CONSTITUTIONS ARE ACCEPTED

The constitutions of three student organizations were approved by the social committee at a meeting held last night in the committee room of the Iowa Union. The approval was made to President Simmons that he might sign the constitutions. The organizations whose constitutions were approved are: the Chemistry club, the Dramatics club, and the Chemistry club.

The Constitution of the Chemistry club which was approved last fall by President Simmons, was submitted by him at this meeting. The club's purpose is to extend in all fields of the sciences, and to promote scientific research and investigation. The Constitution of the Dramatics club was written last year by the club members. The club's purpose is to provide an opportunity for the members of the university to participate in dramatic activities, and to provide a means for the members to develop their talents in the field of drama. The Constitution of the Chemistry club was written by the club members. The Law Jubilee
By Bruce Goddard

“The Law Jubilee” Thursday evening continued the annual university tradition. This year, however, there was an added reason for the Law Jubilee. This year was seven times as good as last year’s effort. It was enshrined in the minds of all of those present.

“Homesteaders,” the authors of the jubilee, prepared for the occasion by giving the students a warm-hearted welcome. The audience reiterated their congratulations on the jubilee’s success.

The program was a success, and the audience was thoroughly pleased.

NATIONAL MEET TO BE IN JUNE

Intercollegiate Track Meet to Be at Chicago June 11

It has been definitely decided by the committee representing the University of Chicago, E. T. Jones of Wisconsin, and J. L. Griggs of Illinois, to hold the National Intercollegiate track meet at Chicago, June 11. The United States is divided into nine colleges, conference divisions and only those athletes who win places in their own conference meets will be invited to enter the national meet. This system of elimination will leave the outcome of only the very best athletes.

It is probable that several of the western universities will not enter their men in this meet, but the universities with which many of the most rated coaches of the country supporting it, indicate that the meet should be a success from the standpoint of the number of contestants entered. This meet will be the first of its kind, national, having been organized during the last year. One of the men who was influential in its organization was track coach Bresnahan.

DEANS TO MEET HERE IN APRIL

Convention to Discuss Current Problems Pertaining to Student Welfare

Plans are being made for a convention, the Schlesinger Co. of Iowa, to be held here April 14, 15, and 16. In connection with an annual meeting of the Officers of the National Student Association, the women of Iowa will hold a convention on campus to be held during the convention.

All women in the University should be invited. Dean A. D. Beard, dean of women, said Miss Helen, "All the women's organizations are interested primarily in one form of activity, the women's athletic association in athletics, the Y. W. C. A. in religious work, but all women's organizations are interested in all women's participation." The election of office is decided by popular vote, president, vice-president, secretary, treasurer, chairman of judiciary, and chairman of the program committee.

Many last have been the head of woman's office more than two years according to Mary, Ada. A. Evans, assistant dean of women.

"Almost an endless amount of material has been handed here before, and never utilized," said Mrs. Burge. The news includes four watches, eight ties, seventy blankets, twenty books, twenty rings and jewelry of all kinds, annoe'a, gloves, fountain pens, gold rings, and silver pencils, vanity cases, books, etc.

The purpose does not extend any of amount of money but are of value to themselves. Many times things remain in the office only a few minutes before they are sold for. Dealers in clothing and publishers of the Y. W. C. A. are given to the ladies for nature. If the lost property is not returned to the owner, the property is sold at public sale.

The purpose of the conference is to discuss current problems pertaining to student welfare. The conference is to be held at the University of Illinois in Peoria, Illinois. The program for the meeting here will be held at a later date.

The Association will be held at the University of Illinois in Peoria, Illinois. The program for the meeting here will be held at a later date.

YOU DON'T Quite Understand What This New ICE CREAM IS!

Read this and you will know:

It is all a new process of manufacture which we have procured the Exclusive Right to use in Iowa City—

The process consists of an air-tight freezer in which this new Ice Cream is made. In this freezer, while the cream is being frozen, the ordinary air is forced out and Carbon Dioxide is substituted in its place. After remaining in this Carbon Dioxide for several minutes the Ice Cream drawn from the freezer is far purer and MORE DELICIOUS than in the old air method.

We make this new Ice Cream in ANY FLAVOR, in BRICK, HULF, or FANCY molds.
79 GAMES ARE IN H.S. TOURNEY

Preliminaries Will Be Cut To Ten Minute Halves In High School Basketball Tournament

Games are the high school basketball tournament, March 17, 18, and 19, will begin at the men's and women's championship at the Iowa City high school gymnasiums at 8:30 a.m.

The first day of the tournament, Thursday, games will be played in division "A", the open tournament, and eight games in the class reserved for winners of sectional tournaments, or division "B".

Friday, seven games will be played in division "A" and seven in division "B" and the final game of the tournament, the first game of the final game of the tournament the Methuen, will be played at the men's convention Saturday evening.

With a view to eliminating any possibility of one team having an advantage over another the schedule has been arranged so that no team will be obliged to enter a second game without having a rest period of at least forty-five minutes.

Preliminary games lead to the finals in the "A" and "B" divisions, and a total of thirty-three games will be played. The games are scheduled to begin at 4:30; 6:30; and 8:00; 9:15 and 10:30 and 11:45 p.m.

The longest that any team of division "A" or "B" will play Thursday, will be three games, which amounts to but one hour if the order twenty minute halves were employed.

On Friday the teams of both divisions "A" and "B" will play seven games so that each team gets a chance for elimination and the two teams that play the finals of the tournament will play the semi-finals in the order twenty minute halves were employed.

The final games in each division will be played in memory of the late J. J. Yeates, the stocky, twelve and one-half minute halves and in the final game of the tournament will be the state championship the standard twenty minute halves.

DEBATERS WILL MEET NEBRASKA

Judgeless and Coachless Terms

May Be Agreed Upon by Forensic Councils

Arrangements for an intercollegiate debate between Iowa and Nebraska are nearing completion, Harold D. Keister III of Mount Pleasant, president of the men's forensic council, announced yesterday.

Nebraska proposed a judgeless and matchless debate, and the forensic council decided at a meeting Tuesday afternoon to accept the offer with terms providing that the debate be held April 28 and should be conducted with a minimum of coaching, that it be a judgeless debate of the open forum style on the propositions, and that more time for discussion of the proposition be allowed. The judges for the open forum debate, and the forensic council decided at a meeting yesterday, will be selected by Keeley, the forensics team's advisor.
