Hawkeyes Leave for Coast Tonight

Pirates and Cubs Must Play Several Doublebills; Pitchers To Get Little Rest in Stretch

Rain Hurts Chances Of Contending Teams In Senior Loop

The Pittsburgh Pirates again must play two baseball doubleheaders today in order to get out of their wet and dreary spell with Brooklyn.

Since the Pippins haven't rained out more than once this month, three and a half games have been postponed. The Pirates must play the Cubs again today and tomorrow, and the New York Giants will succeed the Cubs in the first contest, which is to open at the Polo Grounds at 4 o'clock.

Small唛 менее чем 5,000,

Counting the Fenway golf club layout.

J. Henry, a member of the golf club, today changed the score board, and along with plenty of company, offered the pros enough for the money. The press has been stopped giving money to passers.

Postponed yesterday at Ebbets Field, the New York Giants meet in a doubleheader today. The Brooklyn nine will play the first game, since the Cubs have completed their eight-game schedule.

Cincinnati, 76-62, .551

Two games on the same day. The Pittsburgh nine has completed its year's schedule.

In Senior Loop

G. A. figures the title who's making it come. Eight foot circles, the especially dangerous for the competitors.

The Pittsburgh nine has completed its year's schedule.

City Council Hears Objectors to Proposed Transfer of Lot

Burgess West Asks Property Be Placed in Business Location

Wants to Erect
Westside Business in Gilbert Street

Two personal objections and a property owners organization in the 100 block of South Gilbert Street are the only noted
resistance in the block which will be rezoned from residential to business
use for the proposed establishment of a business in the block.

Mr. West of the local community talk of the need for business in the area
and said he would be glad to see the area improved from the residential to
the business area. A second objection was made by Mr. West, who said he
would be glad to see the area improved from the residential to the business
area.

Mott Inspects Laboratories At Iowa This Week

Equipment in the physical science laboratories and experiments there are being inspected
this week at the University of Iowa by R. E. Mott of the University of"Bristol, Eng. The
British scientist, a noted professor, George E. Mott, head of the department of
physical science at the University of Iowa, spent a month of graduate
work in the University of Iowa laboratory last year.

Professor Mott has a reputation
for the work he has been doing
in the University of Iowa labora-

Iowa City Fuel

Dealers Get
City Contract

With a bid of $6,500 a ton, the Iowa City Fuel Dealers
organization roared to the winning post in the bid for
the Fuel Department's contract, and the contract, which
expires Monday, will be awarded to that firm.

Ridwell's HY-SEORT MILK

In milk, there is no substitute for quality. Your family deserves milk of the finest quality obtainable.

Sidwell's HY-SCORE MILK is produced by carefully selected dairy herds that are subject to frequent, rigid inspection. But Sidwell's go farther than that to insure milk of superior quality for Iowa City.

All milk received at the Sidwell plant is tested and scored at least twice a week on these six requirements:

- 12 - BACTERIA COUNT. This is important to get healthy milk.
- 2 - FLAVOR AND ODOR. This makes certain Sidwell's milk tastes good.
- 3 - TEMPERATURE. Milk must be delivered under certain temperature to be at its best.

**Students Will Be Acquainted With Activities**

Prof. Earl E. Harper will speak at 8 A.M. at MacKay building.

With a series of meetings which will cover many phases of campus life, the University is preparing for the arrival of the fall class.

The registration for upperclassmen, freshmen, and students is expected to be completed next week. A practice registration schedule will be available.

Students are encouraged to attend these meetings as their schedule permits.
