FORUM OF THE STUDENT BODY

ANOTHER CRANK BREAKS INTO PRINT

The Iowa Daily Howan has for the past two days had its hands full trying to head off the print columns of Iowa Daily newspapers by roundly abusing the students. Mr. See is a student at the University of Iowa, and his recent number of the "Iowa Daily Howan" is now in the hands of the Iowa Daily newspapers.

At first glance it might appear that this is simply a case of one student trying to steal the limelight from another student, but further examination of the matter will reveal the truth. The Indiana University student has not only stolen the limelight, but he has also taken the minds of the Iowa Daily newspapers.

The Indiana University student has taken the minds of the Iowa Daily newspapers by his crude attempt to make fun of the student body. His attempt has been met with ridicule by the Iowa Daily newspapers, who have shown that they are not to be trifled with.

It is a well-known fact that the Indiana University student has been for some time past trying to make fun of the student body. He has been attempting to do this by writing articles for the "Iowa Daily Howan," which he has been publishing for the past two days.
