Plans for the establishment of a banquet for University women. The plans will be worked out by Staff and Circle, and may be worked out by Staff and Circle.

EINSTEIN THEORY IS EXPLAINED BY BAUER

Professor A. Bauer explained to about thirty astronomy students with the use of slides the approximate verification of the famous Einstein prediction.

At last week's animated lecture, in nature, was received very well by the students who attended in the lig.

WILLIE ON MIDWAY

Fred Weller, a member of the Four Hundred Club, has been appointed to the University staff. He was appointed by Mrs. Wallace.
From their graves and enter them.

This is the result of a reliable autho-
ren on one phase of that Near
Area situation. It does not offer a
very pleasant outlook. After all it
would be a more emotional world if
some of these were given a chance to
be Tom Floravys; and what are
a few legal milks?

ASTRONOMERS LECTURES

Students of Geology -
Por the Theory of
orion of Earth

Three hundred prodigy students
heard a lecture on the planetarium
hypotheses of the theory of earth
origin, given in the liberal arts as-
session held Wednesday night, by
Prof. John W. Campbell, associate
Professor of mathematics and astron-
ung. The subject was presented from
the astronomical standpoint entirely.
