Some very choice Clearance Offerings by America's leading wholesale tailoring house

Men! Here's a tailoring sale that makes the Overall Club Idea look like a positive extravagance! A custom tailor clearance right in the heart of the season that undersells the most daring of the usual mid-season sales.

"What's the reason?" you may ask.

Simply the determination of a big powerful wholesale house to make a backward season catch up with its sales quota. Continued cold weather, abnormal rains and dismal atmosphere have kept the business back 30 days behind schedule.

But when a $4,000,000 tailoring house says "Let's go!"—something's going to happen.

It's happened here! Fabrics which local tailors are selling at $30 to $50 a suit, or more, are quoted during this sale at the famous Royal leature price of $45. We don't care what happens to our profts—the goods must move!

Tailored to your special order, mind you! Act!

This Sale Is Limited!
Come Early—While The Buying Is Best!

The Royal Tailors tell us that this sale is subject to withdrawal within 24 hours notice, with a readjustment of prices.

Therefore, if you want to take advantage of the best value-giving opportunity—don't delay. Act now!

Buy, not only for this season, but for all the year. Order, not one suit, but several. Add an overcoat or two, too. Stock up your wardrobe—and give Old Man Hi Cost the laugh. This is the greatest tailoring sale in the history of this town; take advantage of it!

"At the Jefferson"

The three restaurants of the Jefferson are unlike each other in every way but excellence. At one time or another you'll probably use them all. The most beautiful and luxurious of them—and a perfect setting for any meal—is the Main Dining Room. But when your principle concern besides, of course, a good meal—is fast service and little ceremony, the Coffee Room will be just right. And for the man who is pressed for time, with only one minute or two for a hurried lunch, there's the Quick Service, which meets such emergencies quite satisfactorily.
