UNION WORKERS READY TO "PUT 'ER THRU IN '22"

Goal for Student Drive is $100,000 in Fledgling 250 Will Assist

Today the drive to secure pledges to the Iowa, Memorial Union, with an unbroken and energetic spirit, is "put 'er thru in '22." Ralph J. Tatum, given by the Memorial Union, was put "on the road" for the opening of the campaign and will work all day Saturday, with the drive by Wednesday night.

No less than 250 have been pledged, if all are paid in cash, as the goal to be reached by the end of the fall quarter.

The goal for this drive is $100,000, a sum which will go...
MEMORIAL UNION CONSIDERS SITES

Place: Arrow Blocks "Y" and Law Building. Any time; Space: At front of Capitol.

President urging the question rela-
ting to the status of the present
Memorial Union building is that of the
building itself. The building must be
located so as to conform with the
needs of the student population, and
all the time be in harmony with the
plans of a new and growing
university. To meet these two condi-
tions, three sites have been sugges-
ted but one has been officially decided
against.

A. Second Location.

A building has been suggested
adjacent to the present Memorial Union,
the Champ Clark, Common Hall, the
"Y" location, and the athletic facilities
now stand. The entire block would be given over to the
Memorial Union with beautiful
approaches from the four sides. The
building itself would face the campus and
be connected and accessible to the student body at any time.

The idea would be to build a building
on the site of the present Memorial Union. This would
only be the beginning of the site.

The Third location which is being
considered most earnestly at the pres-
tent time is at the site of the old
Capital General Hospital. The
building would face the north and
be connected to the campus across the
street. This location would be
absolutely between the main streets on
the east side of the river and the
boulevard on the west side of the
river. At the University, this limitation
will lie in the mind of the designer
from the very beginning. The study
which has been done covering the
conditions, three sites
would be convenient
and desirable just after passing
the intersection of Green and
Jefferson, and those

sites would be very near the
intersection of Green Avenue and
Jefferson. From these two
sites the designer would be in an
almost ideal position to
complete the buildings of the
Memorial Union with the
beauty and convenience of the
site.

The designer must have in his
questions the Memorial Union
building. In the case of the
Memorial Union the price would
vary from

Genuine as the Pyramids and as

Dancing at the New City Hall

The new City Hall will be the scene of a ball on Tuesday, November 3, sponsored by the Rotary Club in connection with the installation of Mayor J. T. Butler. The ball will be held under a canopy of flowers and decorations will be arranged by the ladies of the Rotarian Club.

The dance will begin at 8:00 o'clock on the first floor and will continue until midnight. The orchestra will consist of the Henry J. Smiley band and will play music of all kinds.

Tickets will be sold at the door and will cost one dollar each.

The proceeds will be used for the benefit of the organization.

The dress will be smart and the entertainment will be gay.

UNIVERSITY MEMORIAL UNION BUILDING

ILLUSTRATION: Figure 1: "Memorial Union Question Box" article from "The Daily Iowan," University of Iowa, November 7, 1922. Page 9. This article discusses the plans for the Memorial Union Building, which will be the central gathering place for student activities at the university. The building is described as being designed to accommodate a large number of people, with spacious club rooms and a great many windows. The building will be constructed in a modern style, with a combination of concrete and glass, and will be located on the south side of the campus. The article also mentions the contributions made by various alumni and friends of the university, and the importance of the building in providing a place for students to socialize and participate in campus life. The article ends with a call to action, urging readers to support the building project by becoming subscribers to the university's publications or by donating money to the cause. **FIREWALL CLASSES WILL BE ON PROGRAM AGAIN**

"FIREWALL is being held at the University of Iowa," said Ernest H. Schlimme, director of physical education for the university. "The classes will start December 7. Last year there were 5000 enrollments for the course, but only half were completed.

"The course is designed for those who want to learn the art of self-defense. It includes instruction in boxing, wrestling, and judo. The classes meet three times a week, and the fee is $2.00 per term.
