DASH MEN WORK IN NEW ARMY
Sophomores, Members of 1920 Freshman T. C. Make Great Showing Against Averts

Vastly track men are taking their daily workouts at the new armory. A circular track has been laid off and a fifty-punt straight has also been constructed. Preparations for the Illinois meet on February 28 are in full swing and hard work will be the program from now until several weeks hence.

Geo. Thomas, T. C. Fiber, has done fine work for the team this season, and in the next one he will be an asset to them. The crop of men coming in this spring shows up better than most of any other year.

A famous editorial writer once wrote that "the most popular political editorial of the Ruby of the Century" in which he had so effectively expressed himself in the best month of the twelve. November is a good month, especially when we beat Minnesota, but who is there who does not rise in effusion of the present February? Any February is a March's joy, and the reading public will look with delight on all the fraternities who swing into line to impress the flitty.

Embryo fraternity men they are certain society, and is a good month, especially when we have aroused the ire of Ruby of the other day. Every householder is ready smiling to think how small his bill is for this month compared to what it is during an ordinary Iowa day.

Half over.

The great problem of the ancient gers are even predigging in what it is during an ordinary Iowa day, however, six feet fell and it made them of the winter of '92 when no snow fell till March 15.

Kember Lowe A College Fraternity

It would seem that a great number of these freshmen have fallen into the way of thinking that they are no longer geniuses, simply because of the fraternity premises they have been admitted without question to a certain society, and is a certain standing without regard to the public.

Some of these freshmen even to harbor the belief that because they are embryo fraternity men they are not, also, embryo University men. They do not realize that they have assumed some obligations along with their privileges. They think that because a fraternity makes the men not, not, not real men, that the man makes the fraternity.

The position of the established and worth-while fraternity line is improving in the present February from the various duties incumbent on her by such an organization. If they fail to impress upon him the obligations due to the University, it would be an excellent thing if fraternity men could be led to realize that they have assumed some obligations along with their privileges, and that because a fraternity makes the man not, not, not real men, that the man makes the fraternity.
Faculty Engineers Dine at the Pagoda tea shop this noon. All faculty members of the college who have an interest in applied science will take luncheon at 12 o'clock in order to organize a new club.

Freshman Commission Luncheon. The new members of the Freshman commission will have luncheon this noon at the Pagoda tea shop.

FORUM CONTEST DATE ARRANGED

University Orators to Try for Joseph Prince March 14, Keeley Announces

The University oratorical contest will be held on March 14, according to Daniel D. Keeley, 12 of Mas០, president of the Men's Forensic Club. This contest is open to all upper classmen and women of the University, except graduate students, said Keeley. The orations must be original and not over 2,000 words in length and must be in the hands of Prof. E. C. Maile of the Department of public speaking not later than February 25.

The winner of this contest will be given the Joseph prize of $25 and will represent the University in the Northern Oratorical League contest to be held here on May 6.

The six University, Wisconsin, Minnesota, Michigan, Northwestern, Illinois and Iowa take part in this league. The winner of the N.O. O.L. will be announced by Keeley.

K. W. Wells 12 of Ripon, was the winner of the Joseph prize last year.

TICKETS FOR YARDBURNE WILL GO ON SALE MONDAY

Tickets for the W. A. M. M. will be given at the U. A. T. on Monday, February 24 and on sale Monday morning, according to Laura Lurzbeck, the A. M. M. manager. The tickets will be sold at the different buildings.

PREP QUINTETS SLOW IN REGISTERING FOR IOWA TOURNEY HERE

Seven Iowa high school basketball teams have registered for the University of Iowa tournament to be held at the University of Iowa basketball arena March 16 and 17, and twenty-one others have declared their intention of entering. High school athletic managers, as a rule, register their teams for the tournaments until late in the season when they can be more assured of whether or not their team will have a chance of winning.

The tournament this year will be divided into two sections. One will be centered by teams from Iowa tournaments at the various colleges throughout the state and another one to all members of the state athletic association.

The championship cup, won by Des Moines in Iowa, will be here in time to weigh in the men for the tournament. The winner of each section will contest for state championship in the final game of the series.

The Iowa teams will take their final workout tomorrow night in preparation for the Illinois meet which will take place Saturday afternoon at 3 o'clock on the main floor of the University armory.

According to advance reports the Illinois Illini will be identically the same as the one that beat the Hawkeyes eyes last year. In view of the intensity of interest of the Iowa team over last season, however, the depressors place the odds with Illinois. Those of the Iowa grapplers, Freeman, Smith, and Captain White, have gone through the season so far with perfect records and are expected to maintain their record in the Illini meet.

The exception of the two light weight classes, the Iowa team will be composed of the same men that were before the 10, 11, 12 class will be decided by an elimination system. The matches will be staged at the armory on Tuesday and the quarterfinals will take place in the 11, 12 class while Vera, Weber, and Albers will enter the ring for the light weight houses. The winners of the two classes will be the Iowa representatives Saturday against the Illinois men of these classes.

Dr. E. C. Chang of Nebraska who refereed the Minnesota meet here a few weeks ago has been awarded to relieve the Illinois matches. He will be here in time to weigh in the men for the armory at 11 o'clock the same day.

WASHINGTON'S BIRTHDAY

In observing Washington's birthday on February 22, we can well learn from a lesson from the splendid faith which he possessed in the righteous cause of the United States of America.

Faith in ourselves and faith in the future is well justified when it is founded upon the financial-security of the nation at the First National Bank, which is under Government supervision.

WESTWATER'S BIRTHDAY
