Another Long Story

To make a long story short, Venus Marie Koppin (right), University of Wisconsin-Madison law student, accepted a dare to invite Senator Huey P. Long, Louisiana's famed kingfish, to the lawyer's ball planned for her classmates. She sent the telegram shown at the left below, and received the answer from Huey reproduced at the right below. That's the story, and the prophet's words—proving, incidentally, that we don't take long shots.

Bellmaker co-ed today, however, have a lot of fun riding double on their modern cycles in this fundador. It may not be as economical, but they don't have to buy the saddles that their mothers wore.
