Grace and Youthfulness is Expressed in the New Suits

Though there is considerable diversity as to fab­rics, line and ornamentation, every suit in this all-inclusive showing boasts some individual claim to distinction. Convertible collars; novel collar trimmings; flaring cuffs, three-quarter sleeves; sleeves set in enlarged armholes; box and ruffle jackets and circular skirts are some of the outstanding features.

Spring Frocks Evince a Fondness for Crepe Silks

And that it is by no means an ungrounded affec­tion is proved by the graceful manner in which crepe de Chine, crepe marocain and Canton crepes yield to the dropped waistlines, saucies, harbor panel skirts and three-quarter sleeves which distinguish the most fashionable of this season’s modes. One may choose those frocks with beaded collars or rich em­roidery as trimming.

Come and see the remarkable collections and real­ize how small the prices are now.
SALESMANAGER GAVE TALK AT LUNCHEON FOR COMMERCE MEN

"College men is general and especially graduates from Yale and Harvard will talk with the idea that they should immediately be given a responsible position with a business firm," said F. A. Wilen-Laurson, at a luncheon served to members of the faculty of the school of commerce and the Delta Sigma Pi commerce fraternity at the Pagoda tea shop yesterday.

"I feel that the graduates from a commerce school take a more sensible attitude toward this situation, and realize that their advancement depends upon the ability shown in their college work," said Mr. Laurson.

Yashville Stunts and "Birvis" Fights To Be Pictured Monday

Treats for "The Birvis" and class stunts for the W. A. yashville to be given February 24, to be held next Tuesday evening, February 1, according to Dalley Hendron, Ad of Hawkins, chairman of the program committee. The treats for "The Birvis" will be held at 7:15 p. m., and treats for class stunts will be held at 8:30 p. m.

These treats are open to any W. A. A. member who wishes to compete. There are no old characters in the play, "The Birvis," several copies of which have been placed on the reserve shelf at the library. The treats will consist of simply reading the part of one of the characters before a committee composed of the Theatre Coordinating instructors, Carlisle Wright At of Braghton, High, and Olive Henderson.

Class stunts or skits may also be presented Tuesday night. The program committee apn each class to give as many stunts as possible ready to be put on. It is absolutely necessary that each stunt be put on by members of just one class.

The inspection of class stunts was made in order to cause the class stunts to move more easily. However, the program committee will be very glad to consider stunts put on by groups representing more than one class.
