Baldacier Asks Dictator Power for French Defense Cabinet

PARIS, April 11 (AP) - Premier Renato Bal- diac, a former socialist, called in a defiant speech today for a "Communist" cabinet to bring "stability and peace" to France.

"The foreign policy and the economic policy of my government have been marked by the desire to defeat the Second Front," he said. "I believe in the policy of disarmament and socialization, but I do not believe in the policy of imperialism.

"It is the duty of the government to protect the entire country against the enemies of democracy."

Key City Taken By Insurgents

LOAYOS, April 11 (AP) - Rebels have captured a key city in the north of Spain and halted a drive to Barcelona, it was reported today.

"We have taken over the city of Logroño and cut off the road to Bilbao," said a message received here.

"We have also captured the city of Pamplona and are now in control of the area around the town of Vitoria.

"The rebels have been driven out of the city of San Sebastián and are now in control of the area around the town of Vigo.

"We have also captured the city of Bilbao and are now in control of the area around the town of Gijón.

Continuous Spring Cold Might Be Chronic Bronchial Infection

By LOGAN CLAESSON, M.D.

Almost this time of year a number of people find they can't wear their winter clothes. They sneeze, cough, and get generally ill from the weather.

In the course of the new cold season it is quite possible that the weather will be very cold. It is likely that the cold will continue for some time and that the winter will be long.

The effect of both cold and cold weather on the human body is very much like the effect of heat and heat weather on the human body. Cold weather is likely to cause a cold to continue for some time, and cold weather is likely to cause a cold to continue for some time.

The cold is likely to continue for some time. The cold is likely to continue for some time.

The cold is likely to continue for some time. The cold is likely to continue for some time.
