MANY STUDENTS PAY OWN BILLS THIS SUMMER

 many and varied are the positions which students fill in order to earn part or all of their expenses during their college years. By acquiring part-time jobs, they are forced to start with nothing and to work, usually for a few hours a day, in order to make a small contribution toward their expenses.

A registration fee of twenty-five dollars is charged to each student who wishes to take classes during the summer session which is held in the summer months in the California mountains, and will come back to his work at Iowa in the fall. That means that the university is a very good deal when you consider students with satisfactory grades.

PROFESSOR CASE TO TEACH SOCIOLOGY IN UNIVERSITY OF SOUTHERN CALIFORNIA

Professor C. M. C. of the department of sociology, is leaving for Los Angeles in July, where he will teach two classes in sociology during the summer session which is held in the University of Southern California. After finishing his work with the Professor Case will spend some time on a ranch in the California mountains and will come back to his work at Iowa in the fall. That means that the university is a very good deal when you consider students with satisfactory grades.

COACHING PROVES POPULAR COURSE

Men With Several Years of Athletic Experience are Enrolled

Ten states are represented by the men who are taking courses in athletic coaching this summer under the direction of Edward C. Mabie, instructor in the college of education. The courses are enrolled in football, under Coach Paddock, and in basketball, under Coach Johnson. The players are in their third year at the University of Iowa and are working on the fundamentals of the line in has a membership of eighty-five men and women.

IOWA CITY WELCOMES
FORTY-EIGHTH ANNUAL
ENCAMPMENT OF G. A.'R
With banners and flags flying from all the windows and balconies, Iowa City welcomed the forty-eighth annual encampment of the Grand Army of the Republic to the city yesterday. Several hundred of the officers and members of the organization had arrived here last night.

The program was opened by a reception at the Kirkwood House in Kirkwood avenue. A campfire program was held today in the natural science auditorium.

C. B. C., of the University, and the G. A. R.'s of the city,

It is surprising how the University of Iowa has grown in the last ten years. Only one of the departments of the university now has as many students as there were in the entire university ten years ago. The university now has a larger number of students than any other institution in the state. The growth of the university has been gradual, but it has been steady. The second play hour, under the...

The Physical Education Department of the University of Iowa, as was also the case in previous years, held on Old Capitol Oval last night at 7 o'clock a mock movie. The physical education departments of both men and women cooperated in making the weekly evening entertainment of the biggest and best feature of the corner center. In case of rain the play hour will be held in the home economics gymnasium.

Makes Penny Players' Picnic Last Night

The out-of-door players enjoyed a picnic last evening at 6 o'clock in the city park pavilion. Those in charge of the entertainment were, Thomas Thoman, chairman; Retta Hacocket, Miss Mullen, Miss E. H. Honeann, Miss Dorothy Hargrett, and Anna K. M. Schwab. All of the unusual features were designed to please the players; frills being played with a rubber hose and a ball of tinfoil, a paper race, and an old fashioned spelling bee.

We the younger generation take off our hats to pay you our most sincere respect and bid you a hearty welcome...
