## Top Bulgarian Spy Defendant Calls Self Tool of Capitalism

SOPIA, BULGARIA (AP)—The Rev. Vassil Ziapkov, chief defendant in the spy trial of 15 protestant clergymen, pleaded guilty yesterday and called himself "a rotten tool" of British-American capitalism.

He launched into a four-hour talk, tearful and sobbing. Two other ministers who preceded him to the witness stand in the Sofia district court also had confessed and similarly denounced themselves as guilty of treason, espionage and illegal currency dealing.

Ziapkov said he had studied in both the United States and Britain and that this was the cause of his downfall.

### "I Repent"

"My foreign education abroad plucked me out of Bulgaria and transported me on foreign soil," he wept. "I repent strongly."

"I repent completely that we pastors became tools of the enemy who was bribing us with money and education in order to profit out of us."

### Wrong

He told the court, as the others had done, that he and his co-defendants spied for the west in order to stop communism and that they realized now they were wrong about communism.

Ziapkov is a 48-year old Congregationalist who was a member of the supreme council of the United Evangelical churches of Bulgaria and the council's political representative.

The defendants who preceded him were also members of the supreme council. They were the Rev. Yanko Ivanov, 48, a Methodist, and the Rev. Nikola Naumov, 49, a Baptist.

The trial will reconvene tomorrow.

## Coup in Paraguay Ousts Gen. Rolon From Presidency

ASUNCION, PARAGUAY (AP)—The national radio said last night Gen. Raimundo Rolon, installed only a month ago as president of Paraguay by a revolutionary coup, was ousted yesterday in another coup.

A new government was formed immediately under Felipe Molas Lopez.

The radio said the overturn was carried out by a "triumphant" civilian movement.

Rolon, a retired soldier, took over the presidency after a bloodless coup deposed J. Natalicio Gonzalez Jan. 30.

Rolon's government was the sixth in 13 months to attempt unsuccessfully to bring political peace to Paraguay. Gonzalez himself had led a successful revolution which paved the way for him to take office. Rebellions had unseated the other presidents.

Rolon announced last Wednesday he would not be a candidate for the presidency in general elections set for April 17. Effect of the new coup on these elections was not immediately clear.

Gonzalez, who first took refuge in the Brazilian embassy in Asuncion after his ouster, arrived in Buenos Aires, Argentina, early this month to go into exile. Gonzalez was overthrown by several members of his own cabinet, in which Rolon had been defense minister. His troubles started with a secret dissident group of the Colorado party, also known as the National Republicans. Gonzalez, with the aid of the army, had toppled Higinio Morinigo from the presidency June 3, 1948.

## Thomas Stricken With Hemorrhage

WASHINGTON (AP)—Rep. J. Parnell Thomas, who was to have gone on trial here March 7 for alleged payroll frauds, suffered a gastro-intestinal hemorrhage yesterday and was removed to the army's Walter Reed hospital.

The 54-year-old New Jersey Republican was stricken in his hotel room yesterday morning. There was no immediate word from the hospital on his condition.

But it appeared likely that the attack would force still another postponement in his oft-delayed trial on a charge of conspiracy to defraud the government by padding his congressional office payroll.

## DENY IRAQ DISORDER

CAIRO (AP)—The Iraq legation denied last night a report by Tass, official Soviet news agency, of widespread disorders in Iraq.

## Bossy Liberated from Silo

Grease, Hypodermic and Old Heave-Ho Used to Release \$1,000 Hereford

YUKON, OKLA. (AP)—It took a slick trick—but Grady the cow was freed from her silo prison yesterday. The white-faced Hereford—whose ins and outs of the 40-foot high silo had north America guessing—was liberated with cup grease and the old heave-ho.

At 8:09 a. m., (Iowa time) the first of hundreds of suggestions to release the bovine damsel in distress was used.

The scheme was devised by Ralph Partridge, farm editor of the Denver Post, who flew here to Grady's assistance after word was flashed over the nation.

It all started when Bill Mach's \$1,000 cow bolted into the silo through a 17 by 25 1/2 inch door. It was unbelievable to see the 1,400-pound cow quietly munching grass in the circular, concrete silo.

The nation learned of Grady's feat and Mach's problem. Hundreds of solutions from 43 states and Canada poured in.

Partridge arrived here with what he called his "secret cow freeing device."

It turned out to be the grease, plenty of muscle and the axiom: "If a cow can get through a door into a silo, it can get out of the same door."

## Ford Won't Follow GM's Price Slash

DETROIT (AP)—The Ford Motor company announced yesterday it would boost production "substantially" in the next four months, but would not follow General Motors' lead in lowering prices.

Executive Vice-president Ernest R. Breech also disclosed that output of Lincoln cars would be cut sharply because "demand in the high-priced field has diminished materially."

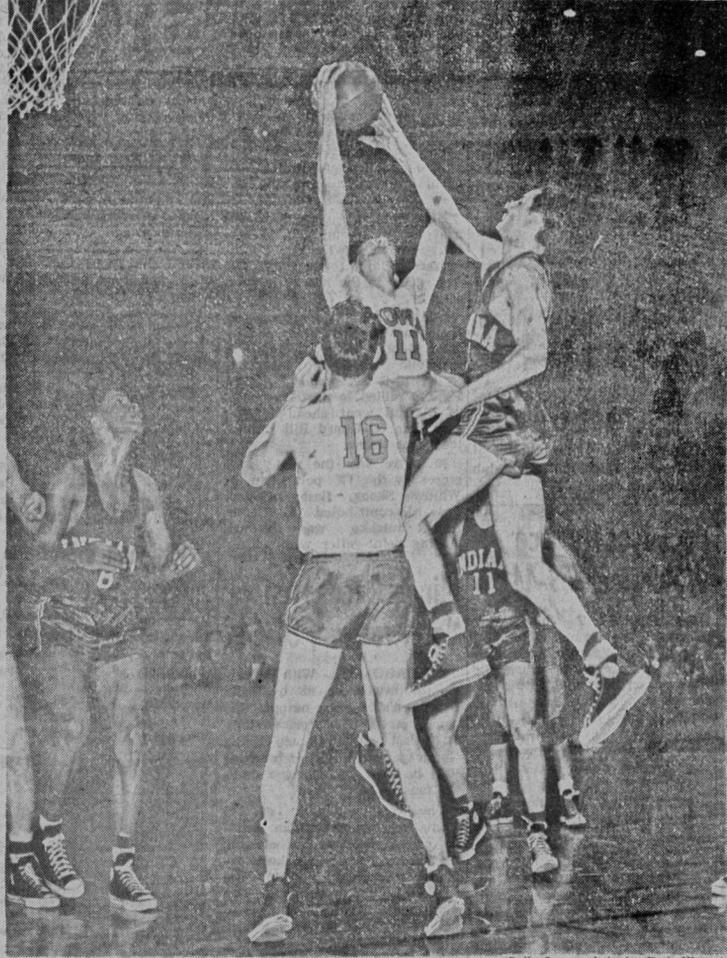

He added, however, that the increased production of Ford cars, trucks and Mercurys would "more than offset" the cut in the Lincoln line.

Ford's decision not to cut prices despite General Motors' industry-stirring price slash Friday was announced by J. R. Davis, vice-president in charge of sales and advertising.

## SUI Debate Team Is Rated Superior

LINCOLN, NEB. (AP)—A State University of Iowa debate team yesterday was one of 10 to win a superior rating in the ninth annual University of Nebraska Intercollegiate Debate and Discussion conference.

The SUI team was composed of Charles Thott and Edward Diekmann.

## IC Primary Tomorrow GOP Expects Sizeable Vote

Gordon Webster, 502 Clark street, and Edwin Morley, 920 Sixth avenue, are seeking the fifth ward alderman nomination.

### Democrats

Incumbent Mayor Preston Koser leads a Democratic primary ticket for six incumbents seeking re-election plus Prof. George W. Martin, SUI botany department, seeking second ward alderman; Milo Novy, seeking the office of city treasurer, and Robert Lorenz, 418 River street, seeking election as park commissioner.

The Democrats have no candidate for the fourth ward nomination of alderman but party leaders have been urging Democratic voters to write in the name of E. E. Cline for alderman of that ward.

Incumbents seeking re-election on the Democratic ticket are James M. Callahan, 303 E. Benton street, first ward alderman; Charles T. Smith, 906 E. Davenport street, third ward alderman; W. H. Grandrath, 520 Grant street, fifth ward alderman; Clark F. Mighell, 822 Iowa avenue, alderman-at-large; Frank Fryauf Jr., 4 1/2 Dubuque street, alderman-at-large; and Emil G. Trott, 630 N. Van Buren street, police judge.

### Uncontested

Running uncontested on the Republican ballot are Jasper A. W. Davis, 227 1/2 E. Washington street, for first ward alderman; Wayne E. Putnam, 1011 E. Washington street, for fourth ward alderman; Ray Thornberry, 654 S. Governor street, and John B. Wilson, 501 Kimball road, for the two nominations for alderman-at-large.

Republican incumbent Earl B. Raymond, 416 Grant street, is seeking re-election as city treasurer. John Knox, 921 Jefferson street, will seek election as police judge, a position he formerly held.

## IC Primary Tomorrow

Here briefly is the background of the two Republican candidates for the primary nomination for mayor:

Mrs. Beye has lived in Iowa City for the past 28 years and lists her present occupation as a housewife. She has served on the Iowa City school board for nine years and is its president now. She has been a member of the library board for the past five years.

Mrs. Beye served on the Iowa City recreation and playground commission in 1942, 1944 and 1948.

### 18 Years

Carl Redenbaugh has lived in Iowa City 18 years and is at present night manager of Weller's service station.

He attended SUI from 1932 until 1936. He is a member of the zoning and planning commission, and was commander of the local American Legion post in 1945. He was captured on Guam early in the war and was a prisoner of the Japanese for 45 months.

Voters will cast their ballots in the following places:

First ward, first precinct: county courthouse basement.

First ward, second precinct: Hawkeye Awning company, 29 W. College street.

Second ward, first precinct: city hall.

Second ward, second precinct: fine arts building.

Third ward: C.S.A. hall.

Fourth ward, first precinct: junior high school gymnasium.

Fourth ward, second precinct: Community building.

Fifth ward, first precinct: Iowa City Bottling works, 525 S. Gilbert street.

Fifth ward, second precinct: Longfellow school.

## Iowa Outrun By Indiana, 76-60

By BUCK TURNBULL

The Hoosier basketball team from Indiana sped to a 76-60 victory over Iowa at the fieldhouse last night, but the final score gives little indication of how even the game actually was for 35 of the 40 minutes.

Only after Iowa's 6-foot, 6-inch sophomore center, Frank Calsbeek, left the game with five personal fouls did the Cream and Crimson gain a decided edge in the hotly contested battle.

The Hawks now have a season's record of two wins and ten losses in Big Nine play. They must win at least one of their two remaining games to avert falling into a cellar tie with Northwestern.

Indiana's 76 points broke the all-time record for the winning score in the Hoosier-Hawkeye series. The previous high was 71 made by Indiana in 1943.

### Halftime Lead

Iowa stepped into a 36-33 lead at the half time intermission with big Calsbeek and Forward Charlie Mason pacing the attack. The Hoosiers managed to hang on mainly through the efforts of their red-hot forward, Jerry Stuteville.

The score was tied 10 times during the first 33 minutes of action before Indiana finally pulled ahead to stay, 53-52.

Stuteville was the night's high point man with 21 markers, 14 of which came in the opening period. Bill Garrett, the Hoosiers' lithe 6-foot, 2-inch center, followed Stuteville with 17 points.

Calsbeek earned his spurs as Iowa's regular center. He chalked up 14 points before leaving the game with 11 minutes to go. Mason, leading Hawkeye scorers, added 11 points.

### Empty Seats

The crowd was announced as 12,300 but seemed to be considerably less than that. There were wide chunks of empty seats spread throughout the bleacher sections.

The game began with a wild flurry of baskets. The Hoosiers jumped out in front, 11-8, with a little more than three minutes gone by. During this period every member of their starting five had scored at least one point.

Iowa called time out at that stage. Indiana had hit five of its seven shots. The Hawks made a warm beginning, too, connecting on four baskets in eight tries.

After Stuteville tossed in two free throws, the Cream and Crimson quintet began to slow down

the pace with a 13-8 advantage. This was the widest lead either team could muster until the Indians began the closing assault with five minutes left in the game.

### Tied at 13

Iowa snapped back to tie the score at 13-all and force the Hoosiers to call time out with 15 minutes to go in the half. From

the three-minute mark until 15 minutes of the first half had elapsed—a 12-minute span—only Stuteville was able to score from the field for the Hoosiers.

Calsbeek, Mason, Floyd Magnusson and Tony Guzowski did all the Iowa scoring during that period, but Stuteville more than

## Italy's Duty to Assist Soviet Army: Togliatti

ROME (AP)—Communist Leader Palmiro Togliatti asserted yesterday it would be Italians' duty to help any Russian army which might pursue "an aggressor" onto the soil of Italy.

The statement, made in a published interview with the rightist newspaper Giornale Della Sera, did not say what form Togliatti believed the aid should take.

## French Tone Down Espionage Charges Against Communists

PARIS (AP)—The French army changed its mind last night and charged four alleged Communist sympathizers with relatively minor offenses, after first accusing them of espionage punishable by death.

The reduced charges were filed after the military court conferred with War Minister Paul Ramadier. They allege a threat to the security of the state, punishable by imprisonment of one to five years.

The arrests came amid a buzz of reports that the government was about to crack down on the French Communist party, and that the Kremlin was using French Communists to help it fight the proposed North Atlantic defense alliance.

Police named the four accused of espionage as Pierre Juin, editor-in-chief of the Communist picture weekly "Regards"; Jacques Friedland, a member of his staff; Robert Penillaut, business manager of the pro-Communist resistance movement weekly organ, and Bertrand Jouenne, a draftsman for the National Central Aviation company.

It came at a time when the country, altered against possible disorders in Communist-sponsored demonstrations scheduled for today, learned of a threatened cabinet crisis.

### Resignation

Vice-Premier Giuseppe Saragat submitted his resignation from the cabinet, and announced his anti-Communist labor Socialist party would consider whether to continue to support the government.

He said he was withdrawing because of a dispute in the party, not because of any trouble with Premier Alcide De Gasperi. The premier indicated he would reject the resignation.

### Arms Seized

The Carabinieri, in sweeping raids, seized big stores of arms and munitions in the Naples area. They arrested 100 persons. The government charged that much of the contraband was owned by Communists.

Togliatti, Cominform-trained leader of Italy's two million Communists, went farther in his statement yesterday than last Tuesday's declaration by the French Communists would ever have to pursue an enemy into France, French and Italian Communists have shared aims, particularly opposition to the ERP (Marshall plan). Together they number about 5-million.

## Mediators Hoping to Avert N.Y. Blackout

NEW YORK (AP)—Mediators said last night they were "very hopeful" of averting a utility strike that could black out the city.

The statement, which reported "considerable further progress," was issued today.

The executive council of the CIO utility workers union announced 28,000 employees of the Consolidated Edison Co. will quit work one minute after midnight Tuesday if no settlement is reached by that time.

## Baby Shows Teeth For Steak or Gum

OTTAWA, CANADA (UP)—Ann Dowd is going to be put on exhibit at a national conference of dentists because at the age of 10 months she has enough teeth to eat a porterhouse steak and chew a wad of bubble gum.

Elizabeth Ann, daughter of a police constable, began sprouting teeth when she was two months old. Now she has a full set of 20 "milk teeth," which is at least 12 more than the average child her age can boast.

## Jail Really Becomes A Pain in the Neck

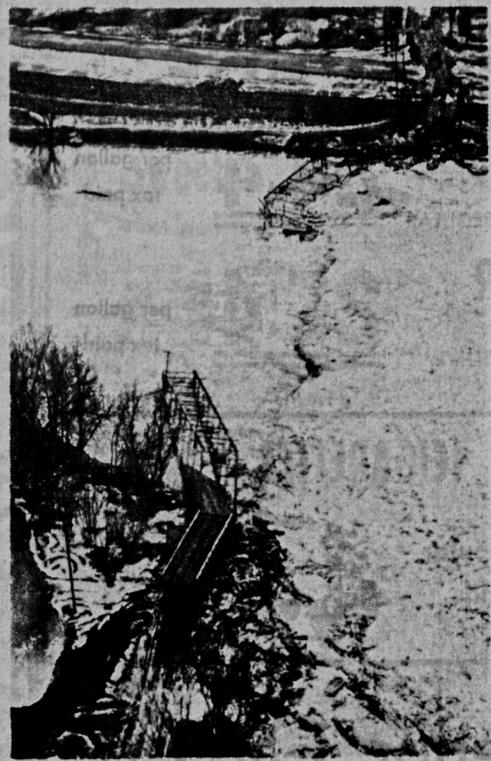

BURLINGTON (AP)—The Des Moines county jail is going to be a mighty hard place to get into—or out of—the next two weeks.

It was quarantined yesterday because one of its three inmates came down with mumps.

What Jailer Hal Green can't figure out is how come.

The inmate with the swollen jaws has been in since November.

## Ice Wrecks Des Moines River Bridge

PRESSURE OF ICE moving down the Des Moines River was responsible for the collapse of the center span of this highway bridge near Chillicothe, Iowa, yesterday. Several persons were plunged into the icy river when the bridge fell. Others had to be taken from eastern span (foreground) in a boat.

# Iowa Swimmers Swamp Gophers

## Get 60-24 Win On All Firsts

MINNEAPOLIS (AP)—The University of Iowa swimming team paced by Olympic champion Wally Ris swept every first place to swamp Minnesota 60 to 24 in a Big Nine meet yesterday.

Ris swam to easy victories in the 100 and 220 free style races to contribute 10 points to the winning Hawkeye total.

300 yard medley relay: 1. Iowa (Main, Stasforth, Korte) 2. Minnesota (Hill, Ivenen, Acker). Time 3:01.5.

200 yard free style: 1. Ris, Iowa; 2. Ruttinger, Iowa; 3. Young, Minnesota. Time 2:17.

400 yard free style relay: 1. Iowa (Hark, Berge, Korte, Straub); 2. Minnesota (Young, Crum, Brown, Acker). Time 3:14.4.

## Spartans Win IC4A Indoor Track Crown

NEW YORK (AP)—Michigan State won the Intercollegiate AAAA indoor track and field championship last night, taking the team title at the 28th annual meet in Madison Square Garden on its first try with a squad of only 18 men.

The Spartans, perennial powers in IC4A outdoor competition but never before contenders on the boards, scored 35 2/5 points, nine more than their closest challenger—Yale university, the IC4A outdoor titleholder.

## Webster City Takes Junior College Title

WEBSTER CITY (AP)—Webster City won the state junior college basketball tournament last night with a 61-59 victory over Muscatine in a double overtime.

Muscatine had a 51-45 lead with three minutes to play but Webster City scored six straight points to tie the contest.

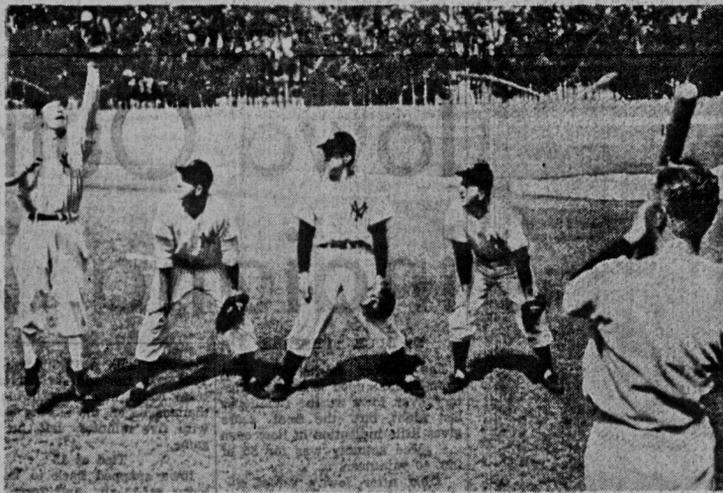

Estherville won the consolation game, 48-46, from Mason City.

## Illinois Wrestlers Break Tie In Last Match, Tip Hawks, 14-11

CHAMPAIGN—Victory in the last match of the evening—the heavyweight—broke an 11-11 tie here last night and gave Illinois a 14-11 wrestling triumph over Iowa.

Prior to Capt. Chuck Gottfried's 8-4 heavyweight win over "Junebug" Perrin, the two mat teams had divided six matches and grappled to a draw in another. There were no falls recorded by either team.

The victory kept the Illini undefeated in Big Nine competition, while the Hawkeyes have now won three and dropped two dual engagements. It was the 18th successful try for an Iowa mat crew to triumph over Illinois.

Iowa's Joe Sarpello won his fourth 175-pound match of the season over Wayne Gaumer. Earlier in the evening Capt. Vern McCoy of the Hawks won his fourth conference match, decisioning Dick Picard.

The Summaries: 122 pounds—McCoy, Iowa, defeated Picard, Illinois, 5-2.

128 pounds—Nelson, Illinois, defeated Quilan, Iowa, 11-3.

136 pounds—Stethoff, Iowa, defeated Strange, Illinois, 4-0.

143 pounds—Garcia, Illinois, defeated Tharp, Iowa, 10-4.

155 pounds—Dwyer, Illinois, defeated Teala, Iowa, 7-6.

165 pounds—W. Gaumer, Illinois, tied Thomas, Iowa, 6-6.

175 pounds—Sarpello, Iowa, defeated Gaumer, Illinois, 10-2.

Heavyweight—Gottfried, Illinois, defeated Perrin, Iowa, 8-4.

## Gehrmann Whizzes

MADISON (UP)—Wisconsin's brilliant Don Gehrmann yesterday ran what was believed to be the fastest half mile ever run indoors by a collegiate runner when he was clocked in 1:51.5 in a dual meet with Marquette.

ROSSIE TO FIGHT

Bob Rossie of Iowa City is scheduled to go against Minneapolis middleweight Bob Morelli in the St. Paul auditorium tomorrow night. Morelli is considered one of the better middleweights in the twin city area.

Chief trouble maker on the Wisconsin quintet is Don Rehfeldt, 6-foot, 6-inch center. He is almost certain to cop the Western conference individual scoring title.

Prior to last night, Rehfeldt had notched 179 points in 10 games for a 17.9 average. He scored 21 points against Iowa when the Badgers were defeated here Feb. 19.

Wisconsin, playing outside of the league last night against Western Ontario, has a Big Nine season's record of three wins and

## Gophers Stop Boilermaker Rally, 58-48

MINNEAPOLIS (AP)—Minnesota stifled upstart Purdue in the second half last night to whip the Boilermakers, 58-48, in a Big Nine basketball game before 16,202 fans at the field house.

It was the Gophers' ninth conference victory against two defeats and closed out their 1948-49 home schedule with an overall record of nine wins and no losses.

The Boilermakers rallied late in the first half to lead, 37-32, at halftime after Minnesota had blown a 10-point lead.

But Minnesota turned on the heat in the second half to outscore Purdue, 26-11. The Boilermakers could hit for only two field goals in the last 20 minutes of play.

Minnesota pulled away early in the game as Jim McIntyre, towering Gopher center, scored four fast field goals to lead his mates to an 18-8 advantage. However, Purdue rallied to tie the score at 27-27 and went ahead for the first time on Guard Bill Berberian's free throw.

McIntyre was the night's top scorer with 17 points, while Whitey Skoog, flashy Gopher forward, contributed 16. Center Andy Butchko was Purdue's leading point-getter with 14.

## Buckeyes Outrace Wolverines, 69-44

COLUMBUS (AP)—Ohio State's basketball team ran the legs off a snail-like Michigan squad, 69-44, to end its disappointing Big Nine season last night with a 6-6 record.

It was Michigan's fourth defeat against six wins in conference play and also ended any hopes that the Wolverines had for title consideration.

After the first 11 minutes, Michigan was never in the game. At that point, Ohio went ahead 13-9 on two quick, fast-break baskets by Bob Burkholder and Bob Donham. Up to that time, both teams had felt each other out with long shots, four of which were sunk in quick fashion by Ohio's Gene Brown from just about the same spot in the floor.

Ohio got its fast-break rolling about midway through the first half and literally ran the painfully-slow Michigan team into the boards to double the score at intermission, 36-18, in the Buckeye's favor.

In the surge, Dike Eddleman banged in 16 points—hitting eight of 12 shots—while Slip Kersulis added 12 and Osterkorn, nine.

## Illinois Races Past Northwestern, 81-64

CHICAGO (AP)—With its harmonized attack topped by Wally Osterkorn's 24 point output, Illinois romped over Northwestern, 81-64, last night to tighten its Big Nine cage lead in record-breaking style before 17,095 Chicago stadium fans.

The combined tally of 145 points was a new stadium record for college basketball, bettering the 136 total in Great Lakes' 69-67 win over DePaul in 1946. The Illini's 81 points were only five shy of matching the stadium team scoring mark of 86 set by the Illinois White Kids six years ago.

In racking their ninth Big Nine win in 10 starts, the Illini were the classiest performers seen in the stadium this season during the first half. They hit 19 of their first 33 shots to coast into a 50-31 lead at midway.

In the surge, Dike Eddleman banged in 16 points—hitting eight of 12 shots—while Slip Kersulis added 12 and Osterkorn, nine.

## All Major Leagues To Train in U.S.

NEW YORK (AP)—Baseball's first All-American spring training season since the last war opens Tuesday with all 16 major league teams pitching camps in the good old U.S.A.

Going into camp with several star players still unsigned, the Cleveland Indians, defending world champions, probably rate as favorites to repeat in the American league. Most baseball men expect the Boston Red Sox and New York Yankees to provide the chief opposition with the Philadelphia A's and Detroit Tigers as outside possibilities.

In the National, there is no clear-cut favorite. Despite their decisive triumph in 1948, the Boston Braves have definite weak spots. The Brooklyn Dodgers, still experimenting with young talent, rank as strong contenders as do the St. Louis Cardinals, always dangerous, and the powerhouse New York Giants.

Pittsburgh, strengthened in the pitching department, is given a chance. Both Chicago and Philadelphia have bolstered their clubs with a series of winter deals.

Florida, as usual, will house most of the teams. Ten will be stationed there. Two will work in Arizona and four will be stationed in California.

Onset exhibitions start March 12 there will be games every day—341 in all—including some night games and doubleheaders.

## Flannery's 24 Helps Marians Win, 38-27

TIPTON (AP)—Paul Flannery hit St. Mary's through the state high school basketball sectional final here last night as the Marians walloped West Branch, 38-27.

After holding a shaky 14-11 intermission margin, St. Mary's roared into the third period with a barrage of six field goals and a free throw. West Branch meanwhile, was hand-cuffed to three gift tosses.

Flannery hit nine fielders and cashed all six of his free throw attempts for 24 points. Jim Peterson headed West Branch's scoring department with 14 points.

matched their output. Midway in the half Indiana held a 20-17 edge and Stuteville had 10 of the 20 points.

With Iowa leading, 26-24, Guard Gene Ring tied the count with a driving lay-up at the 15-minute mark. This broke the Stuteville spell.

Guzowski fouled out with two minutes to go in the first half and Iowa ahead, 32-30. The Hawks boosted this to 36-33 by the break between periods.

Shoot 298

During the first half Iowa shot 298, hitting 14 of 47 shots. The Hoosiers found the range on 12 of 33 for 226.

For the first 13 minutes of the last period the score saw-sawed back and forth. With Bob Schulz and Stan Straatsma doing a nice job of breaking up Hoosier fast-break attempts, Iowa seemed in a position to spring an upset.

But when Indiana went out in front, 53-52, the Hawks suddenly stopped functioning the way they had in the earlier stages.

Garrett hit the large share of his points in the final five minutes and the score moved safely out of Iowa's reach.

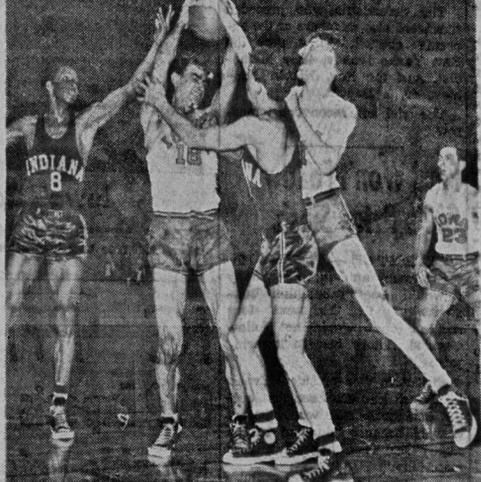

The loss of Calsbeek could be termed the turning point in the game. The rangy center from Hull not only led his teammates in scoring but hounded both backboards for rebounds.

20 Field Goals

Iowa ended the game with 20 field goals in 83 shots at the hoop for a .241 shot percentage. The Hoosiers improved over their first half shooting and finished with 28 baskets in 107 tries for .262.

During a major portion of the contest the fans seemed to think the officials, Gil McDonald of Wisconsin and Don Elser of Notre Dame, left a lot to be desired. Perhaps they were right, the fans think so.

\*\*\*

GRABBING A FIRST HALF REBOUND is Tony Guzowski (16) in last night's 76-60 loss to Indiana. Helping Tony is Teammate Frank Calsbeek, while Bill Garrett (8), Jerry Stuteville of the Hoosiers have other ideas about who should take possession. Iowan looking on (23) is Guard Bob Schulz.

### Local Girl Scouts To Ready Site of Hemisphere Camp

Eleven Iowa City senior Girl Scouts will set up the camp unit "Iowa City" at Western Hemisphere camp near Muskegon, Mich., next summer, Mrs. Hugh Carson, Girl Scout director, announced Friday.

Members of the Iowa City team, selected on the basis of camping experience and Girl Scout activities, are Betty Welter, troop 6; Helen Huber, troop 12; Marilyn McLachlan, troop 12; Joan Shriner, troop 30.

Sylvia Biiss, troop 14; Sally Zimmerman, troop 14; Kathryn Nolan, troop 14; Margie Moeller, troop 14; Pat Holland, troop 32; Jane Condon, troop 12, and Barbara Dean, troop 14.

Mrs. Carson and Margaret Sewall, A2, will accompany the Iowa City girls.

**To Build Equipment**  
The girls will construct all of the equipment for the camp. They will pitch a wall tent, set up different types of fireplaces, dig incinerators, grease pits and ditch drains, make several caches, set up outdoor dining shelters and furnish an outdoor kitchen with cupboards, work tables, fireplaces and other kitchen furnishings.

The camp will be held from July 19 to Aug. 12.

One of the girls will be chosen to remain for the entire camping season at Muskegon as quartermaster of the unit "Iowa City."

The other Iowa City scouts will attend the opening and closing ceremonies and will probably camp nearby for the month, Mrs. Carson said.

Before next summer the girls will be given instructions in first aid, toolcraft, campcraft and fires and fuels. A national director will visit Iowa City this spring to inspect the preparations and the training of the girls.

**Brownies to Help**  
Brownie and Intermediate Girl Scouts will help with the project. Some of the equipment for the campers in the unit, such as waterproof food bags, aprons, tea towels and bulletin boards will be made by the younger girls.

Delegates to the camp will come from Canada, Mexico, Brazil, Costa Rica, Colombia, Ecuador, El Salvador, Guatemala, Haiti, Alaska, Hawaii, Virgin Islands, Panama Canal zone, Puerto Rico and Guam.

France, Great Britain and the Netherlands will send delegates from their possessions in the western hemisphere.

**Representatives from the 48 states, the District of Columbia and Indian reservations will also attend the camp.**

Iowa City and St. Louis have been chosen from the eighth region to send teams and leaders. The eighth region is comprised of Iowa, Missouri, Kansas, Nebraska, Colorado and Wyoming.

# Return CARE Money to SUI

Strained international relations apparently have given a backhand slap to the generosity of SUI students.

Last week CARE returned \$30 of the money contributed by students during the Campus chest drive explaining that the Hungarian government no longer welcomes American aid.

"The CARE agreement with the Hungarian government has expired and we have been unsuccessful in making further negotiations. CARE therefore has been obliged to terminate service to Hungary," the relief agency said in its letter to George McBurney, Campus chest chairman.

Michael J. Flach, president of the International club, yesterday said the returned money would be used to send one CARE package to each of three children's orphanages in European displaced persons camps.

In direct contrast to the Hungarian refusal to allow CARE packages to be sent to Dr. Imre Szukovathy in Budapest, all the other 18 families chosen by the committee have received at least one food parcel, McBurney said.

## William Davis to Speak To Junior Farm Bureau

William G. Davis, district soil conservation commissioner, will speak on the soil conservation program at the Junior Farm Bureau meeting Wednesday night in the Iowa City Community building.

Committee members in charge of the regular 8 p.m. meeting are Ethel Willer, chairman, Bob Aubrecht, Kenneth Burns and Al-legra Gardner.

# Try and Stop Me

By BENNETT CERF

A CHRONIC prankster, freshly embarked on a career in pictures, blew in his first month's pay on a second-hand motorcycle. He started the motor in front of his house and went inside to phone his best girl, who lived six or seven blocks away. It was his plan to say, "Hello, darling. Hold the wire a moment," and then dash over to her home on his cycle, walking in on her while she still waited on the telephone.

On the way to her house, however, he had a head-on collision with a truck and spent the next four weeks in the hospital. Another evening he stretched himself full length on the floor, hoping that he would have the scare of a lifetime when his machine headlights picked out a prostrate body. Again fate stepped in. He fell sound asleep. Hecht put out his headlights when he entered the driveway, didn't see him at all, and drove smack over his outstretched hand. Attendants at the Cedars of Lebanon hospital wearily led him back to his old bed. One nurse suggested, "How about renting it by the year?"

## SUI Students to Take Part in Music Recital

Nine SUI students will participate in the recital to be presented in the north music hall at 4:10 p.m. Tuesday.

Soloists on the program will be Lois Brandt, G. Duluth, Minn., cellist playing "Three Menuetts for Cello"; Harry Bannon, G. Iowa City, tenor singing "Pieta, Signore"; Leslie Woelflin, G. Maywood, Ill., clarinetist playing a concerto selection, and Myrna Russell, A4, New Sharon, pianist, playing "Fantasia in D Minor."

Violinists Mary Franz, G. Alton, Ill., and Beryl Pettigrew, A2, Ottumwa, along with Kenneth Klaus, G. Iowa City, viola, and Miss Brandt, cellist, will play "Quartet No. 40" by Hayden.

David McAdams, A1, Moline, Ill., tenor, and Richard H. Allen, A1, Davenport, pianist, will present "La Forza del Destino" by Verdi.

## WSUI Announces New Series of UN Recorded Programs

Iowa Citizens will hear recordings from UN meetings three times a week over WSUI, Program Director John Highlander said yesterday.

He said the "United Nations Today" programs will be especially timely because the transcriptions can be broadcast by WSUI 24 hours after the UN session.

The recordings are included in a daily summary of UN news and bring to listeners the voices of members discussing the various actions under consideration in the security council, the general assembly and the various other UN agencies. Also included in each program is an exclusive interview with one or more UN notables.

Originating in UN headquarters, Lake Success, N.Y., the programs are transmitted to radio stations throughout the country over the UN's "Network For Peace." The programs are transcribed at KCMO, the network's station in Kansas City, Mo., and are sent to WSUI by air express.

The program will be broadcast each Monday, Thursday and Friday, from 8 to 8:15 p.m., beginning Monday.

## Daily Iowan to Seek Most Beautiful Freshman

The Daily Iowan will conduct a freshman beauty contest on the SUI campus as part of 20th Century-Fox's search for America's most beautiful freshman coed, Dene A. Carney, A4, business manager, announced yesterday.

20th Century-Fox is sponsoring the contest in conjunction with its comedy, "Mother Is a Freshman," which co-stars Academy-award winner Loretta Young and Van Johnson.

Carney said SUI was one of 16 colleges and universities chosen to participate in the contest. Premiere of "Mother Is a Freshman" will be held at the Englert theatre, March 10.

Each women's housing unit at SUI may nominate up to three freshman girls as candidates. Frivolous nominations are eligible for nomination by their housing

units, Carney said.

Names of candidates must be submitted to either Gail Myers, Daily Iowan editor, or Carney by March 3.

Judging March 6  
Judging of the "Premiere Queen" will take place March 6 at 7 p.m. in the river room of the Iowa Union. Officers from each men's housing unit on campus will judge the candidates.

The chosen "Queen of the Premiere" will receive \$100 from 20th Century-Fox and will be entered in national competition with winners from other schools.

Winner of the national competition will receive a two-week all-expenses-paid trip to Hollywood as the guest of 20th Century-Fox during the summer vacation period.

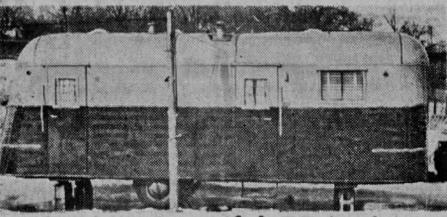

## Vets to Get Medals At Legion Meeting

Campaign, victory and American defense medals will be issued tomorrow night to army veterans at the 6:30 chow meeting of the Roy L. Chopek Post No. 17.

Sgt. O.A. McClung, army recruiter, said he would present battle stars and spearhead invasion medals to army veterans having their discharges at the meeting.

Similar programs will be carried on every night the legion post has a social meeting, McClung said.

Speaking of sleeping outdoors, John Holm claims he can top Coon's feat. Holm proposes to sleep outdoors with the same amount of blankets, on the hottest night of the summer.

Jerry Jewett, Sigma Nu, looking casual and in his twenties, just can't tolerate swivel chairs. When his new roommate, Ding Daisley moves one into his room he almost lost his mind. Climax came when Jerry, in a fit of rage, tossed the chair out of the top floor window. Ding, not to be outdone, countered by tossing Jerry's out after his. When the boys went out to inspect the damage, Jerry's was safe in a big snow bank — Ding's strewn all over the yard.

Announce Song Selections

Record Numbers Apply for 'Sing'

A record number of applications for University Sing have been received, Joan Frasseur, chairman of the sing, said yesterday.

Nineteen women's housing units and 18 men's housing units have sent in applications. This includes nearly every housing unit on campus.

The women's semi-finals will be held at 7:30 p.m., April 4, at Macbride auditorium. Men's semi-finals will be held there at 7:30 p.m., April 11.

Semi-finals are being held early due to the lateness of spring vacation this year. Finals will be held Sunday, May 8, culminating Mother's day week end.

At that time a trophy will be presented to the winning men's and women's choruses. No ties will be allowed. Directors of the choruses and selections were also announced yesterday.

Alpha Chi Omega sorority will sing "Wanting You" and "Many a Day." Donna Bendixen will direct the chorus.

Penny Dykstra will direct the chorus of Alpha Delta Pi. The sorority will sing "I Heard a Forest Praying."

"Stairway to the Stars" and "Deep River" will be sung by Kappa Kappa Gamma with Helen King directing the group.

Gamma Phi Beta will sing "You'll Never Walk Alone" and "Mamma's Precious Pickaninny."

Elaine Tucker will direct the chorus of Sigma Delta Tau which will sing "When Day is Done" and "I've Got Rhythm."

Delta Delta Delta sorority will sing "I've Got You Under My Skin" and "They Wouldn't Believe Me."

Lenore Bareaw will direct "How High the Moon" and "Jealousy" sung by Alpha Xi Delta.

Madison court will sing "April Showers" and "Dinah." Jeanne McDonnell will direct the chorus.

Regina Plum will direct the Westlawn singers in "Summertime" and "I'll See You Again."

Two women will direct the Eastlawn chorus which will sing "May Day Carol" and "Where or When." They will be Barbara Little and Helen Harrison.

Chi Omega sorority will sing "Star Lullaby" and "The Song is You." Frances Valentine will direct the women.

Currier hall chorus I will be directed by Eleanor Briggs. They will sing "I Heard You Cried Last Night" and "Sourwood Mountain."

Kay Phillips will direct the Currier hall II group. They will sing "I Love Little Willie" and "There Are Such Things."

"Whispering" and "Temptation" will be sung by the Kappa Alpha Theta group which Carolyn Covert will direct.

Mary Carmichael will lead the Zeta Tau Alpha group. The chorus will sing "I'll See You in My Dreams" and "Louisiana Hayride."

The Pi Beta Phi chorus will sing "Make Believe" and "I'm

Only Nineteen. Florence Strate will lead the group.

The Delta Gamma chorus will be under the direction of Bonnie Campbell. They will sing "With a Song in my Heart" and "My Johann."

Ruth Vernholt will direct the chorus of the co-operative dormitory association. They will sing "Donkey Serenade" and "Star-dust."

The Clinton Place chorus will sing "Blue Room" and "Thou Swell." They will be directed by Maude Brogan.

Sigma Phi Epsilon fraternity will be under the direction of Ed Naramore. They will sing "I Dream of You" and "The Last Time I Saw Paris."

Gene Thomson will direct the Hillcrest chorus. They will sing "Hallelujah" and "Little Old Lady."

"Carolina In the Morning" and "Sweet Georgia Brown" will be sung by the Law Commons group. They will be led by Jim McDonald.

Paul Conrad will lead the Phi Delta Theta chorus. They will sing "Blue Room" and "Meadowlands."

"Eric Canal" and "Set Down, Servant" will be sung by the Delta Chi chorus directed by Dick Duncan.

Pi Kappa Alpha fraternity will sing "Blue Moon" and "Whippoorwill Song." John A. Beer will lead the chorus.

AIRLIFT SETS RECORD

BERLIN (AP)—The western allies' airlift rounded out a record-smashing week yesterday by hauling 8,025 tons. In the past seven days the airlift to blockaded Berlin has delivered 44,612 tons of supplies. The previous daily high record, set last Wednesday, was 7,897 tons. The previous record for one week was 41,540 tons, set in mid-January.

Jim Bradley, will sing "I Love You" and "How High the Moon." Beta Theta Pi will sing "That Old Black Magic."

PERSONAL

Dear Joe and Jane:

Got a calendar handy? . . . Well, put a ring around the month of March for not only is SPRING coming, but . . . it's going to be A CAPITOL month. Movies new and old you've been waiting to see.

We're starting off this Tuesday with a "little" picture called "CHILDREN OF PARADISE." Our modesty prevents us from calling it one of the "greatest films ever made." Then we follow up with another "little" one called "MONSIEUR VERDOUX" starring a fellow who is one of the truly great artists of our time . . . Name? . . . Charles Chaplin.

I'm afraid we're losing our modesty. You just can't be modest when you start talking about great pictures . . . so I'll drop the role which is so unbecoming and merely tell you "VERDOUX IS TERRIFIC."

And then comes "La HEPBURN" in all her glory in "MARY OF SCOTLAND." Charles Laughton in "THE HUNCHBACK OF NOTRE DAME." . . . Emile Zola's "THE HUMAN BEAST," and your favorite Vivienne Romance in "KISS OF FIRE." . . . and to top it off, we old Capitol Playhouse is in for some more honors . . . On March 12th a new French movie has its WORLD PREMIERE in New York. It's called "THE WENCH" . . . And on March 25th "THE WENCH" has its Mid-West Premier at your theatre THE CAPITOL . . . making us the 2nd theatre in the world to play this great film. Remember the name "THE WENCH." Put it in your little black book, fellows.

Really now gang, so much applause isn't necessary. We just saw our duty and done it. You're the ones who should take the bows . . . you're a great audience and you deserve the best.

So Joe, if you want to get in solid with Jane, just buzz her on the phone and tell her she's got a date for a show at the Capitol . . . MARCH ON TO THE CAPITOL . . . IT'S A CAPITOL IDEA.

As ever,  
Ernie Pannos

Rifle Team to Shoot in Meel

The university ROTC rifle squad will participate in the 15th annual Camp Perry rifle meet at Booneville, Mo., Friday and Saturday, Sgt. J. P. Anderson, rifle coach, said yesterday.

Two SUI teams will be entered in the firing which begins Friday. On Saturday, the individual firing will be staged and each squad may have as many entrants as it desires.

Firing on the advance ROTC team will be W. H. Olson Jr., E3, Iowa City; Charles E. Thodt, A3, Walecott; J. W. Condon, A2, Iowa City, and either K. W. Gray, A3, West Liberty, or Laurence N. Selby, A3, Odeholt.

Shooting for the basic ROTC team will be Charles U. Kelly, A2, Iowa City; K. H. Black, A2, Des Moines; K. L. Nicodemus, E1, Vinton, and Charles D. Fellows, A2, Walnut.

The squad will leave for Booneville at 10 a.m. Thursday and return to Iowa City Sunday.

The marksmanship qualification tests were completed yesterday and scores from the four-phase firing were sent to fifth army headquarters in Chicago.

The Iowa team's mark was 7,198 out of 10,000 points, approximately 24 points under the score turned in by last year's ROTC squad which failed to qualify for the national ROTC meet.

Led by Charles U. Kelly's 182, the team fired 1,726 in their third phase prone-standing firing. Kelly also led the fourth phase kneeling-standing firing with a score of 181 as the team finished with 1,683 points.

MARINES ARE BACK

SAN DIEGO (AP)—Approximately 1,000 marines arrived here yesterday aboard the transport Renville—the second such arrival in the last 24 hours from Tsingtao, China. The transport Henrico arrived Friday with her first 1,000-man detachment.

A report on whether or not the team qualified for the 1949 national meet is expected from Chicago sometime after March 15, Coach Anderson said.

YOU PROBABLY haven't noticed, but I've been on a vacation. About the first of the month it came to my attention that the fellows who get paid for writing columns also get paid for taking vacations. That is a healthy practice, and I hope the field doesn't discard the plan in the event I should someday attain professional status.

It wasn't that I needed a vacation so much... it was just the principle of the thing. After all, if professionals can take off a week or so to go to Florida, the least I can do is take off a week to go to classes.

There is some similarity between my vacation and those cash-on-the-barrel-head duffers. Whereas they catch tuna and shark on deep-sea fishing trips, I caught cold on deep-seawalk excursions to and from college.

There will be more about this cold at a later date.

I DON'T KNOW why I should do anything for 20th Century-Fox. It is a blown-in-the-bottle cinch that 20th Century-Fox never did anything for me.

If I understand a 14 page memorandum correctly from that company, some lucky freshman girl at SUI is going to receive \$100 (one hundred dollars) from 20th Century-Fox.

To keep the records straight I'd like to make it clear right here and now that I think 20th Century-Fox is going to get its money's worth in advertising.

SOMETIME IN THE near future the picture "Mother is a Freshman" will appear at an Iowa City theater. Need I mention who filmed this picture, or can you guess?

Co-starred in the movie will be Lorella Young and Van (hold-my-hand-mother-there's-a-cinder-in-my-eye) Johnson.

If the freshman at Iowa is lucky enough she may win an all-expense paid, one-week vacation in Hollywood for the "Miss All-American Freshman" title.

The publicity boys at 20th C-F started this contest several weeks back when they sent telegrams to the editors of 257 college situated newspapers.

EACH EDITOR was supposed to select 12 colleges around the country which, in his opinion, had the most beautiful and talented coeds. It seems to me 20th C-F would get 257 different answers instead of 12, but apparently they didn't.

It is noteworthy, however, that "more than 5,000 heated letters flooded the company's offices," forcing original plans to 16 towns. Looking at California's weather this winter, I'd say those 5,000 heated letters were probably welcome.

CLOSER INSPECTION of the contest literature shows the words "unique showmanship" appear frequently with reference to the manner in which the local contests are held.

Pulchritude is not stressed (although it will probably help) inasmuch as artistic talent and scholastic attainment are requisites also.

It is not absolutely necessary that the freshman contestants actually be mothers.

FOR PURPOSES of "unique showmanship," however, it would be nice if we could find a coed with a 3.9 grade point whose general physical appearance resembles Betty Grable.

We could probably put the deal on ice if our winner was the mother of a three-year-old son and could juggle a dozen oranges while playing "Old Gold" on banjo and harmonica.

I UNDERSTAND a sequel to "Mother is a Freshman" will soon be released. Gabby Hayes will play the lead in "Father is a Delinquent Sophomore," and there will be plenty of students available for the king of the premieres honor.

The nice part about 20th Century-Fox's interest in this queen of the premiere deal is that they make no bones about it being a promotion stunt. They call a spade what it is, and if there is any doubt left in the editors' minds the several bales of still shots, promotion stories and mats should give some indication of 20th C-F's aims.

Promotion or not, it looks like a fine opportunity for some freshman girl to get herself \$100. (Minus whatever the government gets in the way of taxes).

ANALYSIS OF THE WORLD'S NEWS AS -

IT HAPPENED LAST WEEK

Politics

Truman Whips Pearson, May Re-Stump Country

Feeling that the political scene was getting a bit drowsy, President Truman manfully livened things up again by singling out the opposition and "giving 'em hell" - a fact that seemed to pay off last fall.

Mr. Truman first let fly at newspapermen - a group of men (along with pollsters) whom he generally scorns. Columnist Drew Pearson had just attacked the President's military aide, Maj. Gen. Harry H. Vaughan, for accepting a decoration from Argentina.

Speaking at a banquet, the President said: "If any S.O.B. thinks he is going to get any member of my staff or cabinet changed by some smart aleck statement over the air, he's mistaken."

That left everyone embarrassed and silent. So Mr. Truman airily accounted for his language. He told reporters that the public reaction was very satisfactory to him.

At a \$100-a-plate Jefferson-Jackson dinner, the President gave his lagging legislative program a boost. He hinted that he may stump the country again to combat opposition of "special interests" and "die-hard reactionaries" who oppose it.

If many were halted momentarily by the out-spoken Mr. Truman, there was at least one party who immediately decided to straddle the fence. The Nobel committee in Norway announced the candidates for the 1949 peace prizes. Among the candidates: Argentina's Juan Peron, Columnist Drew Pearson.

MAP locates vital points in Egyptian-Israeli Holy Land armistice. Agreement provides for demilitarization of all Egyptian-help Palestine and on Egyptian side of border as far as, but not including big military base at El Arish (A). Jews will be allowed to maintain troops at Beersheba (B), but base at Bir Asluj (underlined) will be demilitarized. Pocketed Egyptian brigade at Faluja (underlined) will be permitted withdrawal through Jewish lines. Armistice will leave Israelis in possession of most of barren Negev desert which they plan to dot with settlements.

DREW PEARSON "If Mr. Truman is trying to discourage the right of free comment then he has another think coming..."

Congress

New Labor Bill Slowed; Housing Bill Is Approved

Taft-Hartley repeal - The senate labor committee's tumultuous public hearings on the Truman labor bill came to an end with no one being too certain of what would happen next.

Democratic committee leaders deferred consideration of the new bill in order to give members more time to draft amendments and to reach "unity, or perhaps two-unities" on how the bill should be handled.

Republican Sen. Wayne Morse of Oregon was working up a GOP unity with the help of Sen. Ives (R-NY). He said if Democrats block revision of the administration measure, he would introduce a substitute in conjunction with Ives and perhaps Senator Taft. It sounded like a face-saving method of backing Taft into a compromise.

Housing - The senate banking committee approved a compromise, bi-partisan house bill calling for 810,000 government-financed rental units to be built over the next six years. It also calls for a \$1.5-million slum - clearance program and a \$262.5-million rural housing program.

Social Security - President Truman asked congress for changes in the present laws to provide more aid by hiking the present one percent payroll deductions by a half percent July 1 and another half percent next January.

Marshall plan - Among the witnesses before the house foreign affairs committee on the aid bill was Henry Wallace. Speaking against the plan, he suggested the U.S. is losing the cold war and should bargain with Russia for peace.

After British officials happily reported recovery strides under ERP, senate foreign policy leaders voted to re-examine Britain's allotment to see if she was getting too much aid.

Southern Democrats - Rep. John Rankin continued to push his \$90-a-month pension veteran plan while Democratic party leaders went ahead with plans to try to curb the senate filibuster tomorrow.

Later the government took legal action against the 84-member politburo of the French party for allegedly trying to incite the army to revolt.

Berlin - Polish Jews battled German police in the heart of Berlin until they obtained a promise that "Oliver Twist", a British-made film, would not be shown in the city.

Iowa

Compromise Bonus Plan Passed by Legislature

The Iowa legislature passed as its first major piece of legislation a compromise proposal to finance \$50-million of the veterans bonus from the state surplus. The remainder is to be financed by bonds. Gov. Beardsley wanted only \$36,125,000 drained from the surplus while senate leaders originally sought to use \$72,250,000 of the surplus.

# Navy to Test Defense Against Atomic Attack

**SAN JUAN, PUERTO RICO** (AP) — The navy will put its atomic defenses to their first big test today in Caribbean maneuvers under way here.

A two-engine "enemy" Neptune bomber will try to bring off a simulated atomic air burst over carriers and other warships rendezvousing for an amphibious assault on Vieques island off the southeast coast of Puerto Rico.

The navy's newest jet fighter planes will lend their speed and power to the defenses against

atomic attack—defenses sparked by radar warning. The maneuvers are the largest in navy peacetime history.

Ranking navy officers believed they had figured out an extended cruising formation that would hold losses from an atomic bombing to a maximum of one ship.

Major ships such as the carriers will be widely spaced, with cruisers forming an inner protective ring and destroyers, placed farther out, providing an outer

defense ring.

The task force will try to prevent the loss of even one ship by detecting the attacking plane with radar and then destroying it with anti-aircraft fire or carrier fighters, including jets.

The mock atomic bomb attack will be evaluated by an expert — Adm. W.H.P. Blandy, who commanded the Bikini bomb test task force in 1946 and is now commander of the Atlantic fleet.

# Business BRIEFS

A \$15,000 redecorating and re-vamping job will begin soon on the Huddle at Hotel Jefferson, George W. Davis, hotel manager, said yesterday.

The entire operation will be completed by Easter Sunday, Davis said.

The Huddle's street entrance will be closed and a new front installed.

Other improvements will include new booths, new upholstery, new dishes and new uniforms for employees. These will all blend into the new bright color scheme, he said.

New cooking equipment and a new stainless steel dish room will be installed.

The typewriter of nineteenth century vintage on display in the window of Cocking's Office Equipment and Supply 122 Iowa avenue is a Hammond multitype owned by Robert Ballantyne, student aid and placement director at SUI.

Ballantyne brought the machine in to trade it on a new model and Glen W. Cocking, owner, made it a part of a window display comparing it with the modern electric typewriter.

The Hammond was built before 1890 and is a forerunner of the modern varietytype, Cocking said. The type on the old machine is interchangeable and is mounted on a circular wheel. It is one of the first machines to have visible type, Cocking said.

The 1949 Dodge went on display Friday at Gartner Motor Co., 206 S. Capitol street.

Owner J.G. Gartner estimated that over 3,000 people viewed the new car during the first two days showing.

Iowa City Dollar days, officially scheduled for Thursday and Friday, carried through yesterday by many local retailers.

Reports were mostly favorable, with some merchants reporting that "very good" results were obtained from the sales venture.

## Mail Carriers Told To Report Blazes

Rural and star-route mail carriers have received orders to report fires along their routes to the nearest state fire warden or national forest officer.

District fire wardens in the Iowa City locality are Harry Wagoner, farm forester, and L.F. Reed, at Lake Macbride.

# Traffic Courtesy Campaign to Start In Housing Areas

A traffic safety campaign in married students' housing areas will begin within the next two or three weeks, John Shepherd, president of the barracks council, said yesterday.

Promoted by the barracks council, the courtesy campaign is designed to aid in solving the serious traffic problems in the barracks areas. Drivers there have been blocking fire lanes, speeding and endangering the lives of children, Shepherd said.

Tickets will be issued to violators of the traffic regulations through representatives and delegates in each barracks area, Shepherd explained. If a person receives three tickets, he will be sent a "warning letter."

"We have to receive the co-operation needed through this courtesy campaign as spring approaches. However, if the traffic problem continues — despite the campaign — we shall be forced to use more drastic measures," Shepherd warned.

The traffic problem was the main topic discussed at a barracks council meeting Friday night.

## The Daily Iowan Freshman Beauty Contest

# \$100 to the Prettiest Freshman Co-ed at SUI

The Daily Iowan is aiding in the search for "Miss All-American College Freshman." The search has been officially launched as a part of the World Premiere program for the forthcoming 20th-Fox movie "MOTHER IS A FRESHMAN."

The State University of Iowa has been chosen as one of the top colleges in the nation to participate in the Freshman Beauty Search. Premiere of the Technicolor "MOTHER IS A FRESHMAN" will take place in Iowa City March 10 at the Englert Theatre.

The Daily Iowan is looking for the prettiest, talented Freshman girl on campus. Here are the facts and rules of the Iowan Contest:

1. Each Women's Housing unit will nominate up to 3 (three) 1st or 2nd semester freshman girls as candidates. Frivol freshman queens are eligible for nomination by their housing units.
2. Names of these candidates must be submitted to either the Editor or Business Manager of The Daily Iowan by March 3rd. Names must be submitted in written form and must be accompanied by the signature of the president of the housing unit.
3. Judging of the Premiere Queen will be made by the president or an officer from each men's housing unit on campus.
4. Judging will take place Sunday, March 6th at 7 p.m. in the River Room of the Memorial Union. Counting of the ballots will be by 4 faculty members of the University.
5. Candidates will wear "campus wear" (skirt, sweater, and anklets).
6. The candidate chosen as "QUEEN OF THE PREMIERE" will receive a \$100 cash prize and will be entered in the national competition with freshman winners from other colleges and universities. Winner of the national competition will win a two-week all expenses paid trip to Hollywood as guest of 20th Century-Fox Studio. This trip will be arranged during the summer vacation period.

## Atomic Materials to be Free For Use in Cancer Research

WASHINGTON (UP)—The Atomic Energy commission last night threw its entire line of "hot atoms" into the battle against cancer.

It announced that more than 50 different kinds of radioactive elements now being sold will be available without charge to qualified American scientists studying the cause, nature, diagnosis and treatment of cancer.

The commission has set aside \$450,000 for the first year of its new campaign against the malady which now kills 200,000 Americans yearly.

Its action followed a report by the American Cancer society in Memphis, Tenn., that if recent trends continue, the cancer death toll will be doubled in the next half century.

Its give-away program is possible, the commission said, because of improvements in production of artificially radioactive atoms in its nuclear furnaces at Oak Ridge, Tenn., and Chicago. Dr. Shields Warren, director of the commission's biology and medicine division, called the free distribution project "a significant enlargement" of the cancer program started in March, 1948.

Researchers receiving the free "radioisotopes" may not resell them or charge patients for their use.

Among the ray-emitting atoms which now will be available without cost for cancer research is cobalt 60 which, the commission said, promises to become "an effective substitute" for rare and costly radium.

Radioactive radium has long been used in cancer research and treatment. But there is only about two and a half pounds of it in the world. Cobalt, on the other hand, is plentiful. Fabricated into needles or pellets to be embedded in cancer tissue, it is made radioactive under intense atomic bombardment in the commission's nuclear piles.

Scientists using it will get quantities of radioactive material for nothing. Radium, would cost them about \$20,000 a gram.

## Window Smashed, Cause 'Uncertain'

Report of a smashed show window at Shorts' Shine and Repair shop, 18 S. Clinton street, was received by local police late Friday night.

Shorts did not estimate the damage to the seven by nine foot window, but they said it was insured. A neon sign was also broken.

The first report received by police was that someone threw a brick through it, but later it was reported that a man broke the window with his fist, police said.

## AAA Group to Discuss '49 Conservation Plans

Sixty-three township committees of Johnson county's AAA group will meet tomorrow in the council room of the city hall to discuss conservation practices for 1949.

Arrangements for farm plan sign-up meetings will also be made at the 1 p.m. meeting, Ray E. Smalley, AAA chairman in Johnson county said yesterday.

## Mecca Committees Appointed to Plan Annual Festivities

With the Mecca week celebration little more than two weeks away, the appointments of six committee chairmen and a five-man coordinating committee were confirmed yesterday at a meeting of the Associated Students of Engineering policy committee.

The six committees and their chairmen are publicity, Ray Hudachek, E3, Hot Springs, Ark.; engineer's smoker, Richard Kidd Jr., E4, Muscatine; Mecca ball, Daniel Dillinger, E4, Avoca; Mecca queen, Gordon Peterman, E4, Villisca; Blarney stone, Maurice Nelson, E3, Proctor, Vt.; and engineering exhibits, Charles D. Johnson, E3, Fairfield.

Members of the coordinating committee are Earl Carson, E4, Iowa City, chairman; Robert Stooker, E2, Kansas City, Mo.; Charles Lazenby, E3, Marion; Jerry M. Clancy, E4, Hardy, and Cecil O'Dav, E4, Shenandoah.

This committee coordinates the activities of the other committees into a master plan for the week's activities.

The band committee announced yesterday that Chuck Foster and his band had contracted to provide music for the Mecca Ball in the main lounge of the Iowa Union, March 18. The ball is restricted to engineers and their guests.

The engineering seniors will begin their traditional search for the Blarney stone March 14, the first day of Mecca week.

The granite block was hidden last year by the graduating seniors and can be found only by solving a complicated set of engineering problems.

The stone will be re-hidden by this year's seniors sometime before graduation and the set of directions will be left for next year's seniors to decode.

## Farm Clinic Planned Here for March 29

The Johnson county district weed and corn borer clinic will be held in the SUI fieldhouse and armory March 29 from 10 a.m. to 3:30 p.m., Emmett C. Gardner, Johnson county extension director, said yesterday.

Kenneth Cline and Frank A. Colony, both from Iowa City, were selected as co-chairmen of the clinic. Other Iowa Citizens on the committee are W.H. McManus, Robert J. Davis, C.C. Erb, A.B. Thomas, Robert Gage, Lisle Hurlburt, and Emmett C. Gardner. Byron D. Cogan, North Liberty, is also on the committee along with Leonard McGuire who will represent the Des Moines Register and Tribune at the clinic.

## Students Help Families in France

(Daily Iowan photo by Wayne Golts) SEVEN PACKAGES OF USED CLOTHING, soap and cake mix were mailed to French families yesterday by the Roger Williams fellowship of the First Baptist church. Shown mailing the packages were Harold Ecklund (left) and Bob Turner, both A2. Families in and around Tremel, France, will receive the packages.

## Musical Workshops Sponsored by SUI Draw 400 Students

Vocal and string workshops, held as a service to Iowa high schools by the SUI music department and extension division, brought an estimated 400 visitors to the university music building yesterday.

The events were presented in the same manner as the brass and woodwind meeting last week. A performance of one number by each of the various groups was followed with a discussion of their playing by outstanding men in the vocal and string fields.

Discussion leader of the vocal groups was Henry Veld, conductor of the Augustana choir, Rock Island, Ill., who stressed the importance of diction in singing. He said students should sing words as if they were speaking them.

T. Frank Coulter, president of the National Band, Orchestra and Vocal association, commented on string ensembles, "what can be done with the bow," makes the playing of a string instrument beautiful or unpleasant.

In reference to the ensemble workshops in general, Coulter said they were a "wonderful opportunity for high school students."

## Dr. Bean to Explain Facts About Vitamins

Dr. William Bean, head of SUI's department of internal medicine, will explain beliefs about vitamins for members of the Johnson County Medical society tomorrow night at Hotel Jefferson.

Dr. Bean will speak on "Vitamins, Fact and Fallacy" at the society's third regular meeting. An open discussion will follow.

## Interstate Transit Bus, Car Collide

A traffic accident involving an Interstate Transit bus and a Michigan-licensed car yesterday

No injuries were reported after morning caused total damage estimated at \$80 police reported.

the two vehicles collided at the intersection of Muscatine avenue and Burlington street, according to the driver reports.

Clyde Noyce, bus driver from Chicago, said estimated damage to the bus was \$50. He said damage to the car, driven by Charlie Larson of Detroit, Mich., was estimated at \$30.

## SUI to Sponsor Speech Meeting

Sixteen colleges and universities, including SUI, are entered in the intercollegiate conference on World Problems, to be held here Friday and Saturday.

The conference, sponsored by the SUI department of speech and the Forensics association, is the fourth such meeting here since the war.

LeRoy Cowperthwaite of the speech department yesterday said about 75 persons will compete in debate, discussion, extemporaneous speaking and after-dinner speaking at the conference.

Schools represented in the conference will be Augustana, Rock Island, Ill.; Augustana, Sioux Falls, S.D.; Bradley, Coe, Cornell, Denver, Drake, Grinnell.

The University of Illinois, SUI, Iowa State, Iowa Teachers, Knox, Simpson, Sioux Falls and Temple, Pa.

The conference will open Friday morning, with registration from 8 to 9:30, Cowperthwaite said. The debate subject will be on federal aid to education,

while the discussion topic will consider civil liberties in the United States.

In the after-dinner speaking event, the subject will be "Un-American Activities."

Individuals and teams will be rated on a point basis by directors of the visiting colleges and SUI faculty members, Cowperthwaite explained.

Besides the other events, there will be a student senate composed of discussion groups which will decide on the problems discussed during the conference.

Cowperthwaite said the conference is open to the public. Places and times of the various events will be announced later in the week.

## Home Builders Club To Hold Box Social

The Home Builders club, married couples' group at the Zion Lutheran church, will have a box social tomorrow night at the church at 7:30 p.m., General Chairman Mrs. Margaret Alton said yesterday.

Couples planning the party are Mr. and Mrs. Harland Sprinkle, Mr. and Mrs. Carroll Sass, Mr. and Mrs. Marvin Sass, Mr. and Mrs. Charles Ruppert and Mr. and Mrs. Robert Engleman.

## The Daily Iowan

SUNDAY, FEBRUARY 27  
- THURSDAY, MARCH 3

# Dean Thompson First Convocation Speaker

### Fireside Chats Are Part of Program

FIRESIDE CHATS IN VARIOUS STUDENT CHURCH CENTERS will be one of the features of Religion-in-Life week. Student religious groups gather informally as shown above to discuss social and religious topics with the visiting speakers of the week. Besides the special activities for this week, church groups have regularly scheduled programs for every week in the school year. A summary of various activities may be found in another part of this section.

### President's Statement

"The question whether life has any meaning, or virtue any permanence, is one on which everyone must make up his own mind. Taking time to think, and the stimulus of thoughtful minds concerned with such issues, are a help to all of us. Religion-in-Life Week affords an opportunity for students and faculty to get a surer sense of direction in the baffling days in which we live."

President Virgil M. Hancher  
University of Iowa

### Special Radio Broadcasts Scheduled For Religion-In-Life Week Program

Two local radio stations will air special programs connected with Religion-in-Life week, the Student Christian council, has announced.

WSUI will hold additional interviews during the week. The time and speakers will be announced later.

## Announce Schedule for Seminars

Throughout Religion-in-Life week, four seminars on problems relating to religion and life will be conducted on the SUI campus by leaders in various fields they represent.

The topics of discussion for the seminars are varied in order that students of different interests may participate. The Student Christian Council, sponsors of the week said. The Rev. George D. Kelsey, associate executive secretary in field administration of the Federal Council of Churches of Christ, will hold daily seminars at 3:30 p.m. Monday through Thursday, in the YMCA rooms of the Iowa Union.

The seminar discussion will center about "The Church — Politics and Economics." Reverend Kelsey has written many articles emphasizing the need of religious training in higher education and democratic inter-group living.

Kelsey's seminar will discuss problems of church as a social institution and its role in economic and political life.

The Reverends C. Vin White and Victor Murtland join to conduct a seminar, "Skeptics Hour," each day of the week, Monday through Thursday, at

2:30 p.m. in the Senate chamber, Old Capitol.

These daily discussions are designed to be of interest to those whose beliefs are not necessarily identified with a particular religious group, the Student Christian council said.

The Rev. C. Vin White is the pastor of the First Presbyterian church in Lincoln, Neb., and has had much experience in working with young people.

The Rev. Victor Murtland is the director of the Lutheran Student association for the eastern part of Pennsylvania. He lives in Pittsburgh.

The author of "Non-Violence in an Aggressive World," the Rev. A. J. Muste will conduct

### Communion Service

An interdenominational communion service for Religion-in-Life week will be held Friday from 7:45 to 8:20 a.m. at the First Presbyterian church.

The Rev. P. Hewison Pollock, pastor of the church, will conduct the services. He will be assisted by the Rev. Robert Sanks, student pastor of the Methodist center, and the Rev. John Craig of the First Congregational church.

a seminar each day of the week, Monday through Thursday, at 2:30 p.m. in the YMCA rooms of the Iowa Union. The seminar will be on "Application of Gandhism to International Relations."

The Reverend Muste is the national secretary of the Fellowship of Reconciliation and is a member of the Commission of a Just and Durable Peace of the Federal Council of the Churches of Christ.

"Conscience on Stage" will be the title of a seminar led by Harold Ehrensperger, drama instructor at Northwestern University, at 3:30 p.m. daily Monday through Wednesday, in the Senate chamber of Old Capitol.

The seminar's title is the same as that of Ehrensperger's book of the same title. The group will not meet on Thursday as the other seminars do because Ehrensperger will be the speaker at the Information First program in Old Capitol at 4:30 p.m.

Ehrensperger is the editor of Motive, the national student magazine of the Wesley foundation.

All students are invited to attend any or all of the seminars regardless of affiliations, the Student Christian council said.

### Interviews

Any students interested in obtaining personal interviews with speakers on campus during Religion-in-Life week should make appointments at the YMCA office, ext. 2630, on the day before the interview is to take place.

Speakers will be available for interviews every day, Monday through Thursday, from 8:30 a.m. to 12:30 p.m.

## Religious, Youth Groups Plan Special Activities

### YMCA - YWCA

YMCA rooms, Iowa Union  
The Rev. A. J. Muste, executive director of the Fellowship of Reconciliation, will be the guest speaker of the YMCA and YWCA during Religion-in-Life week, Ralph Schmoling, SUI executive secretary of the YMCA has announced.

The YMCA and the YWCA are international organizations in the field of interdenominational and interfaith activities.

"As an arm of the Christian church the YM and YW attempt to help bridge effectively the gap between the personal faith and convictions and the effective channeling of that faith," Merle Fry, president of the SUI YMCA, said.

"Working as a voluntary group of laymen the 'Y's' attempt to meet student needs where they arise," he said. "As an organization on the campus of the State University of Iowa, the 'Y's' hope to help fulfill the need for student participation and understanding of campus, community and world problems."

The joint YMCA-YWCA schedule for Religion-in-Life week is:

Sunday, Feb. 27

9 p.m.—"Y" core groups meet to discuss convocation.

Monday, Feb. 28

### List Topics For Sessions

Dean John B. Thompson, head of the chapel at the University of Chicago, will give an address at the convocation opening Religion-in-Life week tonight at 8 p.m. in the Iowa Union.

His topic will be "Origin and Destiny."

Religion-in-Life week, sponsored by the SUI Student Christian council, begins today and will continue through Thursday. The Student Christian council is composed of eight church groups, the YMCA and the YWCA.

The council said it hopes to provoke during the week "some real self-examination of philosophies and beliefs" on the SUI campus.

Thompson, who went to the University of Chicago on Jan. 1, 1948, received his B.A. degree from Beloit college in 1926, a B.D. degree from Union Theological seminary in 1932 and studied as a graduate fellow at the University of Edinburgh, Scotland, from 1933-35.

From 1937 to the end of 1947, he was pastor of the First Presbyterian church at Norman, Okla., director of the Westminster foundation and a professor at the University of Oklahoma.

Thompson has spoken in more than 70 colleges and universities in the U.S. He has contributed articles, book reviews and verse to several publications.

The convocation program will be introduced with an instrumental prelude, the first movement of the "B Flat Major Quartet" by Mozart. The string quartet is composed of Irene Glanadakis, first violin, Marilyn McCreary, second violin, Patricia Trashesell, viola and Charles Becker, cello.

Before Dean Thompson's address the SUI chorus conducted by Prof. Herald Stark will sing "How Lovely is Thy Dwelling Place" by Brahms.

Second Convocation

Speaking at the second convocation of the week on Tuesday night at 8 p.m. in the house chamber of Old Capitol will be the Rev. A. J. Muste, secretary of the Fellowship of Reconciliation in the United States.

His topic will be "American Citizenship is World Citizenship." A forum discussion will follow the address.

The Rev. Muste is at present a member of the National Committee of the Commission on a Just and Durable Peace. The commission is an organization of the Federal Council of Churches of Christ in America. He has been active in labor movements and is a worker in the educational field.

Closing Convocation

At the closing convocation on Thursday night at 8 p.m. in the Congregational church, Harold Ehrensperger, religious journalist, will deliver an address centered around worship.

Ehrensperger is well-known for his interest in drama, as well as the study of youth movements. Author of the book, "Conscience on Stage," he is now editor of Motive, national student magazine of the Wesley foundation.

He made a world tour in 1946 and 1947 and spoke at colleges and universities in India and China. Ehrensperger is also a member of a new research committee which produces religious films.

The eight church groups in the Student Christian council sponsoring the Religion-in-Life week include those from the Lutheran, Presbyterian, Methodist, Christian, Baptist, Lutheran (Missouri Synod), Episcopal and Congregational churches.

Book Display

A group of books, pamphlets and magazines on international relations and the Christian faith will be on display outside the YMCA rooms in the Iowa Union during Religion-in-Life week.

Some of the books were written by the speakers who will be on the SUI campus for the week.

The display was organized by a committee headed by Jane Keeney.

YWCA hostesses will be at the display desk each day from 5:30 to 7:30 p.m. and until 10 p.m. Tuesday.

RELIGION-IN-LIFE WEEK GENERAL COMMITTEE is largely responsible for the general organization, planning and coordination of the activities of the week. The committee, made up of the chairmen of the subcommittees, are (left to right) Rev. Robert R. Sanks, advisor; Prof. Arthur M. Barnes, advisor to publicity committee;

Elizabeth McQuade, general chairman; Mary D. Vande Steeg, program chairman; Peace Penningroth, contact chairman; (standing) Walt McMahon, publicity chairman; Ray Davenport, coordinating chairman; and Jane Tewksbury, hospitality chairman.

# Religion in

### "It Pays To Be Ignorant"

That is the way many students, and some older folks, seem to treat religion. This includes even members as well as non-members of churches. Knowledge leads to questions; questions become signs of doubt; and doubt may spell difficulty: a feeling of contradiction between new knowledge and second-hand beliefs, inherited from ancient books and creeds.

Unitarian churches accept the scientific attitude as being fundamental in the religious thought and life of this age. We think it makes for integrity to encourage people to think for themselves rather than to depend upon the authority of a church or of a sacred book to tell them what they must believe and how they should deal with the problems and perplexities of this world and the next.

Unitarians are united by their ethical attitudes, by their respect for freedom and the integrity of each person, by reverence for human personality and its

potentialities. They believe the Power that makes for righteousness operates in the present, as it has in the past, through the understanding and purpose of man and woman as they seek to achieve those qualities of life which add dignity, dependability, security and beauty as man struggles forward, hopefully, for a better and happier world.

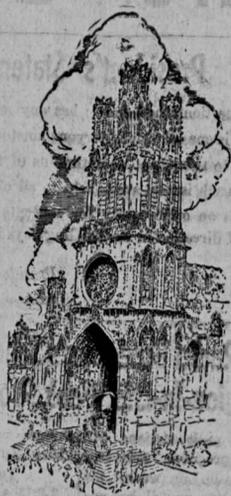

Unitarianism is a reasonable outlet for those questioning, practical-minded people who seek a religious faith which they can accept in all honesty. It is a believable faith, that gives full play to rational thinking.

The Rev. Tracy Pullman, minister of the Unitarian church in Detroit, Mich., will preach in the Iowa City Unitarian church, corner of Iowa Ave. and Gilbert St., Sunday at 10:45. Church school 10:30. Fireside Club 7:00 p.m. The Rev. Evans A. Worthley is the minister of the church.

REV. GERALD GRAHAM

Canterbury Club, the Episcopal student group will bring the Rev. Gerald Graham, director of St. John's Church in Keokuk.

By BILL McBRIDE  
WHEN ASKED if I would contribute something for the Religion in Life week issue my first thought was to run and hide someplace.

It's not that I have anything against religion or life this week or any other week for that matter. Both are quite necessary to each other, and I'd be the last to want to upset that balance.

After thinking it over, however, I remembered that religion and stiff formality needn't go hand in hand. One of the best trap drummers I've known was a Catholic priest, and a Methodist minister I knew had the hottest throw from short stop to home place in the ecclesiastic league.

BEING REARED in a small Iowa community which boasted only one movie theater and no school dances to speak of, the church had little competition in providing entertainment and social life for youngsters.

It has always been my contention that the churches in my hometown missed some opportunities to develop a youth center. A glance at the excellent church-sponsored centers in Iowa City convinces me of that.

Of course, we had Sunday evening get-togethers at pastors' homes, drinking hot chocolate and playing "thought" games, but for the most part we were sitting ducks for the devil the other six nights in the week.

MY EARLIEST contact with the church came from Sunday school. As is the custom, Sunday school was held at 10:30 a.m. on the Sabbath.

This was the occasion for wearing The Suit and The Necktie. Throughout the week youngsters ran around in whatever parents could afford in those lean years, but Sunday was dress-up day.

It is this fact which probably accounts for an unconscious association of my best suit and religion.

BOYS AND girls were segregated during Sunday school, but at that age it didn't matter. Girls were more bother than they were worth then anyway.

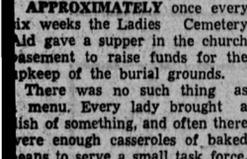

Mrs. Ed Bailey was the patient, understanding woman who taught our class of boys until girls started being worth the bother they were.

I often think of Mrs. Bailey and wonder how she put up with 15 little monsters Sunday after Sunday and still remained sound of mind. She knew it was too much to ask of adolescent boys to sit still in one spot for one hour. That is the reason we held our classes in the church basement.

UNTIL WE reached a more silent age we met in the furnace room. The difficulty here was that a hot air register conveyed much of our racket up to the adult classes in the church proper.

If you have ever heard an off-key version of "Yes Jesus Loves Me," rendered by 15 boys, coming through a hot air register, you understand what the adult classes put up with.

They got their religion the hard way.

APPROXIMATELY once every six weeks the Ladies Cemetery Aid gave a supper in the church basement to raise funds for the upkeep of the burial grounds.

There was no such thing as a menu. Every lady brought a dish of something, and often there were enough casseroles of baked beans to serve a small task force.

IT WAS all right to be fussy in selecting your 35 cents' worth, but once you got something on our plate it was a grave social error not to eat it.

This code was rigorously adhered to. You never knew whether or not the lady seated across the table from you had brought the scalloped potatoes you were leaving over to the side of your plate.

Reverend Schwantes will speak at the regular meeting of the USF on Sunday evening and will lead a discussion at 4:30 p.m. each day of the week in the Fireside room of the church. He will be available for other discussions and appointments.

Other special activities in the Congregational church during the week will include a matins service on Wednesday at 8 a.m. and informal discussions every evening at 9 p.m.

The latter will be led by different speakers each night: Monday, Rev. George Kelsey; Tuesday, Rev. A. J. Muste; Wednesday, Harold Ehrensperger; Thursday, Rev. Charles Schwantes.

At 7:30 p.m. Wednesday, the Rev. J. Victor Murland will speak to the Co-Weds, married student group of the USF. The meeting will be held in the parsonage at 725 N. Linn street.

Welfare Prof. Ralph J. Ojemann, director of the child welfare station: "Among students of human development, religion occupies a paradoxical position. For some it seems to have no relation to their work, for others it is one of the areas of human concern to be examined and understood. Perhaps this situation arises from differences in what religion is conceived to be. But broadly conceived there is appearing an interesting conjunction.

"The great minds who have dreamed of extensive possibilities of growth in the human personality and who have conceived of man as living in full measure have posed some interesting questions for the investigator in human development.

# Comments Offered on Implications of Religion-in-Life Week

Prof. M. Willard Lampe, director of the SUI school of religion and of campus religious activities:

"Religion-in-Life week, under various names and with varying programs, has been an event on this campus for many years.

"Many of the world's religious leaders have been among the visiting speakers. Jacques Maritain, the Catholic philosopher, E. Stanley Jones, the Methodist missionary, Stephen S. Wise, the Zionist leader, and Sherwood Eddy, the world evangelist, are typical of those who have been here. T. Z. Koo, the Chinese, and Howard Thurman, the Negro, after having appeared as speakers, later became guest teachers in the school of religion.

"The tradition of Religion-in-Life week is nation-wide. Most universities and colleges annually observe a period of time for taking stock spiritually. The uniform purpose is to focus attention upon issues that are relevant to the development of the inner spiritual life, to the promotion of the common good, and to the relationship between the two.

"All of us need renewal and hope, vision and valor, goals to aim at, and companionship on the way. Many have found help at these points in Religion-in-Life week."

Student Affairs Miss Helen Reich, assistant director of the office of student affairs:

"In thinking about religion as a motivating factor in campus social life, the leadership given by church-affiliated student groups comes to mind.

"The student groups in our churches find their social-religious emphasis gives members an unusually balanced motivation. This factor, coupled with the homogeneity of the membership, creates in the organizations a harmony of interest and purpose which results in a very satisfying social experience.

"In these groups a student can be sure of finding congenial associates and activity."

Psychiatry Dr. Andrew H. Woods, professor emeritus of psychiatry:

"In the practice of medicine, religion means an attitude of confidence, for the physician and his patient, that the best results will follow living earnestly, generously — with a view to the welfare and happiness of all concerned.

"When religion consists merely in claiming belief in formulae devised by others and in observing rituals, with the main objective the saving of the soul of the individual, it serves little effectiveness when calamity or death faces the person.

"We develop strong, enduring confidence in physical and physiological laws as we obey them. They prove to be not harsh, cruel, but beneficent. The phenomenon of conscience, the feeling of obligation to act according to what we ourselves feel to be right, generous and wise, comes to be as trustworthy as do the laws of gravitation and muscular development.

"A man who lives in that way finds that life has meaning, purpose. Though only a small unit in the universe, he has a part to play in a vast incomprehensible movement that no human mind can evaluate. His next step is indicated for him hour by hour from within, by his own decision, after thought, as to what will be best for all who will be influenced by his act.

"Such a man does not fear death or the criticism of others. He is not prone to worry, to shiver with fear; he is unlikely to become neurotic. In sickness, he tends to recover strength. When he faces death, he accepts it calmly."

Labor Prof. Frank R. Kennedy, SUI law school:

"The lawyer, perhaps more than any one else, is presented in his daily life with questions involving alternatives with moral implications.

"Whether he is preparing an income tax return, defending an accused criminal, or reorganizing a corporation, he stands in as great a need of religiously motivated convictions as he does of familiarity with the code and precedents.

"The moral quality of a community or of a people depends in a very substantial degree on the moral leadership of its lawyers.

"Knowledge of the law and skill in its techniques cannot make a lawyer worthy of his profession if he lacks a saving faith in the tenets of his religion.

"For truly the letter of the law killeth, but the spirit giveth life."

Welfare Prof. Ralph J. Ojemann, director of the child welfare station:

"Among students of human development, religion occupies a paradoxical position. For some it seems to have no relation to their work, for others it is one of the areas of human concern to be examined and understood. Perhaps this situation arises from differences in what religion is conceived to be. But broadly conceived there is appearing an interesting conjunction.

"The great minds who have dreamed of extensive possibilities of growth in the human personality and who have conceived of man as living in full measure have posed some interesting questions for the investigator in human development.

"Can men learn to live together? Can man broaden his sensitivities and feel how others feel? And can he learn to look far ahead, see the effects of his decisions and then take these effects into account in making present decisions?

"Were the thinkers correct when they saw man living not to hate and kill but to work shoulder to shoulder? Is man capable of the things they ascribe to him?

"Our experimental evidence will tell us. Already research in human development has indicated

that hostility and fighting and conflict and emotional breakdowns have rather definite causes, that even though our study of these patterns is still in its infancy we can in a measure control their development. Furthermore, there is every reason to believe that we will understand more fully as we continue our work.

"Those who have climbed the higher reaches and who had a strong faith in what man could be have stimulated us to explore deeply and examine what the real possibilities of human development are and how they may be realized."

Church The Rev. F. Hewison Follock, pastor of the First Presbyterian church:

"If one searches carefully in the life of the church, he will find that religion appears as a motivating factor in more than one of its activities.

"The church is the fellowship of the faithful, and strange as it may seem, the faith of which they are full is religious faith. When the church meets together for worship and common seeking of truth, they meet for religious reasons.

"Casual observers have thought sometimes that they go to church to show off their new clothes, but this is a mistake based upon a small understanding and little observation. The motivation is religious.

"When the church expresses a real concern for the state of the

world also, and undertakes to do something about it, as in the relief programs for instance, the church people do it because of religious convictions. Indeed, one could almost say that the main motivating principles of the church are religious."

Education Prof. M. F. Carpenter, SUI English department:

"I have been concerned over the gap between the actual lives of many of my pupils and their professed beliefs. Some years ago I wrote a comment on an interesting and attractive group of pupils about to graduate from high school. The editors of 'Youth Thinks It Through' were good enough to include it in that collection. I shall quote its conclusion as summing up a feeling that still distresses me:

"Without the intelligent explanation for your faith in your own worth, you have but two courses open: first, to turn your back on worthy living, which is the way of self-loathing; second, to live worthily without understanding, which is the way of dissatisfaction, and too often of hopelessness and bitterness. I regret your taking either path.

"So I trust you will find an explanation for yourselves which will make of you something more than amusing, pathetic creatures which are to be tickled and patted for a few short years of this mortal life. For that explanation, which is all many of you seem to have, cannot justify the lives you actually live, let alone the lives you feel you ought to live."
