Johnson County To Be Established
To 5-Member Social Welfare
Board as Result of Population

1940 Census Qualifiers
Area for Increase
In Board Membership

An area of approximately 8,300
acres, located on the south side
of Overland Park, has been added
by the Board of Supervisors.

As an increase in population of
the area of less than 8,000, qualifica-
tions set by state law have been
met. Since this area was added to
the city, it will receive the benefit
of various welfare boards increased
by the new law.

The area is a part of the city's
south end development.

County officials, who were not
in the area of 8,300 acres, said they
will have to make plans for the
welfare board's increased area.
