BELGIAN HANDTOE
TO SING HERE APRIL 13

The students of the University are expressing interest in the approaching concert to be given by the Deutscher Chor Berliner Harmonie, on Tuesday, April 8, at 8:15 o'clock, in the Auditorium.

Mr. Grauvies, appearing in a concert in Cedar Rapids in the Czeckoslovakian Hall, purchased tickets for the concert. At present, his concerts are exceptionally well attended. Mr. Grauvies is to give a recital in Fort Dodge, April 13 at the State Music Teachers' convention. His work as an interpreter of songs has been recognized all over the country and the University is considered most fortunate in being able to secure him for a concert here.

SOME AIM OR ONE AIM?

Most people have SOME aim in life, but with many it is a vague and indistinct purpose to make the best of things as they come along. The men and women who really do reach their goal are usually those who have ONE aim instead of SOME aim.

Choose YOUR ONE AIM and set about reaching it with all your might. One of the best helps you can have is a Savings Account. We invite you to come and open yours here and let us help you to reach your goal.

SOME will leave, some will go to school, but most of the students of the University will work this summer according to answers to the question, "What are you going to do this summer?" Book selling and farming were to have led the way on the other end, but one ambitious student will try professional boxing as a source of income. Several students will do nothing, and some haven't decided.

Fifteen answers have been chosen as representative of the general opinion of the students.
