I think a little beyond his immediate four walls if he is to make sure that the tickets be more exclusive and select than the ultimate aim of these proposals being blind to a situation. This is a time of the jazz - bo neckwear, and dealer, frequent necessity of depreciating profits.

There is no virtue to ostrich-like denial that they be allowed to limit the price of tickets to that they might attend.

A "Special" that's real

Some merchants are always having sales and special some are other busier men that put on a few "specials" but then they do put them on, they are not.

Herb said, "Candy has to be fresh to be good. I'd rather give this candy away now than to sell it after it is a little old."— and that is just what he is doing.

5 Days—Starting To-day

For every pound box of candy that you purchase "Herb" will make you a present of a half-pound box. You purchase a one pound box and "Herb" GIVES you a half-pound box. You purchase a two-pound box and "Herb" GIVES you a pound box.

You purchase a three pound box and "Herb" GIVES you a pound and a half box. You purchase a four pound box and "Herb" GIVES you two pound box.

This is holiday stock received as late as the last week in December. We think you know "Herb" well enough so that it is no use to add that the regular prices will be adhered to.

The marriage of Howard Reinking of Lowden to Miss Alice Gregory of Ruthland will take place at the Delta Gamma house this weekend.

Plans for fraternity athletics are practically complete, according to H. Benison E. of Brattyville Press, and member of the inter-fraternity and parochial councils. The basketball and baseball schedules will include only the nine fraternities in the fraternity group, because it would be impossible to play a series in which the first twenty-seven interfraternity organizations participated during such a short season. Therefore the basketball and baseball tournaments will be featured among the following fraternities: Beta Theta Pi, Phi, Kappa Pi, Sigma Nu, Kappa Sigma, Phi Delta Theta, Sigma Chi, and Alpha Xi Delta.

In the basketball and baseball tournaments a large after-living cup is given to the winner. Each of the eight fraternity fraternities is required to donate for the purchase of these prizes. Six definite copies of these have been made according to the track record of the winner, and probably will be a half male rivalry, ribbons or medals will be given to the winners of the fraternities in each event.

Last year the basketball tournament was played in two sections, the North and South, but this plan may have to ar en because of the lack of participation. Last year the fact that the Delta Tau Delta's and

TANK TRYOUTS ARE TOMORROW

Little Competition In Back and Breast Strokes Expected; Any

Student May Try Out January 11, at 4:30

The best of the preliminary tryouts for places on the swimming team will be held tomorrow afternoon at 4:30. This will be the first of three tryouts to determine the personnel of the tank team which will represent Iowa at the dual swimming meet at Minneapolis, January 26.

All events seem to be fairly represented although there is little competition in the back and breast strokes events. Coach David A. Ambrose is especially desirous of getting more men out for these two events.

Practically every member of last year's tank squad will try for places tomorrow and these veterans will probably comprise the team which will represent Iowa.

The tryouts may be witnessed from the gallery of the arts building.
