BEF Moves to Protect Island
Against Axis Invasion Threat

Believe Considerable Force Already Is in Position
To Put Up a Fight to Hold Great
Vichy French Island

BEF moves to protect island against Axis invasion threat. Believe considerable force already is in position to put up a fight to hold Great Vichy French Island.

BY THE ASSOCIATED PRESS

British military and naval forces have occupied the French island of Madagascar, off the east coast of Africa, to protect it against an invasion by the Vichy French government.

The announcement was made by Sir John Dill, chief of the Imperial War Cabinet, who said the British forces had occupied the island to prevent it from falling into the hands of the Vichy French government.

The island is important to the British because it is a strategic position on the route to India and the Far East. It is also a key point in the campaign against the Japanese.

The Vichy French government, which is installed in Paris, has been declared to be in a state of war against the United States and Great Britain by the United Nations.

The British forces in Madagascar are under the command of Admiral Sir Julian Thomas, who was formerly the commander-in-chief of the Mediterranean Fleet.

The operation was carried out without opposition, according to reports from the island.

MADAGASCAR

U.S. DRIVES FOR ARMY AIR CADETS TO BEGIN HERE

WASHINGTON (AP) — U.S. military authorities are making plans to begin the drive for Army Air Cadets here, with the first unit to be organized here.

The drive is being conducted under the direction of the War Department, and will be carried on in cooperation with the National Air Corps Association.

The first unit to be organized here will be the 1st Air Cadet Squadron, which will be made up of members of the Army Air Forces.

The drive is expected to result in the organization of several units of Cadets in the near future.

The drive is being conducted under the direction of the War Department, and will be carried on in cooperation with the National Air Corps Association.

The first unit to be organized here will be the 1st Air Cadet Squadron, which will be made up of members of the Army Air Forces.

The drive is expected to result in the organization of several units of Cadets in the near future.

Stille, Collins

Pitch Hawks to Triumph

Hawkeyes Short Haul, Collect Four Markers in First, Two in Second

Behind the quick pacing of Bob Collins, Iowa’s fast-moving offense countered with Michigan’s steady defense and presented the Wolverines with a 4-2 victory.

The Hawks pounded the Spartans behind strong hitting, with Jim Abrahams, University’s No. 2 man in batting average, and sweater-wearing Jim Park, with a .450 average, collecting four apiece. Clarence Collins, Iowa’s top slugger, had three and two, while Bob Collins, starting in the second, supplied two of the hits apiece. Michigan State’s best hitter was Tim Abrahams with a double.

The game began in the first when Collins took a pitch to the body and scored. In the second, Collins returned the favor with a double of his own and Collins scored on a single by Jim Park.

Michigan State tied it in the third with two singles and a walk, but Jim Abrahams spoiled the inning with a fine catch at first.

In the fourth, Collins hit a double, but Southfield couldn’t crack the defense. The fifth inning saw the score tied at 2-2 with a single by Jim Abrahams and a walk to Collins, but the defense closed out the inning with a double play.

Michigan State broke through in the sixth with a double, but the defense heldsteady for an inning and a half, and Collins scored on a single by Jim Abrahams.

In the seventh, Collins scored on a single by Jim Abrahams, and Michigan State was shut out for the balance of the game.

Hawks won, 4-2.
Margaret Spoonell has been chosen by the drill student body of Iowa State College to reign over this spring's three-tens of metal. Iowa City's "Commencement" drive marked the culmination of a year's three times three month effort of whose results were presented to the nation yesterday. The 1942 PAGE 5
