Union than any other student in the University, according to Branch Springer, field secretary for the Union campaign.

Mr. Linehan underlined the number of subscriptions, which is a reflection of his ability to organize and lead. He has been successful in recruiting many new members to the Union.

**HIGH SCHOOL**

Nearly all of the students in the high school are participating in the campaign. The students have been working hard to get as many subscriptions as possible.

**INDIANAPOLIS**

Students in Indianapolis are also participating in the campaign. The students have been working hard to get as many subscriptions as possible.

It is unfair to expect either students or athletic directors to do the job of playing several sports.

There are 1664 men registered for required physical training work; 389 of whom are taking swimming, a good percentage of them are keeping in good physical condition.

The present building is taking care of twice as many men as it should handle.

The cost of gasoline has increased and the students are not adequately paid for the work they do. A new building would be necessary to adequately pay for the work done.
