Cranid Has Served SUI for 41 of Its 98 Years

Cranid has been a familiar part of the Iowa campus for generations of students. The singular, friendly whistle of the Cranid's horn is nearly on every student's tongue.

The 41-year-old Cranid Bus was a model chosen by the world-known University, which for 30 years has served the entire world through education.

Today Cranid, with his friendly smile, convenient schedule and low lines, is servicing Iowa students more than ever before in his history. Cranid will continue to offer transportation service to Iowa students in the coming years ahead.
