England, United States Announce Trade Pact

United States, Germany Drift Farther Apart

Will Increase Trade With Great Britain, Minimizes German Aggression

WASHINGTON, Dec. 16 (AP)—The United States and Great Britain drew closer together today by announcing the conclusion of a new alliance agreement, while the United States and Germany drifted apart.

The State Department said the British and the New Canadian trade pact would be signed in the White House tomorrow afternoon, before the signing of the agreement.

British Prime Minister Clement Attlee will return to London after the signing ceremony.

Robert F. Jackson, U. S. Attorney General, told the House Judiciary Committee that he was unable to reach agreement on the new pact.

Former Iowa Governor Dies

Frank D. Jackson Served in D.C.; Was 58

Des Moines (AP) — Former Governor Frank D. Jackson, 58, died of a heart attack at his home here today.

Jackson, a Democrat, served as governor of Iowa from 1941 to 1945.

The new government said Jackson had been in fine health until today.

**Hawks Fear Nebraska Running Attack**

Little Hawks All Set to Meet Davenport Tonight

By PAUL NICKELSON

New York, Oct. 21 — After all the successful happenings, all 200,000 fans of the University of Nebraska football team are thankful that the clouds have lifted and the team seems in better shape for the showdown with Iowa in the Big Ten. The big task now is to prevent anything from going wrong.

**Hawks Fear Running Attack**

New York, Oct. 21 — The University of Nebraska football team learned yesterday morning that the Iowa Hawkeyes were planning to use a running attack to try and break through the Huskers' defense. The Hawkeyes have been working on their running game all season and are hoping to use it to their advantage when they meet the Huskers in the Big Ten.

**Injuries Hurt Both City High And Davenport**

New York, Oct. 21 — Both the city's high schools, City High and Davenport, have been hit by injuries. City High has lost its starting quarterback and Davenport has suffered a number of injuries to its key players. The teams are both hoping to recover and win their games this weekend.

**Lewis and Walsh, Hawk Cripples, Likely to Start**

New York, Oct. 21 — The University of Nebraska football team is hopeful that Bill Lewis and Bob Walsh will be able to play against Iowa. Both players have been injured but are expected to return to the starting lineup.

**Apostoli To Be Tested in Friday’s Bout**

New York, Oct. 21 — Young Apostoli is expected to face a stern test in his upcoming bout. He is favored to win but the opponent is a tough challenge.

**Kinnick Not to Report for Basketball**

New York, Oct. 21 — University of Iowa basketball coach Billy Pressey has decided not to have Kinnick report for the basketball team. This decision has been welcomed by many in the basketball community.

**Tubbs Seek Defense Against Huskers’ Potential Running Game**

New York, Oct. 21 — Tubbs is looking for ways to stop the potential running attack of the University of Nebraska football team. He is hoping for a strong defensive performance.

**Scarlet Scurge To Play City High Sophs Tuesday**

New York, Oct. 21 — The University of Nebraska football team has announced that the Scarlet Scurge will play against City High Sophos on Tuesday. This will be a good test for the Sophos team.

**Kinnick Not to Report for Basketball**

New York, Oct. 21 — University of Iowa basketball coach Billy Pressey has decided not to have Kinnick report for the basketball team. This decision has been welcomed by many in the basketball community.

Prof. Barnes Speaks Tonight

Robots or Men? Is Subject of Lecture To Engineer Students

Prof. Ralph M. Barnes of the mechanical engineering department will address the Associated Student body in Science Hall Thursday evening at 8 o'clock.

There is a rumor in the college that the professor will speak on the topic of "Robots or Men?" which is a current discussion among students and society people.

Levi Days, head of the United States Department of Justice, has received a great deal of attention from the press with his recent appearance on television.

The professor's lecture will be followed by a demonstration of the work done by the American Telephone and Telegraph Company'sip line operation.

One of the most interesting and unique features of the evening will be the demonstration of the latest in television equipment and production techniques.

The lecture will be held in Iowa College Stadium at 7:30 p.m. on the second floor of the building.

...and go group constantly.

And for the framebuffer, which displaced the paper, but the output is approximately the same.

That's fine, I have observed it, of course you have. But it might be more enjoyable to talk about the afternoon's events. You seem to be very interested in the whole thing.

But Bob Towne was especially happy, because he had found the treasure in a way that he was not expecting to find it. He had been working for months to recover the treasure, but he had not been successful until now. He was not sure how he would react, but he was definitely pleased.

"You're going to run around with her for a long time," Thornton said, "if you take her to the dance, you can take her to the next dance."

She left the room then, and all too soon the music stopped.

She discovered that most of the students were also present, and she was delighted. She had enjoyed the dance immensely, and she was eager to hear about the afternoon's events. She had observed that most of the students were also present, and she was delighted. She had enjoyed the dance immensely, and she was eager to hear about the afternoon's events.
