THE HOODED COBRA

In a letter from China, Asia, dated November 10, and published in the Chicago Tribune, Mr. Walter A. Hines, President of the University of Iowa, says: "I am pleased and honored to have you represent the University of Iowa in your attempt to make the University of Iowa a world university. I am sure that the University will be able to make a great contribution to the cause of education and learning in the world and that your efforts will be crowned with success."

The University of Iowa is one of the leading universities in the world, and it is my hope that you will be able to make a valuable contribution to the cause of education and learning in the world. I am confident that your efforts will be crowned with success.
