DELEGATES PREPARE NEW MEMORIAL UNION DRIVE

About 150 delegates representing the various fraternal organizations on the campus met in the liberal arts auditorium Friday at 4:10 for the purpose of making another drive among the unsustained students to secure funds for the Iowa Memorial Union.

Professor Borden conducted the meeting and spoke of the progress of the fund, amounting at present to $40,000 subscribed by the students. However, he emphasized the necessity of getting every unsustained student to point the opportunity of contributing to the fund.

Dr. Halterman speaking as the student Council representative cited the campsites of other universities where more than the stated fund had been subscribed. In less time than was given for our memorial union campaign. R. K. Oberholtzer speaking for the Iowa Memorial emphasized the influence a large student subscription would have with the alumni.
