Lewis Endells Soft Coal Walkout; U.S. Steel, CIO To Talk Peace

From Jugs to Jug the Hard Way

CHICAGO (AP) -- John L. Lewis, head of the United Mine Workers, plans to hold a week-long strike that he said will be bigger than the giant battle of workers last day for two cents a ton. He planned to call a three-day strike last Monday.

He said he would keep the battle on for days to avoid a possible lawsuit. He said he will appeal to the board of directors for more funds.

The battle is expected to last for several days. The union has said that Lewis would appeal the decision of the board of directors for more funds.

No Strike Settled

A settlement meeting was held Wednesday, but it is not clear what the outcome will be. An appeal to the board of directors for more funds was expected.

Board to Deed Land to City

Iowa City's school board decided Tuesday night to deed the city that new portion of Fourth avenue which is still owned by the school independent school district. The deed would permit development of the roadway in a public street.

One of the conditions attached to the transfer of the 450-foot-wide thoroughfare to the city is that an ordinance be passed prohibiting parking on the 250-foot-wide traveled portion of it.

It is also understood that the 15-foot-wide grass strip close to the north end of the street will be retained by the school district.

Residents of the four building on the north side of the street, all of whom consistently oppose the school district's plan to build a public street there, responded strongly to the idea of the street being owned by the city.

NCAA Ruling May Affect Some Small Post-Season Bowl Tulls

NEW YORK (UP) — Despite the fact that the National Collegiate Athletic Association's tightened restrictions on post-season football games do not go into effect until after the 1950 season, a number of the New Year's bowl promotions will be affected this year. A Club Bowl up to a total of $10,000 has been offered by the New Year's Day Parade Association. A similar offer has been made by the Annual Vintage Fund. The City of Detroit has offered a total of $15,000 for a championship game to be held in Detroit. The up to $20,000 on offer by the New Year's Day Parade Association has been increased to $25,000. Other bowl offers which will be affected are the Rose Bowl and the Orange Bowl. The Associated Press reported that the agreement between the two bowl associations on the Rose Bowl and the Orange Bowl has been renewed for the 1950 season.
