HAWKEYES BOW TO MICHIGAN, 14-7

Lowans Scare Crisler’s Boys With Uprising in Second Half

Wolverines Run Rough-Shot Over Hawks In First Two Quarters To Grab 14-0 Lead

By CHAD BROOKS

ANN ARBOR, Mich. (AP) — The case of gridiron football fans is one of the few in sport that exemplifies the adage "You never know when you have a winner until you’ve had a looser." Over the 60 minutes Sunday afternoon in Michigan Stadium the favored University of Michigan Wolverines were in no doubt. They were on the way to a 14-0 victory as they took a 10-0 lead into the second half and coasted from there to a 14-7 win over the visiting Iowa Hawkeyes.

The first half was a story of Michigan’s running game, which, with the addition of coach Fritz Crisler’s 17 yard line, worked like a charm. It certainly was enough to keep Iowa out of the end zone. The Wolverines dominated the first 30 minutes, catching the Iowa defense off balance with a punishing ground attack. Michigan’s offense, led by the brilliant running of Jack Weisenburger, was almost unstoppable.

The Hawkeyes did put up some resistance early in the game, with quarterback Bob Smith leading the team on a drive that ended with a punt. But Michigan’s defense held firm, preventing Iowa from converting any of its opportunities. The Wolverines’ defense, led by the play of end Helmer, was as solid as it gets.

As the half wore on, Michigan’s lead grew even more secure. The Hawkeyes had no answer for the Wolverines’ offense, which was led by the remarkable performance of Jack Weisenburger. The running back, who scored two touchdowns, was a force to be reckoned with.

Despite the lopsided score, the Hawkeyes refused to give up. They came out of the locker room at halftime with renewed energy and determination. They pressed the Wolverines to the limit in the second half, but their efforts were in vain.

Michigan coach Fritz Crisler wasPleased with his team’s performance, but he knew there was still work to be done. He said, "We’re not satisfied yet, but we’re happy with the way we played. We have a lot of young talent that needs more experience."

The win was the first of the season for the Wolverines and brought their record to 1-1-1. Iowa fell to 0-2-1. The Hawkeyes will look to regroup and face another challenge next week when they host Minnesota.

Cardinals, Red Sox Open World Series in St. Louis Today

**By GAYLE TALBOTT**

ST. LOUIS—The long curtain of the deadline that ended the National League's season has fallen, and the result of the contest between the Boston Red Sox and the St. Louis Cardinals, which opens today at Busch Stadium, is well known.

**Howie Pollet, Tex Hughson Probable Starting Pitchers**

Pollet, a former Chicago Angel, was considered a potential ace in the make-up for the Sox, and the highly-touted Boston Red Sox have to find out whether or not their pitcher is worth the $50,000 they paid for him. As such, Pollet is a key figure in the upcoming contest. The Sox have never won more than six games in a row, but they've been out of the playoff race since August 12.

**A Tale of Two Teams**

The Boston Red Sox, who are considered by many to be the underdogs in the series, are on a roll. They have won five of their last six games, including a close victory over the Chicago Cubs in the final game of the regular season. The Sox have a well-balanced lineup, with leadoff hitter Ted Williams leading the way with a .344 batting average.

**Indiana Tips Gophers**

The Indiana Hoosiers are looking to make a statement in the Big Ten tournament, where they face off against the favored Minnesota Golden Gophers. The Hoosiers have a strong pitching staff with lefty Dick Rolfe, who has a 2.00 ERA. Meanwhile, the Gophers have a potent offense led by third baseman Reinhold Mello.
