Under the supervision of Coach Ralph Parent, the wrestling squad is now putting in some last minute preparations. The actual competition is the Rose Bowl, which will be held at Madison Square Garden in New York, New York. The final date of the season was Monday night, December 8, 1925.

For the most part, the squad has been working with a certain amount of enthusiasm and drive. The first step taken by Coach Parent was to select the squad for the meet. He has picked a team of eleven men, three of whom are over 145 pounds. The squad is as follows:

President - Karl Fish, 125 pounds. 
Vice-President - Dr. Devario, 135 pounds. 
Secretary - Mr. Short, 145 pounds. 
Treasurer - Mr. Forney, 145 pounds. 
Assistant Treasurer - Mr. O'Donohue, 160 pounds. 

The team has been working hard under the guidance of Coach Parent, who has done an excellent job of coaching the squad. The team is expected to do well at the meet, and everyone is looking forward to a good showing.

The meet will be held at Madison Square Garden on December 10, 1925. The squad will be accompanied by Coach Parent and one assistant. The team is expected to do well, and everyone is looking forward to a good showing.

A GIRL is Iowa's favorite. She shows it by the things that she likes to do, the books she reads, her cheerful nature, and her interest in things, big and small.

She would be glad to hear the story of What Shall I Give Him? Simply write your wish on a card and mail it to the Editor. We will run it in the next issue of The Daily Iowan.

WHAT SHALL I GIVE HIM?
The most useful and popular present you can give him is one of our UNIVERSAL ELECTRIC HEATING MUGS. When he is in a hurry these cold winter mornings and the water has turned cold, he will be able to keep his hands warm and have a good cup of coffee. It is a real utility gift and will be appreciated by him.

NOTHING TO TOUCH THEM

University men, who are coming here by the score agree that we're offering the strongest values to be had today in style. OVERCOATS and SUITS at $47.

You'll say they're the smartest clothes you've seen; nowhere such a selection. Aristocratic great coats, ulsters and motor coats; keen fitted coats in town and dress models; beautiful overcoat fabrics. High grade suits for young men, the last word in style, choice patterns, exquisite linings. You're getting these $70 and $80 garments for $47.

$50 and $55 Overcoats and Suits, stylish, all wool, at $27.

$60 and $65 Overcoats and Suits, renowned quality makes at $37.

It's been a long time since you've seen such high quality garments at this low price; stylish looking, long wearing they're real bargains at $47.

No need for us to argue about it. Such strong values speak for themselves; smart young mens' styles, beautiful fabrics. Nothing like them at $57.

PHYSICAL EDUCATION CLUB TO MEET SATURDAY P.M.

The physical education club will hold its second meeting next Saturday at 6:30 o'clock in the women's gymnasium, according to Carole Wright, of Martinsville, Mo., president of the club.

The physical education club which was formed last fall exists for the purpose of helping the women who are majoring in physical education to study different kinds of apparatus and general ideas of teaching, and to create an enthusiasm in the work that regular classes cannot give, according to the president. At each meeting several members or instructors will give discussions on some phase of the work. Any student who is majoring in physical education is eligible to membership.

INTEREST IN WRESTLING IS SHOWING INCREASE
Since the appointment of Ralph Freear, middleweight champion of the world, as wrestling instructor, interest in wrestling has greatly increased, according to Mr. Schneider, and it is now thought that as soon as the instructor is appointed, boxing in the University will attract the attention of literary societies and wrestling societies will not meet Friday night in order that the members may attend the Iowa-Minnesota debate at the annual meeting of the Phi Sigma Nu fraternity.

For one who regards a Christmas gift as an intimate means of expression, rather than a mere formality, there will be a delightful experience in selecting the gift which touches that correct note of intimacy.

Naturally our own opinion is biased, but more than ever before, we believe we have fused into our buying that individuality which is so desirable. Gifts that represent more than their intrinsic worth—gifts that in short will constitute personal remembrances.

To the man who faces the perpetually perplexing problem of a Christmas list, Mrs. Mary Miles offers a very genuine service. Her excellent judgment in matters feminine is entirely at your disposal. Whether you inquire personally or by note, you will find her efforts at your convenience.

Our supplies of Parifian novelties, which were delayed in transit by the accident to the steamship in France, have arrived. Personally selected six weeks ago by our Buyer, they include gifts novel and characteristically continental.

We have been pleasantly surprised by the reasonable manner in which these gifts have been priced.

An Extraordinary SALE of Men's OVERCOATS

$29 $39 $49 $59

For us to say that this is the most profoundly sensational overcoat sale we've offered this season would be expressing it in very mild terms.

We made a special purchase of these overcoats from those makers from whom we regularly buy clothing. The high quality which we always insist upon is very evident in these garments in their materials, styles and tailoring.

This store has always believed that low price without known quality means nothing. When you are given an opportunity to buy overcoats which stand out head and shoulders above so many others, at prices which are unprecedented—then, the magnitude of the occasion is evident.

We cannot help but believe that there are hundreds of men in this community who have sufficient confidence in this store's printed word to recognize in this sale the splendid opportunity which it really is.
