Small Nations To Tell Russ: 'End Blockade'  

Election Campaign Intensifies

Small cut their forces by one-third in their country. The United Nations had said that the blockage in these countries was not to last more than 48 hours because British diplomats were unable to arrange the necessary forces.

President Truman said the Soviet Union was not ready to fight a war and that he had no wish to start another.

Baseball On Rails

Frustrated Fans First TV Train Test; Vision Blocked, Resorts to Radio

By ARTHUR EDSON

BOSTON -- Train watching was growing in popularity yesterday as baseball fans made their way to Fenway Park for the opening of the National League season.

Despite the weather, which was relatively warm, the attendance was not as great as expected.

Orders to 'Debunk' Atoma

John Foster Dulles, Secretary of State, announced yesterday that the United States had ordered the destruction of all atomic energy. The move was in response to a similar order by the Soviet Union.

The destruction of the atomic energy would make it impossible for the United States to use the weapon in war.

ID Cards Ready

Jews who had ID cards were told to carry them at all times during the war. The cards were issued to all persons who had been registered as aliens.

Icks Asks Dewey To Take Stand On Offshore Oil Land

WASHINGTON (AP) -- Harold L. Ickes, Secretary of the Interior, yesterday asked President Dewey to take a stand on the offshore oil land question.

Ickes stated that the issue was of paramount importance to the nation.

Smaller, Others Arraigned; He Pleads Innocent to Fraud

Ray Bent, former state representative of the Illinois House, was arraigned yesterday. He was accused of fraud in connection with a land deal.

He pleaded not guilty and was released on $2,500 bond.

Campus Chest Passes $2,000; Quadrangle, Currier Praised

The Campus Chest campaign passed the $2,000 mark yesterday. The Chest is a fund-raising organization on campus.

In announcing the figures for the individual college units, it was stated that the largest contributors were the Engineering, physics, and chemistry departments.

Carroll hall, two fraternity houses that had contributed $1,000 each, were hailed as "exceptionally well." The largest percentage of contributions came from the Phi Beta Kappa, Phi Gamma Delta, Alpha Delta, and Kappa Alpha fraternities.

Mr. and Mrs. A. L. Lee, who had been in New York yesterday, were appointed by the president to fill the vacancy created by the death of Mrs. Harry Lee, who died last week.

10:30 A.M. -- A woman was reported to have escaped from the camp by a hole in the fence.

Ambulance Drivers in Double Trouble

Mrs. Truman's Car Set Afire in Parade

The driver of the car, who was driving at the time of the fire, was taken to the hospital with burns to his hands and face.

Mrs. Truman was not in the car at the time of the fire.

The parade was being held in honor of the anniversary of the founding of the town.

mott's DRUG STORE 19 S. Dubuque

Dana X. Bible, Owner of Dubuque:

"In the Northwest back on the Mississippi, Dubuque is the oldest city in the state, founded in 1833. The town was named after the Indian chief Dubuque who lived in the vicinity in the 18th century. The city is known for its picturesque setting and has been a center of commerce and industry. It is a place with rich history and a friendly atmosphere."

Frank Leahy, Manager of Schick:

"Every Schick user can attest to the comfort and precision of our razors. The Schick Factory offers unparalleled expertise in maintaining and repairing electric shavers, ensuring your appliance stays in top condition for years to come."

Four Auto Mishaps on Well Streets

Four drivers involved in a series of accidents yesterday were unharmed, and it was generally agreed that the weather was not responsible.

At 11:30 a.m., a red model A, driven by George R. Hall, 11 Ivanhoe Ave., and a Ford, driven by Maurice D. Holman, 210 4th Ave., collided at 11th St. The model A was thrown into the air and fell into the Ford, causing the front end of the Ford to be damaged. The driver of the Ford escaped unharmed, but the driver of the model A was taken to the hospital for treatment.

At 12:30 p.m., a Ford, driven by Lewis S. Smith, 3rd mar., and a Buick, driven by John W. Jones, 2nd mar., collided at 12th St. The Buick was driven by a woman, who was taken to the hospital for treatment.

At 1:30 p.m., a Ford, driven by Charles W. Brown, 4th mar., and a Buick, driven by John W. Jones, 2nd mar., collided at 13th St. The Buick was driven by a woman, who was taken to the hospital for treatment.

At 2:30 p.m., a Buick, driven by Charles W. Brown, 4th mar., and a Ford, driven by Lewis S. Smith, 3rd mar., collided at 14th St. The Ford was driven by a man, who was taken to the hospital for treatment.
MENACE OF 'YELLOW ZONERS'

The latest move to Iowa City drivers and pedestrians is the "yellow zone." The "yellow zone" is a special kind of device that would require drivers to slow down or stop at a certain point. The "yellow zone" is a new type of traffic control system that is designed to help prevent traffic accidents. It is a traffic control device that is placed at the edge of a road to alert drivers to slow down or stop. It is a type of traffic control device that is similar to a stop sign, but it is not as bright or as colorful as a stop sign. It is a new type of traffic control device that is designed to help prevent traffic accidents. It is a traffic control device that is placed at the edge of a road to alert drivers to slow down or stop.

McBride's Haul

BY BILL MCBRIDE

In the October issue of Cosmopolitan, a writer declared that "A man who has no money is not a man."

That's a lot of books on marriage. In marriage, the couple who might think a marriage book is a good idea as a wedding gift will find that a book about how to improve their marriage is a better idea.

ENDS FAST-TO-DIE AFTER RELIGIOUS VISIT

Chicag0 (AP) — Father Ben

Anyone who can make a point in this world and be paid for doing it, is a success. The only question is whether the point is worth making, and whether the payment is worth paying for.

In the October issue of Cosmopolitan, a writer declared that "A man who has no money is not a man."

Student Council Okays Straw Vote; SUI’s Approval Needed

Please for a campus straw vote deleted his trial record to the best and last when the Student council approved a report made by its straw vote committee member, Bob Jones, Cultural Director.

New only university-approving SUI’s Council of the Student Council, Gerred said he expected a the decision report by straw vote on the straw vote question, where they will be given an option to vote. At the Student Council meeting in Old Capitol last night Gerred presented the straw vote question.

1. Oct. 18 for the straw vote. An optional straw voting hours from 5 p.m. to 7 p.m. The straw vote was to be conducted in a public setting on the subject of straw vote issue.

2. Straw votes will be held on a voluntary basis, where students will be given an option to vote.

A. Ballots containing pre-designed voting cards will be distributed by the Straw Vote Committee.

B. Straw votes will be held on the same day as the general election.

C. Straw votes will be conducted on a campus-wide basis.

Name Hockenberg As UWF Delegate

The university chapter of the University of Wisconsin Federation of Students (UWF) has elected Ruth Hockenberg of Des Moines as its voting delegate to the UWF state convention. Other non-voting delegates may be selected by the U.W.F. convention.

Reserve Ushers Plan Three AA Batteries

Three additional batteries will be organized for the Iowa City Council of the Universe.

Varnon Meador, the organizer of the Iowa City Council of the Universe, said the batteries will be formed to provide a means of communication for the council members. The batteries will be activated as soon as the council members are notified of the formation of a battery. The council members will be notified of the formation of the battery by the organizer of the Iowa City Council of the Universe.
