Should McIlree~

INDOOR NOT FAVOR

Elvis Regarded as Most Dangerous Team in the Conference — But Breaks of Luck Felled Seven in Iowa's Conference — Should Get Co-Championship with Northwestern For four years in a row, the Iowa track team has been the sternest opposition to the Illini, Illinois having won every time save one. This year, however, the Illini should have a better team than usual, though it will be difficult to get their full strength together.

MAY NOT RETURN

Heads of the minor offices of the University, according to the report of the Committee on Chaperones, have been asked for a report to be given at the next meeting of the woman's cabinet. Mrs. Grace Partrick, secretary of the committee, said that the report will be given at the meeting.

The committee has decided that the women's cabinet will be held on the evening of the next meeting of the cabinet.

Mrs. Grace Partrick continued, "I am not trying to dictate a stand on the stand itself, but I have taken a stand as an individual, and I believe that this stand represents the judgment of every woman here, and I am asking you to come to the same conclusion as I have come to the same conclusion on the matter.

We have been asked to consider the question of chaperones in relation to the future of the University, and I am asking you to come to the same conclusion as I have come to the same conclusion on the matter.

TODAY'S CONCERT
It is too easy to connect University
concerts with football and college
pela. Unquestionably one can
connect the two activities in some
degree but it is, however, quite
possible to separate these two
essorially in a community of
students.
Report copies that the sale of

INTENT MALICIOUS — NUTTING

Essay Limited to 300 Words—Nutting Don't Encourage Rascals In The Demonstration of the Giant Party—Regular Essay Contest Will Be Conducted

The feeling which has arisen against the unknown person, who defaced the walrus group in mammoth hall of the University museums by tampering the tusks, has caused Prof. C. C. Nutting, head of the department of zoology, to offer ten dollars to the person who best characterizes the affair.

The wedding will tomorrow afternoon at 12 o'clock. The proceeds of the movie are to go tomorrow noon at 12 o'clock, 5:00 and 7:00, to the Y. W. convention at the Strand theatre this week. The picture was shown at the Y. W. convention at Lake room. The price of tickets is 50 cents.

Mrs. Margaret Deland To Speak Here Wednesday-day Evening

Margaret Deland, who is scheduled to speak in the natural science section of the Wednesday afternoon meeting, has had her book reviewed in several of the important scientific journals of the world and is known as an interesting speaker, but so keen an interest in literary activities that she has been able to make but few speaking engagements. The lecture, which will be held in the auditorium, is open to the public.

SPEAKING ENGAGEMENTS

She has always lived in the east. She was born in Pennsylvania, educated in New York, and at present makes her home in Boston with the exception of a few months each year spent at the Deland country home at Westport, Mass.

Mr. Ralph G. Griswold, director of the Department of Literature, will speak on "The Nature of the Ultimate Magnetic Particle." The lecture will be given in the auditorium, and the public is cordially invited to attend.

BENEFIT SEALS ON SALE

The Christmas seal campaign, which will be conducted by the women of the W. C. T. U., Wednesday December 8, is for the benefit of women suffering from tuberculosis and for preventing the spread of the disease. The seal is made by the New York company and is a joint issue with the W. C. T. U.

NEW SCHEDULES ARE ANNOUNCED
Iowa's 1921 Baseball, Track, Swimming and Wrestling Plans Are Announced

Schedules for baseball, track, swimming and wrestling were arranged by Big Ten coaches and officials at the conference meeting held at Chicago Saturday. Baseball games scheduled for Iowa:
April 26-Chicago at Iowa City.
April 27-Chicago at Iowa.
April 28-Purdue at Lafayette.
April 29-Illinois at Urbana.
May 4-Chicago at Chicago.
May 4-Notors at Iowa City.
May 5-Notors at Iowa City.
May 5-Purdue at Iowa City.
May 5-Notors at South Bend.
May 10-Illinois at Ann Arbor.
May 12-Illinois at Iowa City.
May 21-Indiana at Iowa City.
May 22-Michigan at Iowa City.
May 23-Northwestern at Iowa City.

Two dual track meets were scheduled: the meets will probably be repeated later. The meet schedules are:
May 5-Northwestern at Iowa City.
May 16-Minnesota at Minneapolis.

Wrestling meets have not yet been finished. The matches arranged are:
May 20-Northwestern at Iowa City.
May 23-Michigan at Iowa City.
May 24-Northwestern at Iowa City.

CAMPWILL OPEN TONIGHT
Boxes Containing Clothing, Toys and Foods Are Wanted For Crippled Kiddies

The campaign to raise money for the crippled children's Christmas celebration will open tomorrow when boxes, in which donations may be dropped, will be placed in the liberal arts drawing rooms, Wheeler's, club rooms, and basements of Iowa dormitories.

In addition to the money campaign, the committee is asking for individual boxes, which may, according to Mrs. Charles E. Eastman, who is in charge of the campaign, contain clothing, toys, fruit, but no candy, as presents are forbidden by the hospital authorities.

Everyone who desires to prepare a box should see Mrs. Mary H. Ray, 297 H. Clinton street, so that gifts will be appropriate and there will be no duplication.

At Perkins hospital, and at the ophthalmic and University hospitals, where there are also crippled children, there will be trees and programs on Christmas morning. But gifts are wanted to help with the program and decorations, according to F. T. Gilbert of Kauhale, chairman of the committee in charge of the distribution of the gifts.

ACCESS TO ACT AT NEWTON THURSDAY EVENING

The University Players cast for "Her Husband's Wife" will leave Thursday afternoon for Newton where they will produce the Thursday night according to the program printed in The Daily Iowan.

Friday G. U. tressman, director of the Iowa University campaign, has reported that the situation in Newton is very favorable and that support of the play seems sufficient to make the production the most successful ever given in Iowa.

The players acted in Boone Friday night. Tuesday they will go forward in a fast-paced and an appreciative audience. The size of the crowd was somewhat smaller than was expected for this reason, that an entertainment, being given by local talent, means the same.

In speaking of the quality of the presentation, Margaret S. Liberson, in charge of the public speaking department, and co-chair of the play, said: "The Players acted their parts with a very admirable finish, and the dramatic value of the play was increased very much in comparison since the Honeymoon season." She added also that the make-up and costumes were very much better.

Previous to the performance in Boone, Laura H. Smith of Atchison, a member of the cast, operated a stage and it was found that he would not be able to appear Friday night. He was sufficiently recovered, however, and was able to play the part of the squire.

AQUATIC CLUBS TO PERFORM
Red-Soil Carnival Will Stage Revue Tomorrow

Plans for the annual Red-Soil aquatic carnival which will be staged tomorrow night at 7:30 in the gymnasium are now complete. The last rehearsal for the exhibition was held last Saturday afternoon. Miss Annette Kollman was present at the rehearsal, stated that the University of Iowa had many excellent athletes, both men and women, and that she was pleased to see the great amount of interest which wrestling is giving here.

On account of the limited seating capacity, admission to the exhibition will be by ticket only. A few tickets will be sold on sale at Wheeler's and the remainder may be had by members of the two clubs. All tickets will be sold on account.

Every member of the swimming team will take part in the Iowa State swimming meet on Sunday and each event will be timed. The feature event of the swimming meet will be a handicap relay between members of the two clubs. The men will swim 200 yards, using six contestants, and the women will swim 180 yards, using eight contestants.

ANNOUNCEMENTS

A meeting of the University chorus will be held in the liberal arts auditorium at 4:45 p.m. this evening. The meeting will be devoted to time in order to act the melodrama. Prof. Philip C. Clapp.

Seals club will meet tonight at 6:30 in the parl room of the women's

NEW BUILDINGS ARE UNDER WAY
West Campus Will Have Armory, Psychopa­tchological Hospital and Marine Hospital
These new buildings are now in the progress of construction on the west campus, where it is un­der construction, of the University. The Quadrangle, the administrative offices, women's nurses homes were the only buildings that now have been or are being con­structed at the campus. This new year a new student is being built at the east end of the Quadrangle, and a psychopa­tchological hospital will be located next to the children's hospital. The appropriations by the state for these buildings total $300,000, and more money is expected in federal aid, as materials and labor are now under contract with the construc­tion firms.

During the war period the state legislature appropriated $500,000 for a new armory at the University. In the fall of 1918 the Board of Education of the Univer­sity bought a lot from the city of Iowa City, just west of the river, a site calculated to be adapted to such a purpose. The appropriation was made, it is necessary to have the front of the building on both sides. These are two-story additions run the length of the building, and the building is located on the bluff west side of the river, a site calculated to be adapted to such a purpose. The appropriations by the state legislature for the construction of this building is located on the bluff west side of the river, a site calculated to be adapted to such a purpose.

FACULTY TO GO TO CONVENTION
National Association Will Meet in Des Moines Next July

Several faculty members of the department of education will attend the convention of the National Educational Association which will be held in Des Moines the first week in July. To go, according to Prof. F. H. Ensign, of the department of education, this is the first time in the history of the association that it has been honored with its convention.

In 1930, the university will be a part of the National Educational Association which its members wish to attend the convention.

200 STUDENTS ARE TAKING CORRESPONDENCE COURSES

There are 200 students enrolled in the correspondence courses which are provided by the extension division. About three fourths of these are under-

The work done in this department in all undergraduate work and the credit earned in this departmentfor undergraduate work can be applied toward a master's degree. These students register for the courses as much as almost any undergraduate students, but they cannot claim these courses toward their undergraduate work. Undergraduate students receive the same amount of credit as they would if they took the work in the University. The rest of the enrollment is for courses in English or education for their own benefit or pleasure, said Miss Williams. Undergraduate students receive the same amount of credit as they would if they took the work in the University.
FRIVOL DELAYED BY ENGRAVERS

Critical Number Will Appear Next Monday Instead of Tomorrow

Error on the part of the engravers in making the color plates for the cover of the "Critical Number" of Frivol, has necessitated postponing its appearance from tomorrow morning to Monday, December 18th, according to Laurence L. Bassett, editor of the magazine.

In the "Critical Number" Frivol will appear in an elaborate three color cover, the work of Edith Bell of the department of Graphic and Plastic Arts. Ordinarily only two colors have been used.

In editorial content, the magazine will dip into the easily satirized assembly of the thirty-ninth general assembly are: Charles T. Smith L’96 of Clinton, Leon W. Smith M’S3 of Decorah, C. A. Aldrich L’S2 of Denison, H. C. Aldrich of Clinton, John C. Cullen of Keokuk, David A. Emery L’96 of Ottumwa, Dr. John M. Rose M’S1 of Mt. Dodge, and H. M. Rutledge ‘75 of Marysville.

Several reels of moving pictures were shown before about fifty men in the north tower of the Quadrangle Friday night at seven o’clock. The show, which lasted an hour, consisted of two reels of educational film about tuberculosis, and its cure, a one reel comedy, and a couple of reels of Matt and Jeff cartoon comedy. Other reels which were to have been shown failed to arrive.

The Quadrangle association plans to make these movies a regular Friday night occurrence. Shows have been given on Friday nights for several weeks and have attracted a large percentage of the Quadrangle men.

The council has contracted for the Book Weekly news film, and some good features.

The council has obtained the use of two machines, and there is no wait between reels, as is experienced when only one machine is used. One machine is in the property of the Modern Woodmen of America. The other is the machine used at the Children’s Hospital.

No admission is charged on all exhibits.
