Democratic Wins

Paradoxical County Victory

By Bob Roberts

Despite the odds, the Democrats yesterday won the votes of the three counties, a victory which stands as a testament to the strength of the party in the state and in the nation.

In Johnson County, the margin was only 1000 votes, but in Cedar and Linn Counties, the margin was in the thousands.

In Cedar County, the margin was over 10,000 votes, and in Linn County, the margin was over 15,000 votes.

The victory was unexpected, given the political climate of the time.
