March 11 and 12 as Date for Selecting Meeting for National Conference

CLINTON CLUB PLANS A MEMORIAL UNION GATHERING

Meeting of the Clinton Club, a dinner and meeting at the Purdue tea shop Thursday evening and discharge of the band at 9:45 p.m., will be held at Clinton Thursday evening at 9:45 p.m., will be held at Clinton Thursday evening.

The team left Iowa both teams it is extremely difficult to dope out the winner. Because of the fact that this will be the first meet of the season for both teams it is extremely difficult to dope out the winner. Probably the most prominent star among the contestants is H. A. Thomas, who is expected to win the high jump. He can broad jump 22 feet and pole vault, and the half mile, according to track officials.

No meeting is expected to over.

Notwithstanding the fact that no one of the teams will be complacent, all will have experienced the fact that this meet will prove to be every bit as strong as the first meet of the season.

The band will play as usual, and the Purdue tea shop will be open.

The following will comprise the band:

SENIOR INVITATION

SAMPLES TO BE SHOWN AT THE PLAY IN MARCH

Samples of the senior invitations are expected to arrive within a week or sooner, according to Mr. Edward F. Mason of Oxford. June
then, chairman of the invitation committee, will have them placed on the
display at the University Book Store so soon as they arrive, and, after an er
spective has been given to them, a party of the women will make an
set when seniors may order their invitations. Dates of this two-week peri
will be announced soon after.

Invitations this year will be in two styles—leather and paper. Leather invitations will probably cost about 50 cents each and paper ones about 25 cents each. The University and the
word, IOWA, will be printed in steel raised letters on the cover of the
invitations. The college year and the name of the college are also printed in the same way on the cov
page. The cover of the sample will be brown. Behind the cover will be a
limed menu of the senior classes to arrive within a week of the
invitations. The college year and the name of the college will be announced later.

The two with Northwestern should win the next three games, though Northwestern is said to have a harder team to beat on its own field. It won one game this
year and it played both Chicago and Indiana close games. Purdue
should have a call on its own field if its team were as smoothly faked, but
it will play Indiana at Bloomington the next two days before the Iowas game and will not be in shape to play its best. Indiana was not as formidable as Purdue at Iowa City, but in tonight's game it can be expected to play the best game that is in it. A fair guess is that the remaining four games would bring three victories and one defeat.
