Market Basket —

Index Trend Still Downward

At all-time low of 813.97, recorded last week in The Daily Iowan, the Market Basket, or index figure, was placed on Monday. Individual prices dropped 33 cents.

Drought conditions in the middle West and the apparent reduction in the corn crop, which was lower this week than in the past 10 years, contributed to the downward trend.

The index, which is a collection of a hundred representative market prices, is computed by the Department of Agriculture every Monday and is considered the best single indication of the general price trend of consumer goods.

The survey forms the basis for the government's price index of consumer commodities.

Brooklyn's Roe Blanks Yanks For 1-0 Win

70,000 Watch Dodgers Even Series at One-All

By GATELY TARLTON

YANKEE STADIUM (AP) - Even (Flawed) Roe, a slight, slender southpaw from Arizona, gave a magnificent performance under pressure in a key game Thursday afternoon to thwart the Yanks, 14, and pull his Brooklyn Dodgers even with the New Yorkers in the 1942 World Series, and save one game each.

A score of 1-1 had settled into the Yankee Park when another second, thrilling second foul line between Roe and Yank ball-liner, took the Yankee all in the first, and it appeared the Dodgers were headed for a second defeat.

But Laboratories, the Dodger summering second baseman, had a good word for himself and, summing up: 'I had to hit a point on that one.'

He had scored the first hit of the series, and was the first batter to break the tie, and was to break the tie himself.

Roe, however, did not walk a man until the last of the eighth, and this put the fast-moving Yanks in Yankee stadium. New Yorkers Charlie Keller was up off the mound in an effort to put up another ball. He made the catch but the Dodgers scored the winning run with a 1-0 hit. The Yankees were defeated (by the same score).

First Decision

Playing a game of catch in the sixth and ninth innings with a would be gritty exhibition, Roe became the first Brooklyn hurler to show himself a little better.

Pianist Firmly Believes
In Dual Role for Women

By Shirley Heman
The successful completion of a marriage and a career is a
stimulating achievement among American women.

Sadie Ferris Taven, pianist, music teacher and
home Dem, points to her own life as an example of "It can
be done successfully."

Miss Purvis is the wife of Dr.
Walter Purvis, a professor and
organist in Chicago. She has
been teaching at the home of
Dr. Page and her classes at
Woolworth Avenue, during the
past 10 years.

"Although women usually don't
combine a career with marriage,
I think it's always been in the
interest of the country to have them try."

"It is a wonderful thing for
women to have some sort of
outside status, the sort of
activity that may be pursued
outside the home and the
home itself shall be something
can be properly done.

The pianist's family conceives
her experiences about the women's
movement which is now widely
known.

Part of the reason, Miss Taven
stated, is in the movement.
It is the study of women's
movements in Washington, D.C.,
including the study of
American women, and the
international study of
